## The Marketplace Movement... 7 Mountains... K.E.Y.S. = NAR

Dear friends in Christ Jesus,

Finally another newsletter from Sweden!

This will be long...but I really think it is important...

Before you reject this message, thinking this doesn't concern you or your church...

**Please, know that it may very well be so that it already is "in your church" and should concern you!**

**I plead for you to read and find out for yourself.** Pardon my "SwEnglish"!

My motive with this newsletter comes from Proverbs 24:11-12:

*"If thou forbear to **deliver them** that are drawn unto death, and those that are ready to be slain;  
If thou sayest, **Behold, we knew it not; doth not he that pondereth the heart consider it? and he that keepeth thy soul, doth not he know it? and shall not he render to every man according to his works?"** (KJV)*

Since I **"know"** about that which I'm to write... I feel a healthy "Fear of God" which makes me NOT able to ignore this serious subject... It has been revealed to me and therefore I feel responsible to share and warn!

**Then it is up to each one to read, taking it seriously and make their own standpoints...**

**"If the whole Church goes off into deception, that will in no way excuse us for not following Christ."** - Leonard Ravenhill

Since my newsletters usually is about heresies which has infiltrated into Christianity... and since many of us ended up in a "group or denominaton" when we became born again and didn't think of, nor were we questioning, if the congregation/church we went to was Biblical or not... unfortunately, in many places there's a huge lack of being Biblical these days... so, **I would recommend a book "LET THERE BE LIGHT" by Roger Oakland – a very trustworthy apologist.** While it is a kind of biography or a testimony how an Evolutionist became a Bible Believing Creationist; it also **addresses many heresies that have crept into the Church... I believe it can give "light" to many things!** It can be purchased here: <http://www.understandthetimes.org/resources/books.shtml>

Also, just to make you aware that these "Seven Mountains" are also refered by some as "Seven Mind-molders" and "Seven Pillars"... BUT those who have ears to hear with and eyes to see with will understand that it is the same...

**Seven Mountains is the most common and we can find it in the Word of God in Revelation 17, verse 9:**

*"And here is the mind which hath wisdom.  
The seven heads are seven mountains, on which the woman sitteth." (KJV)*

**Notice it says "seven mountains"!** It is absolutely no coincidence... We now see in our days efforts to take/reclaim the "7 Mountains" – it is a strategy – SEE THE CONNECTION!

Now to what's on my heart:

The reason you haven't heard from me in a good while is because I have been busy writing newsletters in Swedish, warning about heresies and conferences taking place in Sweden...

We had Pentecostal pastors travelling to the Vatican in Rome on a "study visit" with Swedish Catholics...

We had multitude of summer conferences in June, July & August – where the speaker were either promoters of the Word of Faith Movement or of Roman Catholicism...

At one conference they encouraged to "practice worship of Jesus" in front of a chair – which is very obvious to see that it is a "mild introduction" for the "Eucharistic Adoration" = Roman Catholics worshipping the wafer in a Monstrance as "Christ precence here on earth"...

I just could not keep silent – as you can see below! (Most of you can't read it as it's mostly in Swedish)

- Nyhetsbrev: Marknadsplats Rörelsen... 7 Berg... Skaraborgsbönen... = NAR >> 22/11
- Nyhetsbrev: Oasmöte - tillämpning som liknar Eukaristisk tillbedjan >> 28/8 Oasis-meeting - application similar to Eucharistic adoration
- Nyhetsbrev: Sommarkonferenser 2011 Del 4 >> 22/7
- Nyhetsbrev: Sommarkonferenser 2011 Del 3 >> 30/6
- Nyhetsbrev: Sommarkonferenser 2011 Del 2 >> 23/6
- Nyhetsbrev: Sommarkonferenser 2011 Del 1 >> 16/6
- Nyhetsbrev: Varning till pastorer från Roger Oakland >> 13/7
- Nyhetsbrev: ...efter... "Studiebesök i Vatikanen" >> 1/6

In any way, when writing the last newsletter about "Summer Conferences 2011"; I ran into "7 Mountains"... It got my attention so I mention about it in that newsletter:

**Sommarkonferenser 2011 Del 4 >> 22/7 Summer Conferences 2011 Part 4 (See pages 23-27)**

**And that's what this newsletter is all about... 7 Mountains...**

In one of the conferences/courses that was in above link it mentions about "seven mountains"...

*The Seven Mountain Mandate - Johnny Enlow*

It is also mentioned above under C. Peter Wagner...

I thought it seemed familiar...I had just read an article about the **Catholic Mystic Thomas Merton** from *The Georgia Bulletin - The Newspaper of the Catholic archdiocese of Atlanta, June 23, 2011 - Vol. 49, No. 13* "Merton's Classic Stills Speaks To Disengaged Youth"

**There they exalted his book: "The Seven Mountain Storey – An Autobiography of Faith"**

I thought it was interesting about "seven mountains" and made some searching to find out what it could mean:

The 7 mountains are 7 sectors in society that mold the way we think, that is our culture is shaped by these spheres or mountains. Society is changed/transformed through all 7 mountains.

In this inspiring message, Rich Carey provides an overview of the 7 Mountains and summarizes the strongholds which hold each mountain, a brief strategy for bringing the Kingdom to each mountain, and offers insight as to what each mountain will look like once the Kingdom has been established on that mountain.

**What are the 7 Mountains?**

In 1975 **Bill Bright**, founder of **Campus Crusade**, and **Loren Cunningham**, founder of **Youth With a Mission** (KJ: called **UMU in Sweden...this link is 1 av 8 bases i Sweden:** <http://www.ywamrestenas.se/index.php?id=home&L=1>), had lunch together. God simultaneously gave each of them a message to give to the other: **"The culture is shaped by seven mind-molders or mountains in society. If we can influence each of these areas for Christ, we will win the culture of our nation."**

These 7 mountains are:

1. Media Mountain
2. Government Mountain

**Dutch Sheets** sent out 3 newsletters today **from the USAA, (U.S. Apostolic Alliance)** and I want to share a few portions of them with you, along with a couple links concerning the 'Reclaiming The 7 Mountains' teachings.

---

Some of the proponents of the false teachings known as 'Reclaiming the 7 Mountains', recently held a conference, February 6- 8th, 2009 – Atlanta: **Change Agents Gather in Atlanta, GA USA to Consider Culture Changing Strategies.**

---  
You'll see from [this ad](#) which appeared at the Elijah List, they were targeting the youth:

---  
**The core teachings of "Reclaiming 7 Mountains" is known as "The Dominion Process":**

Well, these were just a few of the 188,000,000 links that I found July 17, 2011 when I searched for "7 mountains" on Bing's searchengine...

**One can wonder if these men, who are so strongly promoting this teaching, have read Thomas Merton's book ...???**

Well, I really don't know since I haven't read Merton's book...to find out if he taught this teaching...he who were in a monastery for 27 years...

**In any way, it was interesting to learn about this "7 Mountains"-teaching... At least it was new for me!**

.....  
End of Excerpt from "Summer Conferences 2011 Part 4".

We read above that Loren Cunningham, together with Bill Bright, started this with seven "mind-molders" or "mountains" in society... <http://retakeyourcity.com/mountains.html>

*In 1975 Bill Bright, founder of Campus Crusade, and Loren Cunningham, founder of Youth With a Mission, had lunch together. God simultaneously gave each of them a message to give to the other: "The culture is shaped by seven mind-molders or mountains in society. If we can influence each of these areas for Christ, we will win the culture of our nation."*

**With other words; it is Loren Cunningham and Bill Bright who are the "founders" of today's 7 Mountains strategies!!! And God gets the "blame" as usually...as they claim it was He who gave them the message...**

**Don't miss the video that tells how "7 Mountains" came to be...it is available on several links above...**

**Here is another one where they also mention Francis Schaeffer as "founder":**

[http://www.youtube.com/watch?v=wQtB-AF41p8&feature=player\\_embedded#](http://www.youtube.com/watch?v=wQtB-AF41p8&feature=player_embedded#) - **Reclaim 7 Mountains of Culture**

*Over 30 years ago... God gave three men a vision*

**Loren Cunningham - Founder of YWAM**

**Bill Bright – Founder of Campus Crusade**

**Francis Schaeffer - Theologian and Founder of L'Abri**

*The vision was a description on how to advance the Kingdom of God in this generation.*

*Loren Cunningham: "It was August 1975...and the Lord had given me that day a list of things that I had never thought about before. He said this is the way to reach America and nations for God."*

*In every city of the world, an unseen battle rages for dominion over God's creation and the souls of people. This battle is fought on seven strategic fronts, looming like mountains over the culture to shape and influence its destiny. Over the years, the church slowly retreated from its place of influence of these mountains leaving a void now filled with darkness. When we lose our influence; we lose the culture and when we lose the culture; we fail to advance the Kingdom of God. And now a generation stands in desperate need... It's time to fight for them and take back these mountains of influence.*

*The Mountain of Government - where evil is either restraint or endorsed*

*The Mountain of Education - where truths or lies about God and His creation are taught*

*The Mountain of Media - where information is interpreted through the lens of good or evil*

*The Mountain of Arts and Entertainment - where values and virtue are celebrated or distorted*

*The Mountain of Religion - where people worship God in Spirit and Truth or settle for a religious ritual*

*The Mountain of Family - where either the blessing or a curse is passed on to successive generations*

*And the ONE MOUNTAIN they all depend on - the Mountain that fuels and funds all the other Mountains:*

*The Mountain of Business - where people build for the glory of God or the glory of man. Where resources are consecrated for the Kingdom of God or captured for the power of darkness. Those who lead this Mountain control what influences our culture. The last 50 years, you've seen the most rapid moral decline in history. The culture we inherited from our forefathers is disintegrating before our eyes. What kind of world are we leaving for our children and grandchildren? As long as the Business Mountain is held by enemies of the Gospel; funding for the other Mountains will always be constrained and any efforts to advance the Kingdom of God will be hindered.*

*Imagine; God's people reclaiming their Cities and Government, in the Arts and Entertainment, in the Media, in Education, in the Family, in Religious Influence, but only limited by their imagination and not by a lack of finances... It's possible, but first we must take back the Mountain of Business! God's move to take this Mountain back has already begun... Thousands and thousands of Business Leaders (Zig Ziglar) in every major city across the nation are filling arenas to learn from Business Leaders (Peter Lowe) and hear the Gospel of Christ.*

**(KJ: In the video you can read the name "Zig Ziglar" - <http://www.ziglar.com/> - <http://www.ziglar.com/aboutus.html>**

***The Ziglar Way—a philosophy is born***

*The personal and professional development strategies you discover through Ziglar are all built on or related to a basic philosophy. A philosophy developed by Zig Ziglar more than 50 years ago.*

*A World War II veteran who grew up poor in Yazoo City, Mississippi, Zig worked in a succession of sales companies early in life. As his sales skills grew so did his interest in motivational speaking. During speeches, his messages of hope, encouragement and faith showcased his way of life—**forming the Ziglar Way.***

**Ziglars Way... NOT GOD'S WAY! And from him Christians would learn how to advance the Kingdom of God!!!  
NO THANKS!**

**Both of these are "Motivational/Inspirational speakers" – which is the "Worlds Way"!**

Continuing from the video above:

*90% of people working in the Market Place believe in God*

*78% Believe Spirituality & Business Mix*

*70% say that because of their faith they Find Meaning & Purpose in Life*

*There are over 56 Million Bible Believing Christians working in the Market Place*

*A vast army of God waiting to be truly engaged in the battle, yet this strategic army and battlefield has largely been left ignored by the Church.*

*More than 90% of the church members do not feel they are being equipped or trained by the church to apply Biblical faith in their day to day life.*

*Os Hillman Faith and Work Leader, Author & Speaker*

***"The Business Mountain is strategic because that is the place of influence.***

*When you look at culture; so much of culture is defined of what happens in business."*

*Cunningham "If we would use the wealth of the world to bless the world.*

*And bless it, not only to distribute to the needy that which they need."*

*Os Hillman "When you bring economy and economic benefit to a nation or a culture; then you have influence in that culture."*

*Cunningham "People as they transform, who will transform all these spheres of society."*

*It is time to reclaim the Seven Mountains and bring the light of God back into our culture!*

**MY BIBLE MAKES IT SO MUCH EASIER = PROCLAIM THE GOSPEL OF CHRIST TO EVERY ONE!**

**In any way, I thought it was enough of "mountains" for my part...**

But August 12 I read an e-mail that had been sent out from Charisma Magazine the same day, where they advertised about **Os Hillmans book *Change Agent***, see copy of complete e-mail at the bottom of this letter.

*"As Christians we are called to be change agents. If people are being changed, society and culture will be changed as well. Os Hillman does a great job of showing us how." —David Green, CEO, Hobby Lobby*

### ***Engage your passion to be the one that makes a difference.***

*Os Hillman explains the process God uses to raise up His change agents in culture, demonstrated in biblical leaders like David, Daniel, Esther, and Moses. With details from his own experiences and profiles of modern-day change agents, Hillman shows how you too can have greater influence no matter what your age or status in life.*

The video next to the book can be watched here: <http://www.vimeo.com/27536276>

#### ***Change Agent Book: What's Inside by Os Hillman***

*Check out this video with Os Hillman on what inside "Change Agent - Engaging your passion to be the one who makes a difference!" Listen as Os describes the relevancy of this book for the current times in which we live, what God is saying in the midst of these times, why he believes in us to be "Change Agents" to impact culture, and the strategy Os believes God wants to use to shift culture in a godly direction.*

#### **This is what Os Hillman says on the video:**

*Hi, Os here again.*

*I want to tell you a little bit about why I wrote the book; Change Agent and what you're going to find as you read it. You know we've been in unprecedented times of change in our own nation the last couple of years and I believe these changes are not always good, you know, many of you have gone through major adversity in your life and trying to make sense of that adversity.*

*Well, I believe that God has a process for every person that He allows to be a Change Agent and so over the last several years I've been doing a study on leaders in the Bible and the processes God uses to make them the Change Agents they were. And I found that the same processes are in existence for those who are making major changes in our nation today, in a good way as Kingdom Market Place People. And so, the book is divided into three sections;*

*The first deals with "How have we been losing culture?" and there are three primary reasons, I believe we can say, we've been losing culture for these specific reasons.*

*The second section deals with "The 6 Stages of the Call of a Change Agent". I discovered that the 6 Stages are:*

*One: **Recruitment** - God often recruits us through many times a crisis in our life.*

*And number two is **Character Development** - we often go through a process of Character Development just like Joseph went through.*

*And then three is **Isolation** - many times we're thrust to a season of isolation like David was in the cave of Adullam*

*And then, number four is **The Cross** - ultimately; God wants all of us and that means He takes us through a process really to come to the Cross.*

*And then the fifth stage is **The Problem Solving Stage** - you see; I believe the culture is changed when we, as believers in the Market Place, begin to solve cultural problems and of course this is what Jesus did, wasn't it? He met someone and He solved the problem in their life.*

*And then number six is **the Network Phase** - I believe that God causes us to work with others in order to fulfill purposes on the earth. We don't do it by ourselves, we're not individual lone rangers. He often require us to work with others, to leverage what we're doing.*

*The third section of the book deals with "The 7 Cultural Mountains" and these are the areas that I believe have the most influence in culture. They define what we believe about culture. These 7 Cultural Mountains are Business, Government, Arts and Entertainment, Media, Education, the Family and the Church and often that would include Religion Mountain because many religions have a major influence on culture. And so these 7 Cultural Mountains are what define culture and so I talk about, you know, where we are - each one of these Mountains - what we have to do to have a greater influence, because what we have discovered is that it only takes 3-5% of people operating at the top of a cultural mountain to actually shift that mountain.*

*And then we talk about "what does it look like if we are successful?". So I believe this book will be an encouragement and a strategic plan for you and other Market Place Leaders to understand how we can have greater influence in our culture.*

*God Bless. Change Agent: Engaging your passion to be the one who makes a difference*

Definition of “marketplace” according to The Free Dictionary <http://www.thefreedictionary.com/marketplace>:

**mar·ket·place**

1. An open area or square in a town where a public market or sale is set up.
2. The world of business and commerce.
3. A situation or place in which values, opinions, and ideas are put forward for debate or recognition: a marketplace for new ideas; the literary marketplace.

**Interesting!**

Yes, this e-mail from Charisma Magazine caught my attention and I became curious... I started to search and found quite a lot... so I started with a new newsletter and had already 12 pages full the same day, despite the fact that I was still working with the newsletter about OAS...

(Oasmöte - tillämpning som liknar Eukaristisk tillbedjan  $\geq 28/8$  = "OAS-meeting - application similar to eucharistic adoration")

Of course I started to search about the author – to find out who Os Hillman is...

Here is a link to another book he has written where you can pre-read some chapters...

You can also read forewords among others from:

It seems as Os Hillman writes daily devotionals at "Market Meditations"...

After one of his devotions there was this advertisement of TGIF Mug:

**TGIF (Today God is First) Mug**  
Start every day with your very own TGIF (Today God is First) Mug! This heavy duty, ceramic mug has a matte black exterior with a white glossy interior. Even Os Hillmans book "The 9 to 5 window", also mentioned above, was recommended by Mr. Wagner himself:

Here is a very interesting article worth reading!

<http://www.discernment-ministries.org/ChristianImperialism.htm> - **Dominionism and the Rise of Christian Imperialism By Sarah Leslie**

Throughout the 2000 year history of Christianity there has always been a vein of dominionism embedded in the strata of doctrines. This seam has ebbed and flowed for 20 centuries, sometimes submerged, sometimes exposed. Whenever out in the open, it has given rise to horrible abuses done in the name of Christ. In the early 21<sup>st</sup> century, once again this vein is now showing and active. Keep in mind:

- Dominionism is **always** an aberration of true Christian theology.
- A remnant of believers has always opposed it, often suffering a martyr's fate at the hands of intolerant dominionists.

-----

### **The new dominion mandate by control**

Dominion theology is predicated upon three basic beliefs: 1) Satan usurped man's dominion over the earth through the temptation of Adam and Eve; 2) The Church is God's instrument to take dominion back from Satan; 3) Jesus cannot or will not return until **the Church** has taken dominion by **gaining control of the earth's governmental and social institutions**.<sup>6</sup> [emphasis added]

Al Dager, Vengeance Is Ours: The Church In Dominion

Dominion theology is a **heresy**. As such it is rarely presented as openly as the definitions above may indicate. Outside of the Reconstructionist camp, evangelical dominionism has wrapped itself in slick packages – one piece at a time – for mass-media consumption. This has been a slow process, taking several decades. Few evangelicals would recognize the word “dominionism” or know what it means. This is because other terminologies have been developed which soft-sell dominionism, concealing the full scope of the agenda. Many evangelicals (and even their more conservative counterparts, the fundamentalists) may adhere to tidbits of dominionism without recognizing the error. This is because dominionism has “crept in unawares” (Jude 4) to seduce an undiscerning generation.

To most effectively propagate their agenda, dominionist leaders first **developed new ecclesiologies, eschatologies and soterologies** for targeted audiences along the major denominational fault lines of evangelical Christianity. Then the **1990s Promise Keepers men's movement** was used as a vehicle to “break down the walls”, i.e., cross denominational barriers for the purpose of exporting dominionism to the wider evangelical subculture.<sup>7</sup> This strategy was so effective that it reached into the mainline Protestant denominations. Dominionists **have carefully selected leaders to be trained as “change agents” for “transformation” (dominion)** in an erudite manner that belies the media stereotype of southern-talking, Bible-thumping, fundamentalist half-wits.

### **FOREWORD -----**

I am posting the transcript of this conference in the hope that those who want to know what is going on in the churches across the world today will be able to understand the agenda of the New Apostolic Reformation. This agenda runs through thousands of **agencies** and web sites. It is what is driving the Transformations movement, the global prayer movement, and thousands of other churches and organizations. What Christians need to realize is that they need to make a choice now. A majority of Christian churches have already succumbed to this Dominionist agenda foisted on the churches by false apostles driven by false prophecies from false prophets. Wagner is talking about the government of the church, under the leadership of the new foundational restored “apostles”, **OVERTHROWING** the governments of the world. A spirit is indeed saying something to the churches, but since this is based on false prophecy rather than the written Word, you can begin to understand that this is not of the Holy Spirit speaking. **If this agenda that C. Peter Wagner is proposing and is about to pull off is not “the woman who rides the beast” I don't know what is!** -----

### Excerpt from Peter Wagner's speech:

Ok, now the first thing we've gotta understand, **number 1**, is we need to understand the kingdom.

---

Here's **number two**. We need to understand that there's a church in the workplace.

---

So, this is **the third thing** to understand, we need to understand that Christian ministry is not confined to the nuclear church. Christian ministry is not confined to the nuclear church. That's old paradigm thinking.

---

**Number four**. The fourth thing we have to understand. We have to understand that the church has a God-designed government.

---

**Number five**. We need to understand the full scope of the word, "workplace." The thing about apostles is, every apostle soon learns that God not only gives the apostle the gift of apostle, but that God also assigns the apostle a sphere, or more than one, or spheres. And you know what? Apostles have incredible authority, but that authority only applies to their sphere. If they get outside of their sphere, they don't have any more authority than anybody else in the body of Christ, and Paul writes about that in 2 Corinthians 10... I don't have time to go through half of 2 Corinthians 10, is on that. But here's what I'm saying about the workplace, when we begin to identify the apostles in the workplace, we also need to recognize that part of analyzing the workplace, which is quite complex, if there are different spheres in the workplace, and there will be apostles raised up in the different spheres of the workplace. **There'll be apostles raised up in religion, apostles raised up for the family, for education, for government, for media, for arts, for business, for all these different spheres in the workplace. (KJ = 7 Mountains!) So that's the scope of workplace.** We have a lot of work to do. And somebody said, you know, I could never be happier being alive right now. Neither can I. I mean, this is going to be fun! Seeing it all come into play!

---

And then, here's what's going to make it the most fun and this is the **point number six**. I told you there were six points, ok? And this is the last one, this is the longest one, so I'll let you write this down because it's very important. **We need to be fully aware of the two strategic gates for the advance of the kingdom of God that will be opened through the ministry of apostles in the workplace.** Now I said that slow so you get that down because I really worked on choosing these words. **This is well thought out.** [Repeats point six.] Now I tell you another thing, **these two gates**, I tell you everybody, **are not going to be opened otherwise. Only with apostles in the workplace.** Now when I say two gates it sort of reminds you of the gates of hell. God said, Jesus said, "I'll build my church and the gates of hell are not going to prevail against it, and I'll give you the keys to the kingdom of heaven to open these gates." **These apostles in the workplace are the ones that are going to come into the picture and with them we'll be open these gates, without them we can have all the prayer meetings we want, all the marches for Jesus we want, all the prayer walking we want, the gates aren't going to be opened. Because it takes a government to overthrow a government.**

Gate number one, letter A, the gate of social transformation, **the gate of social transformation.** Now we've tried a lot of these things, like I've just mentioned... **marches for Jesus, prayer walking, identification, repentance...** You know how long we've been doing this? **We've been doing this since 1990, since John Dawson's book, Taking our Cities for God, first came out, this has gotten on our agenda, in 1990, fourteen years, we've been working on city transformation.**

And I'm not talking about the mediocre leadership of the body of Christ, I'm talking about **our best leadership has been into this.** And you know, **we haven't gotten a single city in America transformed in America yet.** There's some signs in Elk River, Minnesota, a few signs in Baltimore, I mean, but nothing, past tense, transformed. What I've... one of my roles, one of the assignments God has given me in the body of Christ is to find out the reason why. **And I think the reason why is because we have a missing link.** And the missing link in this whole thing is **recognizing and mobilizing and affirming and commissioning workplace apostles.** **Because what we need is territorial apostles for this,** and most territorial apostles will be workplace apostles, even though some nuclear church leaders, apostles, will be territorial apostles. I just said a whole mouthful there because we're running out of time, I don't want to spend a lot of time, **but I want to get in your mind that gate of the transformation of society will not be opened, hasn't been opened in fourteen years we've been trying to do it, until we get the workplace apostles.**

(KJ = [http://en.wikipedia.org/wiki/Youth\\_With\\_A\\_Mission](http://en.wikipedia.org/wiki/Youth_With_A_Mission) - Key people - John Dawson, International President  
<http://www.facebook.com/event.php?eid=136868933058213> - John Dawson, UMU Leader and Author

Ok, **the second gate that will be opened only when the workplace apostles get on board is the gate of the transference of wealth.** Now, I'll bet everyone in this room just about has heard prophecies that **God is about to release huge amounts of wealth,** to transfer the wealth from the Gentiles to His people. You've heard those prophecies, and I'll bet you apostles, you've probably given that prophecy more than once. Ok, what I'm saying is, everybody, these prophecies are not just by a bunch of flakes. **These prophecies are the word of the Lord!** See? And Chuck Pierce and I have worked, did some work on this, we can trace these prophecies to our best guess, to about 1992, ok? **The authentic word of the Lord is that huge amounts of wealth are going to be released.**

---

And that is what needs to happen and will happen so that the prophecies about the transfer of wealth will be... **that gate of transference of wealth, will be opened.** Look what it says in Isaiah 60:11. **Don't bother looking in your Bibles,** but I just want you to write down Isaiah 60:11. "Therefore your gates shall be opened continually. They shall not be shut day or night that men might bring to you the wealth of the Gentiles." **This gate will be opened when we understand about the church in the workplace, that the church has a government, that it takes a government to overthrow a government, and when we understand this, if we renew our minds, if we embrace this paradigm shift,** if we see, if we hear what the spirit is saying to the churches, if we recognize ministry in the extended church and government in the extended church, the revival we've been praying for is just around the corner. We will see it.

---

*I thank you that you allow, that you do give us ears to hear what the spirit is saying to the churches. And now I pray for every individual here, before you, who is in the workplace, who tomorrow and in the days to come will be going out to their ministries in the workplace, and I impart to them an anointing, I impart to them an anointing for not seeing a job, but seeing a ministry in the workplace. And I impart an anointing to them and to this whole community to recognize and raise up apostles who will set the church in the workplace in order so that our cities, our communities, our states, and our nations will be transformed for Your glory, in Jesus' name..*

Foreword by

**Dr. Peter Wagner**

*The Faith@Work Movement: What Every Pastor and Church Leader Needs to Know*

Released: April 2004

Publisher: Aslan Group Publishing

Softcover, 223pp

*Is there a real move of God in the workplace? If so, what do pastors and church leaders need to know? How can the church mobilize workplace believers to impact their city and nation? The Faith@Work Movement by Os Hillman will answer these and many more questions about the modern-day faith at work movement.*

<http://www.intheworkplace.com/apps/articles/default.asp?articleid=68267&columnid=1935> - **Foreword to Faith@Work Movement book by Os Hillman** By Peter Wagner

*In my fifty or so years of ministry, most of them spent in helping to lead the body of Christ, I have witnessed a good number of significant paradigm shifts. Clearly, our God is not a defender of the status quo. He constantly brings new times and seasons. He is not static; He is dynamic. Change is simply a way of life in God's kingdom. Some changes come slowly, others more rapidly. Without question, one of the most rapid paradigm shifts in the church over the past few decades has been the explosive emergence of what has been called the "faith and work movement" or "ministry in the marketplace" or "kings and priests" or "anointing for business," just to list some examples of the **emerging terminology** (KJ "Emergent"). Since I first became focused on this movement in 2001, I have read much of the literature and I have become acquainted with many of the top leaders. The consensus of those who have a much longer track record in the faith and work movement than I do is that, while some origins can be traced back to the 1950s, the rapid acceleration that we are experiencing today began sometime during the late 1990s.*

**One of the pioneers who for many years patiently and persistently helped to move the body of Christ along the pathway toward understanding marketplace ministries more fully was Os Hillman, the author of this book.** I feel honored to have Os as a friend because I admire the work he is doing so much. I think I could argue the point that Os Hillman, at the present time, would have the broadest comprehension of the whole movement of any of its current leaders. The International Coalition of Workplace Ministries that Os leads is the most inclusive network that we have nationally. Hundreds of thousands of people read his TGIF on-line daily

**devotional geared to the working person.** As you will see in my reading list that appears toward the end of this book, he is the most prolific writer in the field to date.

All of this superbly qualifies Hillman to author this book, *The Faith@Work Movement*. More than any other book so far, this one attempts to build bridges between, if I may use my personal terminology, "nuclear church" leaders and "extended church" leaders.

Let me explain.

Biblically, the word for "church," *ekklesia*, means "the people of God." God's people are the church, not only on Sunday when they gather together for worship and teaching (the nuclear church), but also on the other six days when they find themselves in the workplace (the extended church). It is becoming increasingly clear that, not only do these two forms of the church really exist, and that each is truly the biblical church, but also that they are quite different from each other, despite the fact that they contain largely the same people.

While simply acknowledging that there is a difference might seem rather innocuous, the situation becomes more complex when we begin to explore the breadth of the gap between the nuclear church and the extended church. According to some respectable research, the gap turns out to be much larger than most people might think. The nuclear church and the extended church each has a distinct culture, and each culture, as cultures do, operates according to its own rule book. Most extended church leaders understand both rule books because they not only function in the workplace, but they also are active in a local church. However, most nuclear church leaders understand only one rulebook. This can and does cause some of them to feel very uncomfortable with the notion that their own members customarily function, behind their backs, in a different "church" with different behavior patterns six days a week.

It should go without saying that God's desire in this new season of the faith and work movement is that all His people move forward in harmony. **It would be a severe setback to the kingdom of God if nuclear church leaders decided to condemn the rulebook of the extended church for whatever reasons, and thereby widen the gap.**

Os Hillman is acutely aware of this situation. That is why he wrote *Faith@Work*. This excellent book is designed to bring clear understanding of the workplace to all church leaders. It will go a long way toward helping to bridge the gap between the church and the marketplace. Whether you are a nuclear church leader or an extended church leader or simply a believer who wants to move in the stream of God's new times and seasons, you will greatly enjoy this book.

Regarding above "emerging ("**Emergent**") terminology":

A trustworthy New Age expert in Sweden; Evy Juneswed, who has been in Africa for 30 years as a missionary, gave during an apologetic conference last fall a **tremendous good explanation of "Emergent Church"**:

**"A Modern Reformation Movement with a New Gospel, in a New Package for Modern People"**

Seriously; we don't need anything "new" – let's hold on to what was once delivered to the saints!

**In the beginning of this newsletter I wrote:**

"Seven Mountains is what it is being called the moste, and that is also what Gods Words says in **Revelation 17, vers 9:**  
*And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.*

**Notice that it does say "seven mountains"! It is no coincidence... We see in our days efforts to take the "7 mountains" – it is a strategy – SEE THE CONNECTION!"**

Virtually all attention these days is focused on the coming Antichrist — but he is only half the story. Many are amazed to discover in Revelation 17 that there is also another mysterious character in the heart of prophecy — a woman who rides the beast." — Dave Hunt

The Bible says she is a city and gives remarkable clues to her identity. Reproduced here by permission is one chapter of one of the greatest books of our time on Bible prophecy, "**A Woman Rides The Beast**" by prophecy researcher Dave Hunt.

Excerpt from the chapter:

#### A City on Seven Hills

A woman rides the beast, and that woman is a city built on seven hills that reigns over the kings of the earth! Was ever in all of history such a statement made? John immediately equates the readers' acceptance of this revelation with "wisdom." We dare not pass over such a disclosure casually. It merits our careful and prayerful attention.

Here is no mystical or allegorical language but an unambiguous statement in plain words: **"The woman ... is that great city."** There is no justification for seeking some other hidden meaning. Yet books have been written and sermons preached insisting that "Mystery Babylon" is the United States. That is clearly not the case, for the United States is a country, not a city. One might justifiably refer to the United States as Sodom, considering the honor now given to homosexuals, but it is definitely not the Babylon that John sees in this vision. The woman is a city.

Furthermore, she is a city built on seven hills. That specification eliminates ancient Babylon. Only one city has for more than 2000 years been known as the city on seven hills. That city is Rome. The Catholic Encyclopedia states: "It is within the city of Rome, called the city of seven hills, that the entire area of Vatican State proper is now confined."<sup>12</sup>

(KJ: [http://en.wikipedia.org/wiki/Proper\\_\(liturgy\)](http://en.wikipedia.org/wiki/Proper_(liturgy)) = Proper = Liturgy)

-----  
"Christian" Rome slaughtered Jews by the thousands —far more than pagan Rome ever did. The land of Israel was seen as belonging to the Roman Catholic Church, not to the Jews. In 1096 Pope Urban II inspired the first crusade to retake Jerusalem from the Muslims. With the cross on their shields and armor, the Crusaders massacred Jews across Europe on their way to the Holy Land. Almost their first act upon taking Jerusalem "for Holy Mother Church" was to herd all of the Jews into the synagogue and set it ablaze. **These facts of history cannot be swept under the carpet of ecumenical togetherness as though they never happened.**  
-----

There is, of course, another reason why the Roman Catholic Church has neither apologized for nor repented of these crimes. How could she? The execution of heretics (including Jews) was decreed by "infallible" popes. The Catholic Church herself claims to be infallible, and thus her doctrines could not be wrong.

#### The Next Great Awakening. . .

#### . . . or Great Deadening?

#### Part 3: Building the 7 Mountains

To understand just how LITERALLY these men take actual, physical dominion of these various cultural segments of the global society, read C. Peter Wagner's "Let's Take Dominion Now!" which is chapter 3 in his *The Church in the Workplace* book and is posted **HERE** at Os Hillman's **"In the Workplace"** website. In this chapter, Wagner describes Dominion as "social transformation" and claims that this agenda comes from God, describing it is "one of the strongest words that the Holy Spirit is clearly speaking to the churches today." Of course, adding this "endorsement" by the Holy Spirit is meant to give added weight and impetus to Wagner's Dominion mandate.

---  
In C. Peter **Wagner's faulty theology**, Jesus did not defeat Satan on the Cross.

"While Jesus never questioned Satan's dominion, He came to earth expressly to take it away from him. Jesus came as the second, or last, Adam (see 1 Cor. 15:45-47). The first Adam lost dominion; **the second Adam will regain it.**" [emphasis added]

Because of this heresy, that teaches that the **church** is supposed to complete what Christ didn't, Wagner can then teach the false gospel that "our new paradigm for taking dominion includes a dual task: the evangelistic mandate (saving souls) and the **cultural mandate** (transforming society)." An invented corollary heresy teaches that entire nations collectively are to be saved, and that "the Great Commission's biblical goal is nothing short of social transformation."

## History Workplace Ministry

Social Transformation

Ed Silvoso, Billy Graham, Henry Blackaby, Peter Wagner

Very interesting that Billy Graham is mentioned...

Don't miss to read:

<http://www.intheworkplace.com/apps/articles/default.asp?articleid=22902&columnid=1935> - **Let's Take Dominion Now! By Dr. Peter Wagner**

Notice that the article is on the website "In The Workplace"!

Excerpt:

*Social transformation, as I have been saying, is one of the strongest words that the Holy Spirit is clearly speaking to the churches today. But before many of us would be prepared to accept that statement at face value, we would need to be assured that what we think we might be hearing from the Holy Spirit is truly biblical. We are sure, for example, that saving souls is biblical, but how about transforming society?*

---

**The Congress in Lausanne** - A significant change came in 1974 when the evangelical movement, **led by Billy Graham**, held the International Congress on World Evangelization in Lausanne, Switzerland. At that point, evangelicals began reconsidering the place of the cultural mandate alongside the evangelistic mandate within the total mission of the church. **This was a very important shift for those of us who now advocate social transformation.** It turned out to be only a partial shift, however, in that the Lausanne Covenant

insisted on subordinating the cultural mandate to the evangelistic mandate. Still, we evangelicals then began to have social responsibility on our radar screens, even though it wasn't front and center.

One event that did help to move social issues to the front and center of our agenda, particularly among evangelicals who were tuned in to the charismatic movement, was the publication of John Dawson's best-selling book *Taking Our Cities for God* in 1990. The concept of taking a city was a tremendous innovation.

## **See attached PDF #2 - "Lausannemovement and Billy Graham" regarding this conference.**

Article about Billy Graham - *No preacher that preaches the whole truth will ever receive the approval of the Roman Church. **Graham does preach some truth, but he is an expert at knowing which truth to leave out in order to gain the support of Catholics, modernists and evangelicals.***

**THIS IS PROBABLY THE CASE FOR MANY PREACHERS THESE DAYS, IN USA AS WELL AS IN SWEDEN... AND OTHER COUNTRIES – UNFORTUNATELY!**

Here you can hear some real "drivel" about 7 Mountains:

[http://www.youtube.com/watch?v=Uby5-lpAwEM&feature=player\\_embedded](http://www.youtube.com/watch?v=Uby5-lpAwEM&feature=player_embedded) - **CEDA 2009 Money Summit - Dr. Bill Winston**

0:31 in the film...

*But what I'm saying, around me; what I saw was leadership. I saw leadership and it made an impression on me of which I really did not know how much impression it made on me, until I got much older. And I saw how valuable leadership is for a person to understand and be a leader. I think that one of the things that's in short supply today is **a good, godly leader or leadership - we have to restore that.***

*And one of the things I teach sometimes is **the 7 Mountains and you can find those same mountains, they call it pillars, in Proverbs chapter 9 and verse 1. And God creates these pillars and the enemy is a counterfeiter of course, so he comes in and he tries to come in and occupy those pillars.***

*"Wisdom hath builded her house, she hath hewn out her **seven pillars:**" (KJV)*

**TOTALLY unbelievable that anyone can interpret "7 Mountains" from this verse!!**

Read the rest of the chapter – **it's about WISDOM – NOT MOUNTAINS!**

*So you can imagine some mountains going on and the next thing you know - **at the top of those mountains are rulers.** Those are people who are actually dominating in that particular industry. So then next what happens is now **all of the people on that mountain are subject to the one on the top of that mountain.** = **HIERARCHY!***

*And so you have Business, you have Entertainment, you have Government - you have all these industries. So these key industries are the key things that hold up the economy or hold up the system of the world. **Now what we want to do as Christians; we want to occupy each one of these mountains.** We want to go and take dominion over the mountains. In other words; we want to be on the top of the Economic Mountain. I'm talking about the Christians now. We want to be at the top of the Arts- & Entertainment Mountain - **whatever mountain it is; we want to be at the top of it.***

**Scriptures? WHERE is this mentioned?**

*Well, that's what I saw. In my life it just happened that when I flew airplanes, I wanted to be one of the best at flying and I did well. And I worked at IBM and wanted to be one of the best in that and I did very well. And then now I'm in the ministry, but I want to serve God just the best that I can. And part of that really is **bringing the Gospel in a way that could help people conquer their mountain.** And so, **whatever it is that you are pursuing, trying to do and so forth - that's your mountain - whatever that purpose is.** And my job here, while I'm here is, a few hours or whatever it is, is to help you to conquer that mountain.*

**HAVE I MISSED THE MEANING OF THE GOSPEL SO TOTALLY?**

**I HAVE UNDERSTOOD IT TO "SHARE THE GOSPEL FOR PEOPLES' SALVATION" – NOT TO CONQUER MOUNTAINS!!!!**

**Dr. Bill Winston** is pastor for Living Word Christian Center, Forest Park, IL - <http://www.billwinston.org/home/>

His wife, **Dr. Veronica Winston**, has written several books and her most popular book, *Prayer Confessions to Dominate in the New Millennium*, is used in churches across the nation in their intercessory prayer sessions.

<http://www.billwinston.org/vwinston/>

According to the video shown on this page <http://www.billwinston.org/history/> they have **19,000 members and owns several companies and a Mall** with a worship center which houses 3,500 people!

**Excerpt from the video:** *In 1991 the church name (Living Word Church) was changed to Living Word Christian Center. Along with the name change; Dr. Winston announced the new vision which was a Mission Center, Broadcast Media Center and Fitness Center. ... On December 31, 1997 the church purchased the Forest Park Mall... Since then the church has grown to over 19,000 members. With 33 acres of land, the church now possesses the Mall which has been built-out.*

The front part of the mall, being retail stores including; Ultra Foods, K-Mart, AJ Wright and our very own clothing (David Samuel) and bookstore (Royal Christian Bookstore).

The back part of the mall houses:

- The state of the art Worship Center, which seats over 3,500 people.
- The Joseph Business School - world class school...
- The Joseph Center - Faithbased Small Business Development Center...
- The School of Ministry and Missions - Faith Ministry Alliance (FMA) - an alliance of Ministries and Churches...
- Broadcasting Media Center – which produces The Believer's Walk of Faith Television program...

The Ministry has Satellite churches...

The Ministry owns and operates Golden Eagle Airbase - Golden Eagle Aviation - for private jet maintenance and private jet training.

Other properties and businesses that the Ministry owns and operates:

- Rivers of Eden - Bottle Water...
- Great Lakes Monetary Consultants - Gold Coin Purchasing Program (Gold Seminar)... to build a sound investment.
- Covenant Bancshares, INC. - a community bank...
- The Ministry also has its very own school; Living Word Christian Academy...

Dr. Winston also announced the vision of having:

- a military LWCA Military High school
- a Medical/Dental Facility

Dr. Winston announced the latest vision God has given him which was Canan Land Community...in one location... which would include a state of the art 10,000 seat Worship Center

No one could have ever guessed he was so "successful" with the above "drivel"!!!

This above is perhaps the "most powerful example" of seeing the "7 Mountain Strategy" realized in a city!

I guess this is how they all want to "take" their cities...

Ultimately, it's about power and money...

"Riches profit not in the day of wrath: but **righteousness delivereth from death.**" Ordspråksboken 11:4 KJV  
From the New Testament, we understand that we receive "Righteousness" BY GRACE through Jesus Christ when we are born again and then we receive the help of God's Holy Spirit to live and abide in Christ!

**Kenneth Hagin was heavily influenced by Kenyon's writings.** Hagin has been referred to as the "father" of the modern Word of Faith movement. He elaborated on Kenyon's theology of covenant confession, preaching a four-part formula for receiving God's promises: "Say it; do it; receive it; tell it." Many Bible preachers and teachers have been influenced either directly or indirectly by Kenneth Hagin and his teaching. **The most recognized include Kenneth Copeland, Benny Hinn, Creflo Dollar, Joyce Meyer, Jerry Savelle, Bill Winston, Joel Osteen, Charles Nieman, Jesse Duplantis, Jason Mckay, Keith Moore and Hobart Freeman** <sup>[citation needed]</sup>.

Quotes from the Apostles on "Social Transformation" in Context of the 7M Campaign Rachel Tabachnick

Sun Apr 03, 2011 at 09:45:32 AM EST

A conference on "Social Transformation" took place at Harvard on Friday and Saturday featuring leading New Apostolic

Reformation (NAR) Apostles Lance Wallnau, Bill Hamon, Pat Francis, and Os Hillman. All four travel internationally promoting the "Reclaiming the Seven Mountains" campaign and are considered to be experts on "workplace" or "marketplace apostles."

Transformation is not a generic term to the NAR but a brand used in the title of training videos, books, conferences and organizations.

As seen in the following quotes from leading apostles, promoting "social transformation" **equates with gaining political and societal power or "Christian dominion."** They advertise their charitable activities, but these are secondary to their primary purpose - the mandate to take dominion over society and government, a mandate that includes driving out those they believe to be (literally) under the control of demons.

---

Os Hillman also credits Ed Siloso with being a pioneer of "transformation," as defined by the apostles.

"When it comes to city transformation, it is hard to write about the subject without acknowledging

Ed Siloso, founder and president of Harvest Evangelism."

You can see video of the conference led by Ed Siloso and referenced in Hamon's quote above at Bruce Wilson's [Transforming Uganda](#). For numerous quotes on Transformation from Siloso and other apostles see

[Quotes from Ed Siloso and Other NAR Apostles About Transformation.](#)

---

Os Hillman's endorsement of Wagner's 2006 book *The Church in the Workplace: How God's People Can Transform Society* states,

"In *The Church and the Workplace*, Peter Wagner has provided us with a solid validation and thorough biblical understanding of the current work and faith movement."

Wagner states on page 38 of *The Church and the Workplace*,

"Now that we have social transformation on our evangelical agendas, it is time for action. I regard 'social transformation' as the concept term. However, the action term that will best set us on the road toward that goal is 'taking dominion.'"

---

In a segment of Pat King's Extreme Prophetic TV broadcast (= Patricia King - <http://www.xpministries.org/>), she introduces Lance Wallnau, the motivational guru for the Seven Mountains by saying:

"The Lord is coming back for a glorious church, he's coming back for an overcoming church, a church that is the head and not the tail, above and not beneath, a church that knows how to possess and occupy. Our good friend Lance Wallnau is going to share a message with you to today on **the seven mountains** that are available for the church to conquer, and conquer we will!"

Lance Wallnau begins,

"**The Seven Mountains** are - it's almost like it's a template for warfare. Because the church so frequently does not have a language for how it goes about taking territory...

**The Seven Mountains is not my message. I think it's a mandate given to me from Loren Cunningham and Bill Bright spiritually.** Because these two titans in evangelism took youth movements, young people, whether it was Youth With A Mission with Loren or Campus Crusade with Bill Bright. And they literally mobilized the next generation in their day to go evangelize the world. **God visited those two men and showed them seven kingdoms, seven mountains, that if they would focus on it, the next generation could take nations.**"

Wallnau claims that it would only take 3 -5% of people aggressively working in any given location to create a tipping point and gain control over the seven sectors of government and society. The 2010 video is currently on Os Hillman's Marketplace Leaders website.

### **The Great Wealth Transfer**

As noted in a [previous article](#) on the Social Transformation conference at Harvard, Lance Wallnau, Os Hillman, and Pat Francis are regular speakers at the annual Kingdom Economic Yearly Summit or KEYS. This is an event with the stated purpose of "Mobilizing God's Marketplace Army" through teaching biblical entrepreneurship and to prepare for the "great wealth transfer" in which the apostles believe wealth will be shifted from the ungodly to the godly.

**The KEYS conference is advertised as "Reclaiming the 7 Mountains Using the Kingdom Keys."** The introduction page begins,

"God is preparing His bride, the body of Christ, for unprecedented wealth transfer."

The introduction continues,

"God is calling the church - both corporately and individually - to arise from slumber and become more united, intentional, and strategic in order to reclaim the seven societal/cultural mountains/spheres of influence and authority, and their respective gates and gatekeepers. This process will require prayer, time, leadership, unity, integrity, holiness, strategy, courage, wisdom, favor, and finances to effect lasting transformation. Kingdom financial models and infrastructure are required as part of the foundation."

.....

<http://www.intheworkplace.com/apps/articles/default.asp?articleid=68245&columnid=1935> – **Taking Faith into the 9 to 5 Window** By Os Hillman

That message is getting through as the Faith at Work movement sweeps across the land, and the potential is great for it to effect genuine revival across the culture. Dr. Peter Wagner, noted church growth expert and **former professor at Fuller Theological Seminary**, also foresees this revival. In The Faith@Work Movement, Dr. Wagner notes, "I believe the **workplace movement** has the potential to impact society as much as the Reformation did. I have read 84 books on this movement and have 54 pages of handwritten notes. It is what the Spirit is saying to the churches today."<sup>9</sup>

For over 15 years I have been reading, listening, seeking, attending conferences associated with God @ Work. Initially there was little information available, but as this revelation has gained recognition, and has gained momentum, books now available are plentiful.

In 2002 I attended a Conference the speakers were, **Cindy** and Michael **Jacobs** and James Thwaites . The focus of this conference was the church in the workplace. 2003 I started receiving TGIF (Today God Is First) emails from Os Hillman of Marketplace Leaders.

In September 2007 I attended God's Plans @ Work conference. The main speakers were Os Hillman, Dr Peter Wagner, Pastor Che Ang and **businessman John Gagliardi**. As I listened and spoke with other attendees, I felt like I had come home. This is where I fit. **(KJ: I think she means Che Ahn!)**

My passion is to see Christians fulfilled in their vocations as ministers of the Kingdom of God.

Work satisfaction = Kingdom occupation.

My mission is to change the mindset about ministry and work. To see Christians validated and empowered through encouragement to be the ministers that they have been called then to be. **Mountain dwellers**.

Did you notice that they all say the same thing? They have told you exactly what they plan to do, to overtake the 'gates of commerce', so that it can provide a tipping point to control the culture. **C. Peter Wagner** has said that he wants an **'Apostolic Government'** by 2012.

**So, what do we do?**

**Yes, what do we do? GOOD QUESTION!**

**Make sure to warn everyone we can and to distance ourselves from anything that has to do with this!**

Wagner is 81 years old and seems to be pushing all he can to make it happen this year, to be a part of this himself...

If you want to change the spiritual climate of your city you must address the principalities that rule that city. Such was the case for the apostle Paul when he went to the city of Ephesus. There was a territorial principality that was worshipped by the people of Ephesus named Diana of the Ephesians (also known by her Greek name, Artemis). The people gave money to this false god and it strongly influenced the economy because of this. The city was also the center for magic and the occult.

*Her temple in Ephesus was listed as one of the Seven Wonders of the Ancient World - the most outstanding and opulent example of architecture in the whole city. Her followers called her "magnificent," "great goddess," "savior," and "Queen of Heaven."*

**(KJ: Today Queen of Heaven is one of the names of Mary of the Roman Catholic Church!)**

*Paul preached in Asia for two years and had great success confronting this territorial principality. Paul began to neutralize the Queen of Heaven's power so much by the gospel that the common people began to notice. They not only stopped worshipping and sacrificing to her, the silversmith's who were manufacturing idols were going out of business, so they staged a public riot. They filled the huge amphitheater and shouted for two hours, "Great is Diana of the Ephesians" (Acts 19:34).*

*Many who were converted burned all of the idols and magic books. "When they calculated the value of the scrolls, the total came to fifty thousand drachmas. In this way the word of the Lord spread widely and grew in power" (Acts 19:20). Based on the U.S. economy today, the pile of magic paraphernalia that was burned would have been worth four million dollars!\**

*In order for you to impact your city you must identify and break down the ruling principalities that may be hindering the gospel there. The more common principalities in the western world would include the religious spirit, the spirit of mammon, pride, and freemasonry to name a few.*

*Ask God for wisdom and discernment as you prepare to deal with your local and regional principalities.*

<http://www.kingdomeconomicssummit.com/videos.html> - VIDEO **WATCH!**

Due to lack of time and because it already will be a VERY LONG letter, I refrain from commenting what is being said on these videos that are on the above link...

But I encourage you to watch them – in order to understand HOW they "operate"...

<http://www.kingdomeconomicssummit.com/> -

CLICK ON: "Theme Song" to the left and you'll hear their song; "Kingdom Keys" by Joe Dobrota... **Beware of this song when it's being spread through congregations! Remeber where it originated! Don't be a part of spreading it!**

CLICK ON: "Exhibitors those who exhibit" and you'll see what it costs to exhibit: With the start of \$1,000.00 – 25,000.00!!!

**IT REALLY COSTS TO EXHIBIT!** No wonder these leaders can speak about success and wealth – they pull in immense amounts of money – all in the “Name of the Lord”!  
Yet – I repeat once again – yet they beg for money – in a refined wording as “partnership contribution”...

Regarding “Networking Opportunities” in above advertisement about coming “K.E.Y.S. conference”:

Some time ago, in my daily Bible reading, Proverbs 16:5 drew my attention:

*“Every one that is proud in heart is an abomination to the LORD: **though hand join in hand**, he shall not be unpunished.” King James Version*

*“Everyone proud in heart is an abomination to the LORD; **Though they join forces**,<sup>[a]</sup> none will go unpunished.” NKJV (Footnotes: Proverbs 16:5 Literally hand to hand)*

Interestingly, this verse has been “manipulated” and modified in many Bible translations...

*“The LORD detests all the proud of heart. Be sure of this: They will not go unpunished.” NIV*

*“God can't stomach arrogance or pretense; believe me, he'll put those upstarts in their place.” The Message*

*“The LORD detests the proud; they will surely be punished.” New Living Translation*

As we can see above; “**though hand join in hand**” / “**Though They join forces**” have been removed in the “modern” Bible versions... It is very interesting considering that “join” means “*Bring, unite, join together, join, unite with, join, enter, join, merge, go together*”... It sounds like ECUMENICALISM in my ears! ( <http://www.thefreedictionary.com/join> )

Here is another Bible verse – Proverbs 11:21:

*“**Though hand join in hand**, the wicked shall not be unpunished: but the seed of the righteous shall be delivered.” KJV*

*“**Though they join forces**,<sup>[b]</sup> the wicked will not go unpunished; But the posterity of the righteous will be delivered.” b. Literally hand to hand NKJV*

Interesting that ALSO this verse has been “manipulated” and modified in the same Bible verses...

*“Be sure of this: The wicked will not go unpunished, but those who are righteous will go free.” NIV*

*“Count on this: The wicked won't get off scot-free, and God's loyal people will triumph” The Message*

*“ Evil people will surely be punished, but the children of the godly will go free.” New Living Translation*

Once again; we can see that “**Though hand join in hand**” / “**Though they join forces**” also here has been removed from the “modern” Bibel versions...

**DOESN'T THIS “HAND JOIN IN HAND/JOIN FORCES” ALSO REMIND US ABOUT “NETWORKING”!?**

CONTINUING with above “K.E.Y.S. advertisement”:

CLICK ON: “**Links resources and partnerships**” and the below list appears:

If you are on this “Links”-page and click on the organisations names, you'll be linked to their website (some are broken)

(Once again; due to lack of time and because it already is a long letter, I won't comment all text below – just some...)

Help! Already 1996-1997 I was exposed to this... by the congregation I at that time attended in USA... The very first Bible Studie I ever partook in was precisely from Blackaby Ministries!!! <http://www.blackaby.net/> <http://www.blackaby.net/expgod/> - **Experiencing God** The Bible Study was basically about "to see where God was already at work – to join that work"... Oh, oh, oh what do we see? Already then it had infiltrated STRONGLY in congregations in USA! It was a lot that was GOOD in the Bible Study, at least that's what I thought then as a newly born again Christian (I was born again summer 1995 – Hallelujah!)... but NOW when I see where the SOURCE comes from – I renounce this! What really was Biblical (memorization of many Scriputres for exampla) I may hold on to! (1 Thess. 5:21)

**C12 Group** - At C12, we're all about leading thriving profitable businesses. This unashamed practical focus is combined with our commitment to a Biblical perspective coupled with like-minded peer counsel and accountability.

**Faith Exchange** - a joyful, spirit-filled, word of faith church now located at 44 Wall Street, New York, NY 10004

**Faith Ministries International Network** - In 1998, God gave us a renewed vision to establish a network that could help others to fulfill their callings and destinies. We realized we could do much more together than we could do individually. We call it synergism at work!

**Fellowship of Companies for Christ International** - Fellowship of Companies for Christ International is a membership organization with a vision to transform the world through Christ, one business leader at a time.

**Full Gospel Businessmen's Fellowship International** - Full Gospel Business Men's Fellowship International are businessmen, men of high status, as well as ordinary men. Our vision is that the light of Jesus shall shine forth from each of our men into every culture, nation, race, language, and creed.

**Global Harvest Ministries: [www.globalharvest.org](http://www.globalharvest.org) = C. Peter Wagner – the "highest" of all "Apostles"!!!**

**Here we see the "7 Mountains"**

Hi! Thanks for visiting Global Harvest Ministries (GHM) website.

[Click here to redirect to Global Spheres, Inc. \(GSI\)](#)

This is Peter Wagner with a very important and exciting message. On my 80th birthday, August 15, 2010, I officially turned GHM over to Chuck Pierce of Denton, Texas. Instead of continuing GHM, Chuck organized **Global Spheres, Inc. (GSI)**, a new wineskin for apostolic alignment which will carry Doris and me into the future. **Chuck is President and I am Apostolic Ambassador**. As a part of this transition, we have **closed the GHM website**, and transferred our material to the GSI website. Please click on [Global Spheres](#) and you will now find what used to be on GHM website. May God bless you and prosper you in every way!

**C. Peter Wagner, Apostolic Ambassador Global Spheres, Inc.**

(OBS! The link to Global Harvest has changed since I copied the picture in September this year...)

**So Wagner's Global Harvest Ministries website is now directing to Global Spheres, Inc. <http://globalspheres.org/>**

Here you can find <http://www.globalspheres.org/spheres.asp> - **The Spheres**

There you can "Click a region to **view members of The Sphere**"

But on the right side is also a picture with the text **"Global Spheres Center building update!"** and if you click on it you'll come to this page:

<http://www.gloryofzion.org/placetopromise/>

Here you can see videos from this colossal building of "Global Spheres Center"

<http://www.gloryofzion.org/placetopromise/index.php?m=videos>

To the left you can read **"LETS GIVE AGAIN"**

- **Israel Prayer Garden**

Fire Pit For Each Continent (7x5000=35,000)

In September you could see that the "Lion of Judah **door**" costed 4,000 dollars!!!

- **Offices**

- **The Prayer tower**

- **Youth and Activity center**

**An estimated construction of \$675,500.00!** (The offices are completed so they have removed that amount... But in September the entire amount shown on the left came to this total)

Again, it is no pittance we're talking about here, and **EVERYTHING to be paid by "dedicated Christian supporters"!** I.e. from **"WILLING GIVERS"**... (I'm sure there are new up-dates, but I refrain from looking!)

**Global Spheres Center building update!**

We also find [http://www.globalspheres.org/training.asp?vkey=NyWHc5\\_TGMQ&title](http://www.globalspheres.org/training.asp?vkey=NyWHc5_TGMQ&title) - **Doing the Works of Jesus Training Area** (here are short training videos...) and of course there is a page for giving! <https://globalspheres.org/secure/giving.asp> - **"Donations"**

Please note; This was the previous address to Wagners website: <http://www.globalharvestministries.org/> Just a few months ago (Sep/Oct 2011), there was a reference to Chuck's new website... But now, this page has become a sort of "link page to Christian sites, etc." It is not only links to Christian sites, but you find links to all kinds of sites...

**IMAGINE HOW EASY IT IS TO CHANGE THE WEBB ADDRESS IN ORDER TO "ELUDE" AND DO AWAY WITH "EVIDENCE" THAT THE APOLOGETICS ARE REFERRING TO ON THE OLD SITE!**

In other presentation of the Seven Mountains idea, Wallnau has explicitly stated that **this can be done either overtly or covertly, as "infiltration."**

**IN MY EYES - THIS SHOWS THAT THEY ARE TRYING TO BUILD GOD'S KINGDOM THE WORLD'S WAY!**

One must wonder; why follow a pattern after the World Economic Forum - that is TOTALLY WORDLY - but with a Christian focus???

**DON'T MISS THAT THIS "SUMMIT" WAS HELD AT RICK JOYNER'S MORNINGSTAR MINISTRIES IN FEBRUARY LAST YEAR! He is very much involved and is one of the "highest" among the apostles... in the "Apostolic Network"... NAR = New Apostolic Reformation...**

That **Patricia King** can be one of the speakers for this year's K.E.Y.S. is quite unbelievable!

It was **she who "took Bob Jones' and Todd Bentley's hands and went into the third heaven with them"...**

<http://www.youtube.com/watch?v=kGCTMEoifqQ> - WSTK-ITV - Bob Jones, Patricia King & Todd Bentley

(I won't go more into this in this newsletter... but isn't it SCARY that "THIS" (Third heaven experiences and other extra-biblical doctrines) may flourish in Christendom and that third heaven and Patricia King is affirmed by these "apostles" and "prophets")

In an recently e-mail regarding this year's K.E.Y.S. it says:

**Dear Marketplace Friends,**

**What do** wealth managers, financial advisors, corporate and international business attorneys, angel investors, insurance brokers, franchise owners, best-selling authors, marketing mavens, branding gurus, life and business coaches, government leaders, a NASA rocket scientist, technology executives and consultants, 5-fold ministry leaders, real estate investors, senior executives of global energy companies, gold and silver traders, a food and grain and commodities expert, successful serial entrepreneurs, intercessors, **marketplace network leaders**, several university business and finance professors, investors, economists, C-level executives, the former general manager of the Los Angeles Dodgers, executive director of the Dream Center Foundation, and major film, entertainment and media leaders **have in common?** Besides their faith in Jesus Christ, they will all be speaking at the KEYS LA summit March 21-25, 2012 at the LAX Marriott. Register today. Come join in what God is doing.

Plan to join us in Los Angeles in two months (March 21-25, 2012) for an historic Kingdom Economic Yearly Summit (KEYS). Early response and registrations indicate that this will be our largest event to date and **one of the most strategic and important so far**, as

many leaders from the nations come together in humility, honor and unity to declare and decree God's purpose and destiny for the "City of Angels," and surrounding region. Our intercession team has already been praying behind the scenes for this event and we have joined together in agreement with a number of city, regional and state leaders throughout California for a "holy visitation." We are prayerfully expecting to see the atmosphere shift over the city and region as well as the entertainment and media industry there known as "Hollywood."

God has given us an "A List" lineup of some 90 speakers (some of whom are household names), multiple worship leaders and amazing volunteers, and the red carpet is being rolled out by the Holy Spirit for what is shaping up to be one of the major Kingdom events of the year and perhaps this decade. You don't want to miss this global gathering of God's generals in the marketplace. Plan now to join us for this historic summit in the city that birthed the Azusa Street Revival, Amy Semple McPherson, etc. Register for \$99 hotel rooms while they last at the plush, luxurious Los Angeles Airport Marriott conveniently located just a few blocks from the Los Angeles International Airport with free shuttle service every 15 minutes, 24 hours a day. Local attractions and amenities are available nearby such as Disneyland, Knott's Berry Farms, Hollywood, Manhattan Beach, and Venice Beach, among others. TheCRY Hollywood will be held March 15th in the Gibson Amphitheatre at Universal Studios in Hollywood and is being led and hosted by Faytene and Rob Grasseschi. See information below. ( <http://www.thecryhollywood.com/Welcome.html> - TheCRY HOLLYWOOD - endorsements by Patricia King among others... ) Come and be a part of making history for the Kingdom of God!

Dr. Bruce Cook, K.E.Y.S. Convener

### ONCE AGAIN; DON'T GO THERE – DO NOT BE A PART OF THIS K.E.Y.S.

It is the Kingdom of Evil that is Yearning for Souls...

.....

Dave Hunt & T.A. McMahon from The Brean Call (<http://www.thebereancall.org/>) has written a great article where they are questioning the K.E.Y.S. Conferences and its key speakers:

<http://www.thebereancall.org/book/export/html/9109>

**Question: Where did the concept that "God is going to give the wealth of the wicked to believers" come from?**

**The Financial K.E.Y.S. Conferences are telling people how to gain their part in the wealth. Speakers have included Bruce Cook, Lance Wallnau, Os Hillman, Cindy Jacobs, Rick Joyner, and C. Peter Wagner. The name of the conference--Financial K.E.Y.S.--refers to the teaching that money is the key to global transformation and establishing God's kingdom on earth.**

**Response:** First Timothy 6:10 tells us, "The love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows." The love of money is too often used as motivation in mind science teaching, which has influenced word faith teaching and the New Apostolic Reformation (NAR). A Financial K.E.Y.S. Conference took place February 16-19, 2010, in which believers learned how the wealth of the wicked will be supernaturally transferred to them. Consider these comments from NAR "apostle" C. Peter Wagner:

If you check back through human history, you will find that three things, more than any others, have produced social transformation: violence, knowledge and wealth-and the greatest of these is wealth! (Dominion! How Kingdom Action Can Change the World)

**It is instructive that someone identifying himself as an "apostle" should fail to see the gospel as "the greatest thing" that has produced social transformation!** Jesus proclaimed in Luke 4:18: "The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised."

Wagner continues:

They will not be traditional financial planners who are satisfied with annual returns of 5 percent to 20 percent or so....I have faith that we will see the biblical standard of 100 percent returns or more become the norm. (p. 196)

Proverbs 13:22 is "the verse" for Wagner and others promoting this theology. They are, however, selectively quoting "and the wealth of the sinner is laid up for the just." Bereans who check out Wagner will find that he omitted the first half of the verse. The full verse reads as follows: "A good man leaveth an inheritance to his children's children: and the

*wealth of the sinner is laid up for the just."*

***This is not some supernatural transfer of wealth. It is an admonition toward diligence.*** Through diligent stewardship, the Lord blesses the work of the righteous, and they store up an inheritance. In this context, the sinner wastes his money, which, in the providence of God, can end up in the hands of the just. Scripture tells us that there is nothing new under the sun (*Ecc1 1:9*). The concepts promoted by the Financial K.E.Y.S. conferences have been around as long as have human greed and avarice.

.....

It's one thing IF it had really been about "influencing" the market place for Jesus Christ... it would have been fantastic! BUT as we now know – from all the above reading – that it is about "take Dominion" (= Dominionism) through the 7 mountains... through human/worldly strategies... and that it is the Latter Rain teachings (Latter Rain Movement) behind ... THEN IT IMMEDIATELY BECOMES SERIOUS!

IF it only had been "pure" motives one can wonder why C. Peter Wagner is so vague and evasive in below interview: <http://www.christianpost.com/news/are-evangelicals-seeking-dominion-over-politics-government-54726/> - **"Are Evangelicals Seeking 'Dominion' Over Politics, Government?"**

Here's an excerpt:

***C. Peter Wagner, founder of Global Harvest Ministries, also notes on his website that the NAR is "loosely structured."*** Wagner coined the phrase "New Apostolic Reformation" and wrote a book by that name to describe ***a new spiritual focus*** sweeping through various denominations.

***However, he asserts that he is not the founder of the group.*** Rather, he notes on his website the NAR's roots date "back for almost a century; new forms and operational procedures began to emerge in areas such as local church government, interchurch relationships, financing, evangelism, missions, prayer, leadership selection and training, the role of supernatural power, worship and other important aspects of church life."

***Wilder asserts that Wagner is also part of the NAR and kept a list of apostles previously posted on its website, but now concealed in its member's only section.*** The CP did not find this list on the website. Attempts to contact Wagner were not returned in time for this report.

It really seems as if Peter Wagner tries to avoid the truth... Are the Dominionists afraid when they are being scrutinized? ***It's no secret that he is behind the NAR, is it?*** He tries to hide it here... Very revealing!

Here <http://globalspheres.org/> we can read an update wch Wagner wrote about NAR from the new organization "Global Spheres" under Chuck Pierce: ***An Update by C. Peter Wagner, Ph.D. – THE NEW APOSTOLIC REFORMATION – August 18, 2011***

***See attached PDF #3*** - "Update by C. Peter Wagner" to read the letter – just in case it disappears from the website.

***Surprisingly, the New Apostolic Reformation (NAR) has recently become a topic of discussion in the political media. I noticed some mention of it (NAR) in connection with Sarah Palin's run for Vice-President, but I considered it relatively insignificant.***

by Orell Steinkamp, The Plumblin, Vol. 6, No. 2, March/April 2001

In a previous issue of PLUMBLIN, I described **the efforts of C. Peter Wagner to create a New Apostolic Reformation (NAR) which he predicts will be even greater in scope and significance than the Protestant Reformation of the 1500's.** The centerpiece of the movement is the purported restoration, by God, of the NT office-gift of "Apostle" to the end-time church.

---  
**Pastors are you ready to be placed under certain translocal apostles who are identified by other translocal apostles? I think I feel a college of Cardinal/Apostles coming on. Church members, are you ready to implement what these apostles pass on to you, via you pastor? District superintendents, are you ready to move over for a newly appointed apostle?**  
**GOOD QUESTIONS!**

---  
**I have seen the rumored statement on the Internet that Wagner has been designated the pre-eminent Apostle. It figures, for it was his baby from the beginning.**  
---

It amazes me that virtually no one is challenging Wagner and his apostle buddies. Perhaps you have not known about it or perhaps you don't take it seriously, assuming it will just go away. **The Apostles will not just go away and one day they will possibly arrive in your area. Will you accept them or will you respectfully challenge this NAR on Biblical grounds?**

**They have certainly come to my town, unfortunately! And who knows... maybe to yours too?**  
.....

The article below is on an atheists website...

**Isn't it interesting that an atheist has more knowledge about what is going on in Christianity than many Christians?!**

If you read the entire article; please, remember that it is biased from an atheist's point of view...from a former Evangelical Christian... The excerpt below, I take as "facts"...

<http://unreasonablefaith.com/2010/03/23/the-new-apostolic-reformation-movement/> - *The New Apostolic Reformation Movement*  
By vorjack on March 23, 2010 in Christianity, Culture, Current Events, Politics.

**In America, NAR's most famous member is Sarah Palin,** and you may remember the famous youtube clip where Palin is blessed by the Kenyan preacher Rev. Thomas Muthee. Muthee asked God to "keep her safe from every form of witchcraft." While this was just considered wacky by most of us, it's important to realize that **Muthee is an international star in the NAR movement.**  
**He has preached before large audiences in Sweden, England and Australia, and he's starred in a series of movies that are shown in churches around the world.**

(KJ: [http://en.wikipedia.org/wiki/Thomas\\_Muthee](http://en.wikipedia.org/wiki/Thomas_Muthee) The following month, in May 2004, Muthee reprised his role as a guest speaker at an international prayer conference organized by the International Christian Chamber of Commerce in Örebro, Sweden. <sup>[33][34][35]</sup> )

---  
**One of the most prominent members is C. Peter Wagner, the man who seems to have named the movement. Wagner served as a mentor to Rick Warren and worked with Ted Haggard.**

(Rick Warren's connection to the Latter Rain Heresy – NAR and C. Peter Wagner:

**RICK WARREN ON MENTORS LIKE C. PETER WAGNER >> )**

NAR members are encouraged to take over more than government. One of the goals of the movement is to take control of the "Seven Mountains of Culture," which includes education, media and business. The "7 Mountains" or "7-M" is a catchphrase for the movement, and **Muthee was speaking about the "7-M campaign" at Palin's church before the famous anointing.** Some members are asked to be "market apostles" and merge evangelism with their business, a process that involves going to their places of employment and connecting with other movement members, evangelism and prayer.

---  
One of the resulting practices in NAR is called "spirit mapping," where believers literally map out a community and decide where demons and other evil powers are located. Members then enter into prayer to force out the demons (making them "prayer warriors," another catchphrase.)

Once the demons have been cast out, the area is supposedly claimed for God. Most believe that this will lead to the conversion of the people in the area. Some claim that the areas become mini-utopias, where poverty, corruption and disease are reduced. There are even claims that AIDS has been cured in some of these area.

---

For a variety of reasons, the NAR movement runs under the radar for most of the mainstream media. One of the few journalists watching it is Rachel Tabachnick. She suggests that the lack of a central leadership hampers the ability of journalists to get access or information. **NAR can also unintentionally hide in plain sight; the Wasilla Assemblies of God Church, where Palin was raised, has strayed from the AOG (Assemblies of God) denomination and embraced NAR ideas, a fact which most journalists reporting on Palin missed.**

**I believe this is probably the case in Sweden as well... Churches remaining within their denominations (Pentecostal, Methodist, Baptist, etc.) but have embraced NAR's agendas, visions and goals... and many times the members don't even know about it... they have become "NARians" without knowing it!**

I found the expression NARians in this article <http://apprising.org/2011/10/27/an-unhealthy-update-on-c-peter-wagner-the-nefarious-narians/>

### **Spiritual Mapping and Spiritual Warfare - Muthee and the "Transformations" Franchise / 1**

Rachel Tabachnick - Thu Oct 30, 2008 at 12:42:10 PM EST

#### **Palin's Churches and the Third Wave Series**

#### **By The New Apostolic Reformation Research Team**

A video starring Thomas Muthee as a prayer warrior and witch hunter was released in 1999. "Transformations" was the first in a series of videos that would soon become the heart of the Transformations franchise, a network of prayer warriors, ministries, organizations, and businesses, brought together for the purpose of promoting Christian theocracies. They share the goal of bringing their own communities and nations into the "Kingdom." These videos would play a major role in the teaching and promotion of spiritual mapping and spiritual warfare. Following is the story of those videos and **how the Transformations brand has propelled the development of an emerging international belief system, the New Apostolic Reformation, and how it is bringing that movement into your community and your government.**

**The DVDs came quickly to Sweden... I've at least seen the first 3 – several years ago!**

**I hereby ask for forgiveness for showing or lending these videos! I have renounced this in connection with everything that was revealed in 2008 with Todd Bentley's so-called "Lakeland Revival" ... when I got an insight of the Faith Movement heresies!**

The Transformations videos are advertised as having been viewed by 200 million people in 70 languages. A star of the videos is none other than Thomas Muthee - the same man whose anointing of Sarah Palin has become an issue in the 2008 presidential campaign. But the videos are important for far more reasons than Palin and Muthee. **Muthee's words**, just prior to anointing Palin, **on invading and infiltrating society and government are not aberrations**. They reveal the disturbing ideology of a growing and powerful **religio-political** movement in the U.S. and around the world.

---

**In the 1990s, a missions and church growth expert named C. Peter Wagner found a way to coalesce these activities into an organized structure now called the New Apostolic Reformation. His colleague, George Otis, Jr. simultaneously developed the Sentinel Group which has produced the series of Transformation videos** and resulting Transformations organizations promoting these spiritual warfare ideas. The videos have been a major factor in the global promotion of "prayer warrior" networks specifically linked to these efforts.

The franchise has been so successful that the "Transformations brand" has a distinct meaning to many worldwide. The videos, which have been used as the central teaching tool of the movement for nearly a decade, reveal not just another grandiose program of global evangelizing -- but an explicitly theocratic political movement of consequence in a number of countries - including the United States. There are Transformation-related groups in almost every state and every major city.

---

The video series glorifies the movement towards theocratic governance, real or imagined, in Uganda, Fiji, Colombia, and Guatemala, as well as the U.S. They are used as a tool for building "Transformations" brand organizations that in turn glorify the concept of authoritarian religious social engineering. The "stars" of these videos have already played a role in promoting witch hunts in Africa, endorsing death squads in Guatemala, the de-Catholicizing of Brazil, and the mythology of miraculous curing of AIDS in Uganda. **The Transformations promote a complete merger of church and state and offer a glimpse of the "Kingdom" to come, when the world is purged of all other religion, and "Spirit-filled, born again" Christians take control of the leadership of all societal and government institutions.**

In case this sounds esoteric and far away, it is important to underscore that this movement is influential and powerful enough to have encompassed not only the Governor of Alaska, but also Ted Haggard, the now disgraced but once nationally renowned head of the

National Association of Evangelicals. **These leaders are not the exceptions, but the rule, as the movement comprises hundreds of organizations and thousands of churches across the country.** Their activities fly under the radar of popular media by operating through hundreds of stealth evangelizing programs, with the goal of fulfilling this dream. However, the movement is currently receiving more scrutiny due to the revelation of the anointing ceremony of Sarah Palin by Thomas Muthee and other ties between Palin and the New Apostolic Reformation.

---

**The New Apostolic Reformation is the name of an emerging international phenomenon that has sources in Pentecostal and Charismatic Christianity, but has now become a distinct entity. The movement and its precedents are also referred to as the "Third Wave" or "Joel's Army." The Transformations videos serve as a media tool to market the worldview of the New Apostolic Reformation.**

**The New Apostolic Reformation was formed as an institution through the efforts of C. Peter Wagner. More details on the history of this movement are in the section "Sources of the Transformations." Wagner has developed a network of 500 Apostles, most with Apostolic networks of their own over which they have authority. In addition to this structure there is a national and international structure of "prayer warriors" overseen by Apostles. Initially named the Spiritual Warfare Network, this structure has been renamed twice, first to the United States Strategic Prayer Network (USSPN), and again recently to the United States Global Apostolic Prayer Network (USGAPN). There is also an international network under the authority of Wagner. Additionally other "prayer warrior" groups have been formed for specific purposes such as the **Governmental Apostolic Prayer Alliance, under Apostle Chuck Pierce, and the Reformation Prayer Network under the authority of Apostle Cindy Jacobs.** These groups along with the Transform Nations, Transform World, and other "transforming" franchises, have organized the "prayer warriors" to pursue the agenda demonstrated in the Transformations videos.**

---

**Another well-developed idea that is prophesied throughout the movement is a civil war in the church in order to purify it for the end times.**

**The videos and related books have introduced an entire vocabulary based on spiritual warfare.** Some of the terms are familiar but they take on new meaning in this context, and are concepts that would have been unthinkable in most conservative evangelical denominations thirty years ago. **There are different levels of spiritual warfare including ground level, occult level, and strategic level.** There are names and categories for the territorial spirits. Strategic level territorial warfare is the encounter of demons whose power controls entire cities or cultures. The enemy to be bound is the demonic stronghold or strongman. Spiritual mapping is the scouting and detailed mapping of the territory to document the sources of demons and generational curses. This exercise is conducted on foot, block by block, through communities. Gates and portals through which demons gain access are of particular significance. The participants are anointed by God for different assignments such as Watchmen and Intercessors, and the ability to see the location of demons. The outpouring of these spiritual gifts or powers provides the recipient with the tools used to accomplish the mission of conquest.

**Who has not been subjected to this?!!**

**The worst part was that I really thought it was Biblical – I had only been saved for a few years – and it was pastors who led the whole thing! What would you think?**

---

The "Transformations" are a series of videos and DVDs [produced by The Sentinel Group](#), the media arm of the **New Apostolic Reformation**. **The videos are marketed and presented through churches and ministries as documentaries despite the fictional nature and inaccurate material in the productions.** The first video featuring Thomas Muthee was produced in 1999. Since its debut there have been eight more videos in the series.

### **The Significance of Muthee's Anointing of Sarah Palin**

Below: internationally-celebrated witch-fighter, star of "Transformations" brand, East Africa Spiritual Warfare Network Director Thomas Muthee, along with Wasilla Assembly of God head Pastor Ed Kalnins and Crossroads Community Church pastor Phil Markwardt, anoints and blesses Sarah Palin, as a political leader, on October 16, 2005. Little more than a year later, in November 2006, Palin was elected governor of Alaska.

Widely distributed video from a Wasilla Assembly of God service in 2005 [shows the anointing ceremony of Sarah Palin by Thomas Muthee](#). At that time Muthee had already made his name as a star of the Transformations movies, including Transformations I and "The Quickening," and had been propelled by his Transformations fame into major leadership positions in both the U.S. and Africa. Palin also knew of Thomas Muthee's fame and purpose since, [according to an Associated Press article](#), she had viewed the video long prior to her anointing ceremony.

Before Palin is called forward for her anointing by Muthee and the other two pastors, Ed Kalnins, and Phil Markwardt, Muthee refers to her by name and then says,

"When we talk about transformation of a community,  
we are talking about **God invading seven areas of society.**"

**= Seven Mountains!**

Muthee then repeats this again,

"When we talk about transformation of a community, it is where we seek  
God's Kingdom and **infiltrate and influence seven areas of our society.**"

**= Seven Mountains!**

Muthee goes on to discuss **the seven "Kingdoms" or areas.** He includes spiritual, economic, political, education, media, and then politics again. While Muthee jumbles the categories a bit in this introduction to Palin's anointing, **he is clearly referring to the seven "Kingdoms" or mountains of the New Apostolic Reformation's "Seven Mountain Strategy" for taking control of American society and government.** ([link to the official video on the Seven Mountains Strategy.](#))

The New Apostolic Reformation is a subset of the Neocharismatic Renewal Group category above which has over 295 million adherents. However, the New Apostolic Reformation is increasingly drawing from other denominations.

For further information about Transformation Videos och NAR's spreading, watch the DVD-serie:

<http://www.deceptioninthechurch.com/nardvd.html> - *The New Apostolic Reformation - What is it and where is it going?*

**NAR = New Apostolic Reformation, used to be called NOLR = New Order of Latter Rain...**

**Did you know that NOLR/NAR;**

**"provides a "Spiritual Covering" through Wagner's Int'l Coalition of Apostles (ICA) to 1000s of churches and their duped leaders" ?**

<http://truthspeaker.wordpress.com/2009/01/28/encountering-nolr-new-order-of-latter-rain-sidewalk-dream-interpreters/>

The above **NAR DVD-series** is long but contains very important information about NAR, Peter Wagner and his "Team of Prophets." Here you can see and hear what they teach and stand for – unbiblical doctrines!

They also address how spread NAR is – right into the "Global Prayer Network"... such as Hans Marklund is the head of in Sweden...

Yes, this comes from the Apostolic and Prophet Movement NOLR / NAR / ICA – alias Peter Wagner!

<http://www.youtube.com/watch?NR=1&v=Xges7mFi6iY> - **Sarah Palin's Seven Mountains** **YouTube!**

As we read in PDF #3, **C. Peter Wagner wrote an "update" about NAR** on the new website "Global Spheres"... in an "defense attempt"... when considering all the fuss in the media about Sarah Palin... and the 7 Mountains...

Here is another excerpt that was also interesting to find out:

**Other names of this movement which are more or less synonymous with NAR have been "Neopentecostal," "Neocharismatic," "Independent," or "Nondenominational."**

--- The reason behind this is that, whereas denominations are legal structures, **the NAR is a relational structure. Everyone is related to, or aligned, with an apostle or apostles.** This alignment is voluntary. There is no legal tie that binds it. In fact, some have dual alignment or multiple alignment. Apostles are not in competition with each other, they are in cahoots. They do not seek the best for themselves, but for those who choose to align with them. If the spotlight comes on them, they will accept it, but they do not seek it.

As I've lived in the U.S. for many years, I have many times wondered about **"Nondenominational"...**

I have said and thought that even if they do not belong to a denomination – they must have an "origin"...

**FINALLY I got my answer! They are "more or less synonymous with the NAR"! INTERESTING!**

<http://herescope.blogspot.com/2007/06/neo-kuyperian-spheres.html> - **Neo-Kuyperian Spheres** Thursday, June 28, 2007

**"These seven spheres of influence will help us shape societies for Christ."**

- Loren Cunningham, *Winning God's Way*, (YWAM, 1988), p. 134 **Broken link!**

Did Loren Cunningham and Bill Bright just happen to have corresponding spiritual experiences where God told them a new way to make disciples of all nations, as described in the previous post? Did God really give them a vision of "categories of society" that were to be the church's "seven spheres of influence"? Or, perhaps, were they exposed to the teachings of Abraham Kuyper? The latter is a more likely scenario since Kuyper is behind the modern concept of "spheres." Bright may have been exposed to Kuyper's teachings while a student at Princeton Theological Seminary, (<http://www.ptsem.edu/>) which now houses the Abraham Kuyper Center for Public Theology.

([http://en.wikipedia.org/wiki/Loren\\_Cunningham](http://en.wikipedia.org/wiki/Loren_Cunningham) - **Making Jesus Lord**, YWAM Publishing, 1989. ISBN 1-57658-012-1  
(first published under the title: *Winning God's Way*)

The concept of "spheres" cannot be separated from Kuyper's ideas about "common grace." Wikipedia defines "sphere sovereignty" as:

"In Neo-Calvinism, sphere sovereignty means that each sphere of life has its own distinct responsibilities and authority or competence, and stands equal to other spheres of life. Sphere sovereignty is an idea that God created new order and that

everything is under the sphere of God's control. This includes education, the Church, the State, agriculture, economic enterprises, the family, and the arts. It insists that creational boundaries, and historical differentiation, be affirmed and respected."

It is worth looking at that link to [Neo-Calvinism](#) in the quotation above, which gives a good summary of the tenets of this modern movement. Take note of the fact that [Chuck Colson and Nancy Pearcey's book \*How Now Shall We Live\*](#) (Tyndale, 1999) is cited as a key resource in articulating this movement. This blog (3/10/06) wrote about [Colson's new "worldview" project with Rick Warren](#). In the description of Neo-Calvinism [Richard Mouw](#) is cited as a reference. Although most people think of this movement as emanating from Calvinism, where it has indeed taken root and flourished, [it has been Fuller Theological Seminary](#), where Mouw has been president, [where these doctrines have taken on a life of their own, and been taught to several generations of evangelical students. The effect of this has permeated throughout the evangelical world.](#)

**C Peter Wagner has worked as professor at Fuller Theological Seminary for 30 years!!!**

[http://en.wikipedia.org/wiki/C.\\_Peter\\_Wagner](http://en.wikipedia.org/wiki/C._Peter_Wagner) - He then served for **thirty years** (1971 to 2001) as Professor of Church Growth at the **Fuller Theological Seminary School of World Missions** until his retirement in 2001.

**Charles Colson** thinks that the cooperation of evangelicals and Roman Catholics in building a culture informed by a **biblical worldview** can yet, by the power of common grace, win the culture wars and redeem the culture. In the face of the pessimism that concludes that evangelicals have lost the culture war, Colson is optimistic...

Regarding Charles Colson: <https://www.prisonfellowship.org/why-pf/why-does-pf-exist/297> and [http://en.wikipedia.org/wiki/Charles\\_Colson](http://en.wikipedia.org/wiki/Charles_Colson)

"Seeker Sensitive Vs. Emergent"

**I know the difference, do you?** The simplest way to break it down is this: They (Purpose Driven & Emerging/Emergent) are both False teachings that lead to a False Gospel taught by False Teachers who are they themselves deceived and/or are deceiving others along with it. It is your responsibility as a Christian to be wise and prudent.

Now when we have seen what "Marketplace Movement" and "7 Mountains" means... where it comes from – who is behind it... and their agenda and goals...

...it is very troubling to know that there was a **Day of Prayer (Day of Intercession)** held in **Skara, Sweden** in September last year... Skara is my home town!!!

Below is a translated excerpt warning about the event in Skara by trustworthy apologetics in Sweden; Elvor and Janne (Jan) Ohlin. They have two websites: [www.elvorochjanne.se](http://www.elvorochjanne.se) and [www.truereformation.net](http://www.truereformation.net) and I will forever be grateful to them and their zeal for Truth! I have many a times been blessed by their articles and Biblically sound teachings!

<http://www.truereformation.net/2011/08/28/varning-rom-varldskyrkan-intar/> **Warning!**  
**Rome-The World Church takes your city! [The Seven Hills]**

Here is a brochure on a Day of Prayer in Skara.

It is totally correct to pray for Sweden and for our cities, for people and ourselves. But what is the text about? (the text on the brochure) For those not familiar with this; it is not easy to know about the plan behind.

Oddly enough, I wrote about "The seven pillars" in the last [Ohlins thought >>](#) (August 20).

Karin Jansson wrote about the Seven Mountains/hills in [Karins Newsletter - page 25-27 >>](#)

When they have taken these "mountains" (dominion) they say they are to create **WORLD PEACE** and **ECONOMIC JUSTICE**. Some are talking about putting a "king" on every mountain/hill... This assumes that there are **MANY** and that the quantity (all!) are subordinated to the elect (dictatorial) leaders. **The whole plan will**

**require that all fall under the Papacy in Rome = ECUMENICALISM! (Mixture of Religions!)**

---  
*Spiritual warfare* is included. But this is not Biblical prayer, instead it is based on word of faith-teachings and which the Bible is warning about in the book of Jude.

.....  
**I thank God that they warned about that Day of prayer! I really hope that many people took the warning seriously!**

Immediately in August when I started the newsletter and filled 14 pages about "7 Mountains" fast... I had planed on writing in English first and translate it into Swedish afterwards... BUT those plans were changed drastically when I realized that it **was going to be introduced in my own home town...** I got deeply burdened/distressed... Thanks to Elvor and Janne who warned immediately; I felt that I could take all the time it took to get this newsletter finished! It was all the translation, from English articles into Swedish, that took extra time...and now I have to translate my comments into English...

Elvor och Janne ([www.elvorochjanne.se](http://www.elvorochjanne.se)) have written several articles about "7 Mountains" – but mostly in Swedish... I won't be translating them... but here are some excerpts:

**One of their articles was about a letter written by the "Super Apostle": C Peter Wagner from 2007**

(<http://www.erwm.com/ApostolicLetter.htm>)

*This leads into the second point, namely our goal. **Our goal, in a word, is transformation.** The first stage in this goal is personal transformation because each saint must be prepared to do his or her part in the process of taking dominion.*

*Which leads us to the second stage of the goal of transformation, namely **corporate or social transformation.***

Here is a good article that also writes about Wagner's letter...and his launching of a "Global Apostolic Network...NAR and the 7 Mountains...

In Proverbs 16:32 we can read:

*"He that is slow to anger is better than the mighty;  
and he that ruleth his spirit than he that taketh a city." (KJV)*

Perhaps something to think about in these days when we hear them talking about "take your city, societies, nations and mountains for God"...

Elvor and Janne also wrote in one of their articles:

*Please Note! Check this video where the "Kingdom Now" preacher **Cindy Jakobs is preaching about the 7 Mountains >>** which is about **a false God's Kingdom on earth**, which we are convinced is the great apostasy. Note that in **Cindy Jakobs'** "god's kingdom" there is no mediator needed at all because the Christians have now taken over all societies. They own oilwells and they are the bankers.*

They also pointed out that "Kingdom Now" is based on Kenyon's and Hagin's teachings...

***Dominionism – Kingdom Now – A new seduction!***

In several articles above we have read about "Social Transformation/Change"...

This brings a "Social Gospel"... In the DVD "WIDE IS THE GATE part 1 it explains:

**"Social Gospel" promotes multiculturalism – the idea that everyone can work together in programs that promote social justice and building the Kingdom on earth.**

*There are those who claim that the warnings of deceptions, New spirituality and other roads leading astray, causes people to fear and get confused. Such claims do not come from those who love Truth, of course. **Many Christians have gone astray precisely because no one has warned them and the leaders have failed in their task.***

*Another remarkable attitude in sign of the times is that "we should not look for the antichrist, but after Jesus." Of course, we must be alert to everything that Jesus and the apostles have foretold. How can one say anything else if one profess to be Christian? **Our hope is Jesus' return, but before that, a final Antichrist will emerge as a world leader.***

.....

Here below, in the Swedish Newsletter, I had another long list of links to prove that **NAR and it's Marketplace Movement with the 7 Mountains strategies has infiltrated Sweden...** I mentioned about "self-proclaimed" Apostles and Prophets in Sweden who are connected with C. Peter Wagner and his New Apostolic Reformation (NAR) and ICA (International Coalition of Apostles) in USA.

It was in my own town that they were having this "Day of Prayer" – so it was extra sensitive to write about it... BUT I REFUSE to give in for "fear of men"! What is happening in Christianity today is so serious that I must write and warn about it!

In the Swedish Newsletter I showed my research about who is behind it here in Sweden...

From the "Invitation" to the event "Day of Prayer" it was shown that it was Skaraborgsbönen (the Prayer of Skaraborg) who were initiator to this invitation...

**Here is an excerpt from the "INVITATION" to the Day of Prayer in Skara**

#### INVITATION

*Dear prayer friend!*

....

*This is an invitation to you wherever you are on the wall and now perceive the sound of the trumpet **from Skaraborgsbönen (the prayer of Skaraborg)** to prayer **at Husaby** September 17 at 11:00 am, see separate booklet with information on the continuation of the day.*

...

**Skara diocese is the area where the source and the outflow of the Christianization of the country burst forth and the place of Husaby where the first Swedish king was baptized into Christ. Husaby is also the place where the thousand year old altar was erected in year 2000.**

**We perceive that the Lord is speaking of:**

- Cisterns/Wells to be dug up and cleansed (Jeremiah 2:13, Genesis 26:18-33, Numbers 21:16-18)
- The collapsed wall to be rebuilt (Nehemiah, Isaiah 60:10)
- Silver Trumpets and trumpets to sound/be blown (Numbers 10, Joel 2)
- It is time for purification and sanctification (2 Chronicles 29:3, Nehemiah 12:30)

*When stones of pride, self righteousness, territorial thinking, jealousy, religiosity, fear of men, idolatry, etc. have been cleared away; a geyser with tremendous gravity will break through and give life and healing to the people.*

*How can that be possible? Well, because in **2 Chronicles 7:14-15** is the promise that if my people repent, humble themselves and pray the Lord will come with his healing. See also **Acts 3:19-21**.*

**It was Roman Catholicism that broke out in the country at that time... Kung Olof Skötkonung was baptized within the Roman Catholic Church! That is NOT Evangelical Christianity, and this alone made that "Day of Prayer" lack in confidence! Purification and sanctification ought in that case – very simple and clear – start with "de-catholicism" (= remove all influences from Roman Catholicism!) and distance themselves from the Roman Catholic Church and the Ecumenism which now leads to ROME! It is very strange, isn't it, that those who "perceive the sound of the trumpet**

### INBJUDAN

Kära bönvänn!

Vi upplever att det går ut en kallelse just nu till den som likt Esra, Nehemia och Daniel vill be om förlåtelse och rening för egna och landets synder (Esra kap. 9-10, Daniel kap. 9 och Neh kap. 1). Arbetet är stort och vidsträckt och vi är spridda längs muren långt från varandra. Men var vi än hör basunen ljuda ditt ska vi samlas och vår Gud ska strida för oss.

Detta är en inbjudan till dej var du än befinner dig på muren och nu uppfattar basunljudet från Skaraborgsbönen till bön **vid Husaby den 17/9 kl 11.00, se sep. folder med info om fortsättningen på dagen.**

**OBS!** Det är viktigt att vi är väl förberedda för uppdraget så därför inbjuder vi dej till **Horns missionshus** den **16/9 där vi börjar med lunch kl 12.00** och fortbätter sedan att tillsammans sitta ned vid Jesu fötter, lyssna till Hans ord och låta den Helige Ande leda oss. **Runt kl 18** blir det matpaus då du är välkommen att ansluta om du inte kunnat vara med tidigare. Fika serveras under eftermiddagen.

Skara stift är det område där källan och utflödet för kristnandet av landet bröt fram och Husaby platsen där den förste svenske kungen döptes till Kristus. Husaby är också platsen där tusenårsåret uppfördes år 2000.

**Vi uppfattar att Herren talar om att:**

- Brunnar ska grävas upp och rensas	(Jer 2:13, 1 Mos 26:18-33, 4 Mos 21:16-18)
- Den raserade muren återuppbyggas	(Nehemia, Jesaja 60:10)
- Silvertrumpeter och basuner ska ljuda	(4 Mos 10, Joel kap 2)
- Det är tid för rening och helgelse	(2 Krön 29:3ff, Neh 12:30 mfl.)

När stenar av stolthet, egenrättfärdighet, reviränkande, avundsjuka, religiositet, människofruktan, avundsjuka mm röts undan kommer en geyser med enormt självtryck att bryta fram och ge liv och läkedom till folket.

Hur kan det bli möjligt? Jo, för **2 Krön 7:14-15** finns löftet att om mitt folk vänder om, ödmjukar sig och ber kommer Herren med sin läkedom. Se också **Apg 3:19-21**.

Till dej som Herrens Ande rört vid med nöd för vårt land och för tillståndet i Hans hus Vi tror att Han kallar på dej och att du kommer!

### Välkommen!

from Skaraborgsbönen (the prayer of Skaraborg)” didn’t hear more clearly that we are not to mix idolatry with the worship of the Lord our God ... Purification and sanctification without confronting the Roman Catholic Church and renouncing their heresies??? NO THANKS!

Roman Catholicism is full of idolatry and if it REALLY is time for purification and sanctification – then start where it is easy to see that it needs cleaning (=purification & sanctification)!

Architecturally, it is remarkable for its steep walls and high towers, arguably the only Romanesque architecture in Sweden of that kind.

**Saint Sigfrid** (Sigfried, Siegfried, Sigfridus, Sigurd) (Glastonbury, England, ? – Växjö, 1045) was a Benedictine monk and bishop in Sweden; he converted (= to Roman Catholicism) king Olof Skötkonung in 1008. His feast day is 15 February.

After Ansgar, epithetised Apostle of the North, Sigfrid is revered as second Apostle of the North, besides the missionary Rimbert of Turholt and the Reformer Johannes Bugenhagen likewise honoured.<sup>[1]</sup>

[http://en.wikipedia.org/wiki/Catholicism\\_in\\_Sweden](http://en.wikipedia.org/wiki/Catholicism_in_Sweden) - Roman Catholicism in Sweden - History

**The Catholic Church was the established church of Sweden from the Middle Ages until the Protestant Reformation in the 16th century, when King Gustav I broke off relations.**

He established the Church of Sweden, based on the teachings of Martin Luther. That was the only legal church in Sweden until the middle of the 19th century, when other churches were allowed. However, it remained a state church until it was disestablished in 2000.

Prior to this, the Catholic Church had only existed in the form of independent congregations in Sweden, for example, the Diocese of Stockholm which was founded in 1953. However, the changes in 2000 made it possible to become officially registered and recognized by the government of Sweden.

**NOT UNTIL THE 16<sup>TH</sup> CENTURY CAME THE REFORMATION: This is a summary of the Swedish Reformation** ←

Please, read on – it is both interesting and important information!

There are a lot of links to prove the same... MAKE FURTHER RESEARCH YOURSELVES!

What does it matter if "**Cisterns/Wells are dug up and cleansed**", "**The collapsed walls are rebuilt**", "**Silver Trumpets and trumpets are sound/blown**" when – IN SPITE OF EVERYTHING – they still mix idolatry/Roman Catholicism with Evangelical Biblical faith?

It is something that I am convinced that God still takes very seriously!

In **Ezekiel 23**, we read of a time of apostasy when the people that had known God caused "their sons...to pass for them through te fire" and practiced other pagan rites. Concerning this, our Lord said: "Moreover this they have done unto me: they have defiled my sanctuary...For when they had slain their children to their idols, then they came the SAME DAY into my sanctuary to profane it" (**verses 38, 39**).

**Jeremiah** also wrote of this apostasy. His message was to the people that claimed to be the people of God. These people when they came to the temple of the LORD, came "to worship the LORD" (Jer. 7:"). But notice that along with their worship of the LORD, other rites had been mixed in that were of paganistic origin! "Behold," God said, "Ye trust in lying words that cannot profit. Ye...burn incense unto Baal, and walk after other gods...and come and stand before me in this house, which I s called by my name" (Verses 8-10). And this same people that came to the house of God, this people that claimed to worship the LORD, not only worshipped Baal, but the worship of the pagan Mother, the "Queen of Heaven" was mixed into their religion also! (**Verse 18**).

By repeated examples then, we can see from the Scriptures that God will not accept a worship that is a MIXTURE. As Samuel preached to the children of Israel when they attempted to worship God and still at the same time hol on to paganism: "If ye do return unto the LORD with all your harts, then put away the strange gods and Ashtaroth (the pagan

Mother worship) from among you, and prepare your hearts unto the LORD, and serve him ONLY: and he will deliver you..." (1 Sam. 7:3). And this is still the unchanging message of our God today. Worship and serve the Lord ONLY, with no mixture of paganism, with no mixture of rites and doctrines whose roots are in heathenism!

Therefore, I spent much time and pages warning about this "Day of prayer" ....or rather warning about its origin – the source...since that day had already come and gone...

**But we must not be naive and believe that there won't be other similar "Day of Prayers" in the future ... and in other cities ...and other countries...**

*With joy and expectation, we welcome everyone to an Intercession Day in Skara Cathedral. For six years, there*

is a network, a community, who come together regularly to pray for the region of Skaraborg. The area is important for the people who live here, but also **historically vital for the country**. In year 2000, several thousand participants gathered in Husaby, at Kinnekulle, to celebrate the millennium of the Christian faith in our country. **It was here our first Christian king, Olof Skötkonung, is said to have been baptized.**

**What is special of our time is that these regions of influence is becoming more global.** God is calling His church; His people, to be head, not the tail. Christ is inviting His body, His church, to take a place in order to exercise influence. We pray with Jesus:

*Hallowed be Thy name.  
Thy kingdom come.  
Thy will be done on earth, as it is in heaven.*

NATIONAL CALL FOR PRAYER for fall 2011-spring 2012

To all believers and districts in the country of Sweden!

PRAYER FOR YOUR DISTRICT (1 Timothy 2:1-4) during fall 2011 and spring 2012

Vårt land och folk har stora behov och utmaningar. Under lång tid och på många orter beds det för orten regelbundet. I Stockholm och **S:ta Clara kyrka anordnas ekumenisk "Bön för staden" en gång i månaden (uppstart igen slutet av augusti).** Vi vill nu inspirera Er till att Ni också tar initiativ till "Bön för staden/orten" där Ni bor. Vi vill att bönen eld skall drabba landet och ett naturligt samarbete har börjat med 6/6. Låt oss stå tillsammans i bön för landet!

Our country and people have great needs and challenges. For a long time and in many places prayers are said for the city regularly. In Stockholm and **St. Clara Church ecumenical "Prayer for the City" is organized once a month (will start again at the end of August).** We now want to inspire You to also take initiatives to "Prayer for the city/district" where you live. We want the fire of prayer to hit the country and a natural co-operation has begun with June 6 (= the date for the Swedish National Day). Let us stand together in prayer for the country!

**S:ta Clara Kyrka = Klara kyrka = Carl-Erik Sahlberg** (in the above folder!) <http://www.klarkyrka.se/>

It is suggested that you also begin in late August or whenever it suits You.

**We encourage to 8-12 gatherings per year for ecumenical prayer. Preferably, let the prayers be in a place in the middle of the town's heart. Several are already praying for their districts in city halls and municipal building.**

.....  
Regarding the "prophecy" from 2006 by Daniel Viklund...

I was there at the tent-meeting outside Falköping (neighbour town of Skara) when he "prophesied" this!

I bought a cassette tape with the entire preaching on it...

Here is an excerpt with my comments – free of charge – in red:

*"I have already allowed **a National Movement** start taking place - take place - in cities all around.*

**SKARABORGSBÖNEN (THE PRAYER OF SKARABORG) ??**

***And I will let the powerful popular movement developing in Skara, says the Lord.** And they will **IN SKARA!** see marvelous course of events in Skara. I'll give My people favor. I'll give My people access.*

*I'll give My people entrance on places where you have never put your feet and you shall experience to locking up **key people's** hearts.*

**K.E.Y.S ???**

*And you will find favor so that you will weep with gratitude before Me, says the Holy One.*

*I will let this entire **chosen** city to be in My presence.*

*During certain times will you feel physically, you will feel in the air you breathe how My Presence fills the entire city. During certain course of events, at certain times, you will feel the air is so saturated of Me, saith the Lord.*

***Oh, says the Lord, oh, I will claim Domkyrkan (the Cathedral) as never before, says the Lord.***

***And I reach out My Scepter, and I claim Domkyrkan (the Cathedral) in these days, says the Lord.***

*Yes, the claim from heaven is much stronger than the claim of the religious, the human, the secular forces.*

***I will make a roaring claim go out, says the Holy One, and when this claim goes out; many strongholds of powers of unbelief to collapse and I'll let the river of My Presence flow. "***

**"Claim Domkyrkan/The Cathedral" in Skara!  
God saves people - not buildings!**

---

*I want to party-fences to collapse and barriers and dividing lines and dividing walls to collapse.*

*On the other hand, says the Lord, will I raise up a powerful wall of protection for My people – against false doctrines, against heresy, says the Lord. Yes, you will receive a renewed wall against heresy.*

***You will receive a renewed wall against false doctrines, says the Almighty.***

**Quite the opposite regarding Skara with surrounding cities, unfortunately!**

*When it is raised, you shall once again hear a voice in the country **and from this region shall a voice be heard in the land that affects the development of Christianity**, which speaks of purity of doctrine and life.*

*Yes, you will be the root and will stand in **the origin itself to revival of holiness which shall break forth**. For the complicated and the religious world does not understand the principle of revival, but, says the Lord, My principle – the principle of revival – you have understood, and therefore, you shall receive, with touched hearts, moved hearts, broken hearts - the Spirit of adoption - will you get to **conquer the land**, says the Lord.*

**"conquer the land" = Latter Rain/Dominion concept!**

**"affect the development of Christianity" – NO doubt about it – BUT in what way?  
Influence of heresies and human strategies that are not from the Bible...  
Influence of ecumenism and "mixture of religion"!**

I really believed in this "prophecy" then! This was BEFORE Lakeland in 2008 and I could never in my wildest dreams think that it was not coming from the Lord... But I was then working with my "Christmas book" – translating into Swedish – and thought that Christians would realize all the lies and the paganism of Christmas and be willing to renounce it... I thought this would be part of the *"influence the development of Christianity"*!  
I even played this "prophecy" from the cassette tape in January 2007 during the **"ecumenical week of prayer"** in our church in Skara and we also prayed for this prophecy".

(Watch <http://vimeo.com/11119597> and <http://www.youtube.com/watch?v=QWzLXkylEho> for more info regarding Christmas.)

**Friends, here are some "fruits" to prove that this prophecy about "Gud's claim" on Domkyrkan (the Cathedral) in Skara was NOT from God:**

- Below is a copy of an advertisement from the newspaper in Skara (SKLT), August 21, 2011 about an event in the Cathedral – "Human Meals" – September 3 – where 4 different religions were together:

Dean (=Lutheran Christianity), Café at the convent (=Roman Catholicism), Rabbi (=Judaism), Imam (=Islam) – all in accordance with Charta Oecumenica!

(For more information about Charta Oecumenica: <http://www.ceceurope.org/current-issues/charta-oecumenica/>)

**THIS IS NOT THE REVIVAL THAT COULD RESULT BY THE GOSPEL OF CHRIST BEING PROCLAIMED!**

**Those who read the Word of God know the voice of the Lord!**

There it says that He hates worship that has been mixed with paganism...  
It says "go out of" and "have no part with"... and Jesus Christ came to set us free from "empty rituals" to a life in relationship with God through Jesus Christ!  
**NOT to go back into Catholicism, other paganism or occultism!**

**In Your Son's name Jesus Christ, I ask You, God, that You break this "prophecy" – these words spoken – over Skara. I pray that You would give Grace for insight and help to repent! God, I pray that many in Skara wake up and be WILLING to stand up for Your Truth – to dare to go against Ecumenism/Charta Oecumenica, Catholicism, Faith Movement, New Spirituality and other heresies – for liberty and purity for themselves, and for many's salvation! AMEN!**

*"But the prophet, which shall presume to speak a word in my name, which I have not commanded him to speak, or that shall speak in the name of other gods, even that prophet shall die.  
And if thou say in thine heart, **How shall we know the word which the LORD hath not spoken?**  
When a prophet speaketh in the name of the LORD, if the thing follow not, nor come to pass, that is the thing which the LORD hath not spoken, but the prophet hath spoken it presumptuously: **thou shalt not be afraid of him.** Deuteronomy 18:20-22 KJV*

**Lamentations 2:14 is a very interesting – and perhaps even more "current" today – verse:**

*"Thy prophets have seen vain and foolish things for thee: and **they have not discovered thine iniquity, to turn away thy captivity; but have seen for thee false burdens and causes of banishment.**"*

(King James Version)

**I believe that God still looks just as seriously on false prophets today... as then:**

*"If there arise among you a prophet, or a dreamer of dreams, and giveth thee a sign or a wonder,*

*And the sign or the wonder come to pass, whereof he spake unto thee, saying, Let us go after other gods, which thou hast not known, and let us serve them; Thou shalt not hearken unto the words of that prophet, or that dreamer of dreams: **for the LORD your God proveth you, to know whether ye love the LORD your God with all your heart and with all your soul.** Ye shall walk after the LORD your God, and fear him, and keep his commandments, and obey his voice, and ye shall serve him, and cleave unto him. And that prophet, or that dreamer of dreams, shall be put to death; because he hath spoken to turn you away from the LORD your God, which brought you out of the land of Egypt, and redeemed you out of the house of bondage, to thrust thee out of the way which the LORD thy God commanded thee to walk in. So shalt thou put the evil away from the midst of thee."*

Deuteronomy 13:1-5 (KJV)

## So what do I want to say by bringing this up?

What does it help to "be a prophet," or have "the gift of prophecy" if one ignores the Word of God and can not "see and hear" what is completely obvious to a "normal" Bible reader?

What does it help if you can come up with "prophetic spoken words" – "thus says the Lord" – "thus says the Holy One" – if one compromise and participate in ecumenism which leads to Rome?

I just wonder!?

A "prophetic voice" dares to go against the tide and confront backsliding, compromising leaders and calling them and God's people to repent and to turn back to the Lord! A "prophetic voice" renounce and distance themselves from what is clearly not in accordance with the Word of God and the things that are human attempts to "bring about" Holy Spirit's manifestations...

The only way to distinguish a true prophet/teacher from a false prophet/teacher is to **study YOURSELVES** and search the Scriptures! It is God's Word, and NOT ourselves, which determine what is right and wrong!

CAN I GET AN "AMEN"?!

Just so you'll know **WHAT Roman Catholicism** is all about – watch this program from Vortex, about the Eucharist. The host argues that **Europe's problem is a spiritual crisis and is due to the rejection of the Catholic faith, and according to him the Eucharist is the "heart of Catholicism":**

Please, IF you really want to find out the Truth about Catholicism – read the book!

But here you can **watch the DVD** – which also is very good: (However, the book is much more in detail!)

*Are you missing half the story about the last days?*

*Most of the discussion of the end times focuses on the coming Antichrist - but he is only half the story. Many are amazed to discover in Revelation 17 that there is also another mysterious character at the heart of prophecy - a woman who rides the beast. Who is the woman? Tradition says she is connected with the church of Rome. But isn't such a view outdated? After all, today's Vatican is eager to join hands with evangelicals [unchanging Rome has changed again] and all religions worldwide. "The Catholic church has changed." is what we hear. Or has it?*

*In "A Woman Rides the Beast", biblical truth and global events present a well - defined portrait of the woman and her powerful place in the Antichrist's future empire. At least ten remarkable clues in Revelation 17 and 18 prove the woman's identity beyond any reasonable doubt.*

Regarding Taizé, as mentioned in above folder – “songs from Taizé”:

**Taize** - <http://www.taize.fr/sv>

[http://www.taize.fr/en\\_article6525.html](http://www.taize.fr/en_article6525.html) - About Taizé

A “parable of community”

**Today, the Taizé Community is made up of over a hundred brothers, Catholics and from various Protestant backgrounds, coming from around thirty nations. By its very existence, the community is a “parable of community” that wants its life to be a sign of reconciliation between divided Christians and between separated peoples.**

---

Over the years, young adults have been coming to Taizé in ever greater numbers; they come from every continent to take part in weekly meetings. **Sisters of Saint Andrew, an international Catholic community** founded seven centuries ago, Polish Ursuline Sisters and Sisters of St Vincent de Paul take on some of the tasks involved in welcoming the young people.

Church leaders also come to Taizé. The community has thus welcomed Pope John Paul II, four Archbishops of Canterbury, Orthodox metropolitans, **the fourteen Lutheran bishops of Sweden**, and countless pastors from all over the world.

### **THIS MY FRIENDS IS ECUMENICALISM AND CATHOLICISM!**

[http://en.wikipedia.org/wiki/Taiz%C3%A9\\_Community](http://en.wikipedia.org/wiki/Taiz%C3%A9_Community) - Taizé Community

**The Taizé Community is an ecumenical monastic order in Taizé, Saône-et-Loire, Burgundy, France.** It is composed of about 100 brothers who come from Protestant, Eastern Orthodox and Catholic traditions. The brothers come from about 30 countries across the world.<sup>[1]</sup> The monastic order has a strong devotion to peace and justice through prayer and meditation. It was founded in 1940 by Brother Roger Schutz, a Protestant.<sup>[2]</sup>

The community has become one of the world's most important sites of Christian pilgrimage. Over 100,000 young people from around the world make pilgrimages to Taizé each year for prayer, Bible study, sharing, and communal work. Through the community's ecumenical outlook, they are encouraged to live in the spirit of kindness, simplicity and reconciliation.

[http://www.catholiceastanglia.org/youth2/index.php?module=pagemaster&PAGE\\_user\\_op=view\\_page&PAGE\\_id=6&MMN\\_position=7:7&MMN\\_position=42:42](http://www.catholiceastanglia.org/youth2/index.php?module=pagemaster&PAGE_user_op=view_page&PAGE_id=6&MMN_position=7:7&MMN_position=42:42)

Brother Roger found his identity as a Christian by **reconciling within himself the faith of his Protestant origins with the mystery of the Catholic faith**. Now over a hundred brothers from different Christian communions live together in community, already reconciled in their differences and yet still on the pilgrim path together towards full reconciliation. For them, and for all Christians, life together is a pilgrimage of trust. Taizé reminds us that pilgrimage is the very character of the Christian life. On that pilgrimage we learn to walk together with all our fellow Christians, whatever differences remain between us.

**In plain “SwEnglish”; this is in other words about uniting/reconciling with the Roman Catholic Church...**

**There are many links about Taizé on-line... I won't go deeper into that here...**

Regarding Rick Joyner and his heresies – spreading Gnosticism to Christianity...

There are pictures when Rick Joyner receives his Knights of Malta mantel...

There are so many links that confirms that Joyner is a member of this order... just search online and a bunch of links comes up... Here are just a few of the "About 14.900 results" that came when I, this fall, searched: "Rick Joyner member of the Knights of Malta":

The Order of Malta is a religious order of the Vatican. Jerry Boykin holds the title of Grand Chancellor with the Vatican's Jesuitical, "Knights of Malta".

Not only is Jerry Boykin a high officer in the Vatican's Jesuitical, Knights of Malta, so is Rick Joyner (2<sup>nd</sup> from right below). **See the picture!** →

If you are unfamiliar with Rick Joyner, watch one of his demonic events (for those who have never witnessed demonic activity, brace yourself, the first time is the worst)

**Rick Joyner is President of "The Oak Initiative" along with Grand Chancellor Jerry Boykin. Remember this, as more information is presented later.**

At least three high officers of the Vatican's Jesuitical, Knights of Malta, are part of an organization called the "The Oak Initiative". They are "Prince Grand Master" Nicholas Papanicolaou, "Grand Chancellor" Jerry Boykin, and "Deputy Member of the Supreme Council" Rick Joyner.

EMBLEMATIC STRUCTURE OF FREEMASONRY

## To "Media":

Even a Christian News Paper in Sweden, called "Världen Idag" ("The World Today"), has promoted the 7 Mountains, calling it "The Seven Pillars of Society"...

*Every human culture is supported by a number of areas/spheres, which together builds the society. These seven foundational pillars are: politics and public administration, education, media, culture and entertainment, religion, family, and the business world. Today we begin a series of articles that will inspire Christians to transform the society in these seven areas/spheres.*

One can wonder if they too are part of NAR... perhaps "Change Agents"...

## Now to "Politics":

In the Washinton Post's blog post article:

[Dominionism: A 'dangerous' Christian movement influencing Michele Bachmann and Rick Perry?](#) 08/15/2011 By Elizabeth Flock  
the writer suggest that New Apostolic Reformation (NAR) sees (Rick) Perry as its vehicle to claim the "mountain" of government, not the other way around.

Here is an excerpt from an e-mail from Andrew Strom August 26, 2011:

**USA POLITICS, RICK PERRY & the N.A.R.**

-by Andrew Strom.

---  
"Now, another Christian voice has risen, and as 'the savior of our country', Rick Perry, the Governor of Texas. We have heard from media reports that he has aligned himself with a group known as the "New Apostolic Reformation" which has been compared to the "Kingdom Now"... the "Reconstruction/Kingdom Dominionists" movements. In trying to ascertain the validity of this movement (actually a "doctrine", I believe), we have found an extremely troubling trend toward acceptance of the belief that God will restore America THROUGH a Christian political movement--ie. man's efforts.

"This sounds like to us exactly what Satan has devised and not in any way resembling our Holy Father's plan for redemption of His people in HIS KINGDOM IN HEAVEN. This human ordained plan for redemption of our country smacks of pride, arrogance and greed without even a hint of godliness. It sounds like a plan to establish a theocracy though it will not be called a theocracy... I ran across an internet article/blog authored by Dr. Orrel Steincamp (and another by Ken Silva) called "The Coalescing of the Christian Right with Apostolic Dominionism". This sounds like just what my husband and I had feared would transpire, but we aren't acquainted with these authors. We would greatly appreciate your prayerful consideration of this movement in order to give us more light and clarity on the subject."

ANDREW REPLIES: I will only be brief, because I'm sure others will have insights to share. But let me start by saying I am totally opposed to the so-called "New Apostolic Reformation" – since I believe it is neither "apostolic" nor any kind of real 'reformation' at all. It is essentially just another type of "hierarchy" trying to impose itself over the church – made up (mostly) of presumptuous men with business cards displaying the word "apostle". These are the same guys who got up on stage to endorse (Apostolic Alignment) Todd Bentley at the Lakeland revival just before the whole thing collapsed. God gave them a public spanking then for their "apostolic" proclamations, but it looks like they are coming back for more. Once was not enough. This "2nd spanking" is now underway and is all over the media. God is yet again showing that these are no "apostles" of His. Rick Perry - if he knows what is good for him - will distance himself from these guys at the speed of light. But already they may have cost him the Presidency.

Each time I read this Bible verse;

*"As he that bindeth a stone in a sling, **so is he** that giveth honour to a fool."* (KJV)

I always think about the **"Apostolic Alignment" in Lakeland:** <http://www.youtube.com/watch?v=pqaoskr5wlc>

.....  
October 4, 2011 as I drove a rental car in Michigan, USA, I listened on the radio and came across an interesting interview with C. Peter Wagner!

**NPR (National Public Radio)** <http://www.npr.org/2011/10/03/140946482/apostolic-leader-weighs-religions-role-in-politics> **Listen or Read!**

Below is an excerpt from NPR <http://www.npr.org/templates/transcript/transcript.php?storyId=140946482>

GROSS: My guest is C. Peter Wagner, a leading apostle in The New Apostolic Reformation, a Christian movement that wants dominion over politics, business, education and the arts. Some people interpret that as theocracy. Wagner says the NAR just wants to work within our democracy to bring the kingdom of heaven to government and society. Several apostles and prophets helped organize or appeared on stage at Rick Perry's August prayer rally.

On October 3rd, there's going to be **a rally in Washington, D.C.**, and this is being organized - and, again, correct me if I'm wrong - by **John Benefiel**, who's the head of the Heartland Apostolic Reformation Network and **Cindy Jacobs**, who is a prophet and president of the missionary training group Generals International. And this is supposed to - it's **called 40 Days of Light Over Washington. And the website says, "The purpose of this siege is to change the atmosphere over the city of Washington, D.C. through our worship, preparing the way for our legislators to function on a different playing field as we release 40 days of light over the city."**

And the picture for this rally is of the Capitol with a cross on top of it, like an illuminated cross. So how much do you know about this rally?

WAGNER: Well, I must say that both John Benefiel and Cindy Jacobs are very close to me. They're both aligned apostolically with me. So I am part of what they do, and they're part of what I do. I have not been part of the development of these 40 Days Over D.C., but because I'm so close to Cindy and John, I have given my tacit affirmation to what they're doing, and I still do that. I happen to know the artist who drew that picture, and I'm not sure that that might not be interpreted as a theocracy.

GROSS: Yeah. Well, you know, it would be easy to see it that way, because you've got...

WAGNER: I know it.

GROSS: ...this image of a cross kind of imposed on our nation's Capitol building.

WAGNER: I really - I think that was probably a mistake.

GROSS: Mm-hmm.

WAGNER: I think that the message that the artist intended to convey was that the kingdom-minded people would have a lot of influence in the Capitol, but I don't believe our Capitol ever wants a cross on top of it, because that would be a sign of a theocracy.

**Unbelievable that he is so "cowardly" and do not dare to stand up for what they really aim for!!**

---

GROSS: **So you don't believe in the Rapture and the tribulations.**

WAGNER: **I used to.**

GROSS: **But now? Men nu?**

WAGNER: **But I don't - I don't see how it fits now into what God is showing us.** That's a good question, incidentally. And so I don't - **no, I don't believe in that.**

**GOD DOESN'T SHOW ANYTHING NEW – NOTHING BUT WHAT IS ALREADY IN THE BIBLE!!!**

**On November 11-12, 2011, thousands from across America will gather to Detroit to fast, pray and cry out to God.** We will gather to this city that has become a microcosm of our national crisis - economic collapse, racial tension, the rising tide of the Islamic movement, and the shedding of innocent blood of our children in the streets and of our unborn.

**November 11, 2011 = 11 11 11**

But the place where they say there is no hope, God has chosen as His staging ground for a great communal healing and His house of prayer for all nations. Therefore, we are calling the nation to a 24-hour solemn assembly, daring to believe that Detroit's desperation can produce a prayer that can **change a nation**.

Come and take your place on the wall in Detroit, where we will ask God to send fire on our hearts, to forgive our national guilt and establish justice in our land.

Visit [TheCall.com/Detroit](http://TheCall.com/Detroit) for more information or to register for this historic event.

**The Global Day of Worship (GDW) is a call for a unified,**

**global worship movement** to see the name of Jesus Christ lifted up throughout the earth. It will be a day that will unify many denominations within the body of Christ while embracing and celebrating the differences in our expressions of love for Jesus Christ. Through a unified, celebration and **adoration of the name of Jesus**, the world will see that we are His disciples.

**(Note the choice of words - "adoration" is a typical Catholic words, for example "Eucharistic Adoration" = Eucharistic Adoration)**

**Join us on November 11, 2011** - from 7:00 to 8:00 p.m. in each time zone - **for a wave of worship and adoration that will span the globe and unite all believers as one body.** Utilizing 24 time zones, we will agree with and join the 24 elders, spoken of in Revelation 4, who are already worshipping Jesus around the throne. **It is when the worship of heaven meets the worship of earth that spiritual climates of nations will shift as we serve faithfully here and now in preparation for His return.**

#### **What the Global Day of Worship Is**

On this day, we will not to focus on asking, or petitioning the Lord. We will simply gaze upon His beauty, thank Him for His love, and declare His attributes and goodness in our lives, families, communities and nations.

We can worship Jesus through reflective expressions of love or loud, joyful celebration. We can sing hymns and choruses or engage in free-flowing passionate worship. We were all created to love Jesus, and this event will allow us to uniquely express our love to Him in unity around the globe.

On our website, we will stream live venues in each time zone ranging from small house gatherings of families to larger events.

Join us in this global celebration and **adoration** of Jesus!

John 12:32 "But I, when I am lifted up from the earth, will draw all men to myself."

**I WONDER IF THIS "GLOBAL DAY OF WORSHIP" IS RELATED TO "GLOBAL DAY OF PRAYER" ...?**

**PERHAPS IT'S THE SAME PEOPLE BEHIND...? JUST A THOUGHT – BUT IT WOULD BE INTERESTING TO FIND OUT...**

There are so many links about "Global" on the internet....

In another Swedish Christian Newspaper, called Dagen, wrote about 11-11-11...

<http://www.dagen.se/dagen/article.aspx?id=284886> – **The Global week** – in a church near you

*The theme of the week is migration, and churches around the country will be a part in a corner.*

**Behind the event is Sveriges kristna råd (SKR) (= The Christian Council of Sweden) and Svenska missionsrådet (SMR) (the Swedish Mission Council).** They have developed **a base material which they spread to the congregations/parishes.** - - -

**George Joseph of the Catholic aid organization Caritas is one of those who will participate.** - - - The Churches global week is an annual event organized by the Christian Council of Sweden and the Swedish Mission Council, in collaboration with several Christian organizations.

**A base material... HOW you should pray? One is not allowed to be led by God's Holy Spirit...? Just wondering...**

**Catholic aid organization... Don't we have any Evangelical aid organizations in Sweden?**

**CAN YOU SEE HOW THEY "INTERWEAVE/INFILTRATE" THE ROMAN CATHOLIC CHURCH WITH THE EVANGELICAL DENOMINATIONS!**

Here is **a Swedish blog** who observed an English article about 11 11 11:

<http://profetiskt.blogspot.com/2011/11/111111.html> - **Judy Bauman** - 11/11/11 prophetic word

She cites various Bible passages, chapter 11 and verse 11...to bringout an urgent message... which may be true...

Do not know who Judy Bauman is, but she links to several articles by **Johnny Enlow** [http://www.thefathersloveim.org/gems\\_from\\_others](http://www.thefathersloveim.org/gems_from_others) **who together with Lance Wallnau – are two of Os Hillman key Change Agents!**

And she links to <http://www.daystaratlanta.org/> which offers:

**"Daystar 7M - SEVEN MOUNTAIN SCHOOL"** <http://www.daystar7mschool.org/> - **Equipping Nation Reformers**

**So she is very likely a NARIan also...** and therefore I must advise to dismiss her "prophetic word" – no matter how many "good" Bible verses she has cited! It is possible to "get together" similar messages with other dates as well!

**This is not the way we should read God's Word – hand picked Bible verses... We are to read the WHOLE counsel of God – with the Bible verses in their context!**

I guess there needs no further comments...

**BUT I must point out that it was not just "Christians" who called for meetings on 11 11 11 and who believe that it is a significant date:** (same for 08 08 08 and 07 07 07/Lou Engle who was mentioned earlier in this letter)

(if you add 11 +11 +11 = you get the number 33...)

**These are titles I found when I Googled "11 11 11 significance" – about 25,270,000,000 results came up!**

-- He has used names such as Mukteshwar, Sri **Kalki Bhagavan**, and **Sri Bhagavan at different times**.

**Kalki is the name of the tenth incarnation of Vishnu** when Vishnu will appear on a white horse, wielding a sword, as destroyer of the wicked.<sup>[3]</sup>

He and his wife "Amma" Padmavati (born 1954)<sup>[4]</sup> claim to be divine beings, or **avatars**.

Yet one with great power, he lives a life of a sage at Mount Kailash.<sup>[2]</sup> In the **Shaiva** tradition of Hinduism, **Shiva is seen as the Supreme God and has five important works: creator, preserver, destroyer, concealer, and revealer (to bless)**. **Avatar - the concept of Avaatar in Hinduism (manifest God)...** does it hold good?

From times immemorial it has been a **standard practice in Hinduism** to accept the existence of Avatar. But who is an Avatar... is Avatar

manifest God himself or a human being who assumes significant spiritual powers that the humanity starts considering one an Avatar. In the present Kali Yuga everyone is awaiting with abated breath the advent of the Avatar of the era... the coming of Bhagwan Kalki. It is considered that in the present metal age Bhagavan Kalki... the Avatar of the era shall deliver the mankind from the ills existing in the society.

---

Who shall be this Avatar? Shall this Avatar descend from the heaven as is expected by many or shall he be a normal human being with supernatural powers? Lord Krishna was an Avatar and so is Bhagwan Kalki expected to be an Avatar.

**Do not think it was a "coincidence" that a movie was released in the cinemas in December 2009 called "Avatar" - it was "strategic"!!!**

**It was very interesting to find out, during one of my newsletter in 2010, that within the Apostolic Network (NAR / ICA), an "awakening" has broken out for the establishment of an apostolic and prophetic government/reign that will rule over the Christian faith from in 2012... FRIENDS, THIS IS NOT A COINCIDENCE!**

**The dangers of 'Int'l House of Prayer' and the Prophetic Movement! a note from one of my friends regarding the IHOP end of charismania:**

Click here to read the entire article: >>

In the meantime, an alleged awakening has broken out at the International House of Prayer world headquarters in Kansas City, Missouri. This awakening is said to be the fulfillment of a prophecy by Bob Jones leading up to the official establishment of an apostolic and prophetic government that is to rule over the Christian faith starting in 2012. The prophecy given by Jones is believed by these men to bring us one step closer to fulfilling the arrival of the Manifest Kingdom of God. Sadly, this movement is led by the same dogs trying new tricks. In the 1980's Joyner, Jones, Cain, Bickle, and John Paul Jackson all dubbed themselves as the Kansas City prophets proclaiming that they were going to establish a prophetic ministry in every city and that all churches should be united under the prophetic ministry base in their respective cities.

---

While all of these are indeed very bizarre details, the root of the problem is the continuous denigration of the Word of God. After many years of unsuccessfully trying to justify their movement in accordance with the Word of God, the movement has now deemphasized the importance of the Word of God. They have gone as far as to accuse people who spend too much time in the Word as worshipping the Bible more than they worship the Holy Spirit. While the Holy Spirit is indeed a very important aspect of Christian doctrine, from its earliest catechisms in the first and second centuries A.D. to the present, the church has consistently proclaimed that the role of the Holy Spirit is never to exalt himself but rather to bring us to the light of all truth which is found in the living Word of God, Christ Jesus himself.

In order to offer evidence of the bizarre details I have given in this note, attached are two videos. In one video, Bob Jones prophesies a new “sword of the Spirit” is coming which will bring a paradigm shift to Christianity like none before. Deductively, because the only thing in the Bible referred to as the “sword of the Spirit” is the scripture itself- Bob Jones can only be prophesying that a new foundation is coming that will replace the Word of God. After years of researching the movement, this makes perfect sense as the movement has frequently taught that what people need to really enhance their walk with Christ is new and fresh revelation. Rather than seeking after new revelation, what the body of Christ desperately needs is to become more familiar with the revelation already given in the Word

7 MOUNTAINS!

**of God- the Bible.** The second video is of an episode of extreme prophetic with Patricia King, Bob Jones, and Todd Bentley. In this video they talk about visiting the third heaven. Bob Jones claims to go up to the third heaven everyday.

**is is what C. Peter Wagner says in an interview from 2000:** Click here to read the entire article: >>

CPW: *I have the advantage of being a horizontal apostle, and a horizontal apostle is one who can bring together vertical apostles, whereas it is very difficult for vertical apostles to call other vertical apostles together (note: vertical apostles are leaders of apostolic networks, whereas horizontal apostles are graced by God to give apostolic leadership and direction to certain spheres of the body of Christ as a whole). But if apostles don't first have relationships with each other, it's going to be very difficult to communicate broadly about relationships with prophets.*

---  
CPW: *I think one of the hindrances to God's sending the revival we've been praying for has been that the government of the church has not been properly in place. And now that the government of the church is coming into place, we're already seeing God trusting the body of Christ with things we were totally unaware of previous to this. Once the government comes into place, then God can do what He wants with the body of Christ, and one of the things most of us agree on is that He wants to send the great outpouring of the Holy Spirit that we would call the worldwide revival. So my commitment for the rest of my career is to use the gifts God has given me to help the development of the worldwide New Apostolic Reformation. And this (linking of apostles and prophets) is an essential part!*

**Or rather; THEY – the apostles and prophets – can do as THEY want with the body of Christ...!!!**

**AND NOW WITH "THE SEVEN MOUNTAINS" WE CAN SEE THAT THEY REALLY ARE SERIOUS!  
THEY HAVE THROUGH THEIR "PROPHETS & APOSTLES" IN DIFFERENT COUNTRIES GIVEN THE "MANDATE" TO TAKE  
THE SEVEN MOUNTAINS AT 2012...**

**The word "awakening" comes from "New Spirituality"...**  
**ONE CAN WONDER WHY THEY USE THE SAME WORDS WITHIN CHRISTIANITY...?**  
**WELL, IT IS AT LEAST NO COINCIDENCE!**

**DEAR FRIENDS – STAY ALERT AND AWAKE... BUT DON'T BE PART OF THIS "AWAKENING"!**

On September 27, Charisma Media sent an e-mail advertising about a coming movie...  
**"Courageous – Honor Begins at Home"...**

When I read about the movie and saw the trailer... can be seen here: <http://www.courageousthemovie.com/>...  
...I realized that this is part of "their" 7 Mountain Strategy... this movie is about the "Family Mountain" and of course falls also into the "Media Mountain"...

A copy of the original e-mail can be seen second at the bottom.

The movie is basically about the men in the city making a "Resolution" – a decision to become the spiritual leaders of the family to change society...

If I had not read so much about these Transformation/Change Agents which they attempt to implement through the 7 Mountains.... I would probably have embraced this movie in a positive way...

**But NOW when I know that one of the Mountains is "Family"... and when I know that Charisma Media promoted Os Hillman's book "Change Agent" it becomes more serious and at least I can see the connection...**

They're working at full speed – those who wants to get this change!

I NO LONGER DOUBT THAT CHARISMA MEDIA IS A BIG PART OF THIS AND ARE HELPING WITH COMMUNICATING AND ADVERTISING BOOKS, MOVIES AND VARIOUS CONFERENCES OR MESSAGES THAT NEEDS TO BE SPREAD TO ACHIEVE THEIR VISIONS TO TAKE THE 7 MOUNTAINS... CLEARLY; THEY ARE FULLY INVOLVED IN SPREADING EVERYTHING FOR THE DOMINION DOCTRINE!

**I PERCEIVE IT AS IF THEY ARE SENDING "WAVE AFTER WAVE" TO BRAINWASH AND FORCE THIS "CHANGE/ TRANSFORMATION" ON ALL THE 7 MOUNTAINS...**

Wonder what's next from Charisma Media... something about another mountain, perhaps?

Below is the text to "The Resolution": [http://www.dayspring.com/courageous\\_the\\_resolution\\_15\\_x\\_18\\_framed\\_print/?F\\_All=Y#tabDetails](http://www.dayspring.com/courageous_the_resolution_15_x_18_framed_print/?F_All=Y#tabDetails)

**THE RESOLUTION** is a bold declaration of commitments that men are making to be faithful to God as the spiritual leader of their home.

As read in the movie, this powerful message is beautifully framed and ready to be placed in any home or office.

**Message:**

**THE RESOLUTION**

*I do solemnly resolve before God to take full responsibility for myself, my wife, and my children. I WILL love them, protect them, serve them, and teach them the Word of God as the spiritual leader of my home. I WILL be faithful to my wife, to love and honor her, and be willing to lay down my life for her as Jesus Christ did for me. I WILL bless my children and teach them to love God with all of their hearts, all of their minds, and all of their strength. I WILL train them to honor authority and live responsibly. I WILL confront evil, pursue justice, and love mercy. I WILL pray for others and treat them with kindness, respect, and compassion. I WILL work diligently to provide for the needs of my family. I WILL forgive those who have wronged me and reconcile with those I have wronged. I WILL learn from my mistakes, repent of my sins, and walk with integrity as a man answerable to God. I WILL seek to honor God, be faithful to His church, obey His Word, and do His will. I WILL courageously work with the strength God provides to fulfill this resolution for the rest of my life and for His glory.*

*As for me and my house, we will serve the Lord. ---Joshua 24:15*

To read about Ministry21 Network above is very interesting!

In April 2010 I wrote a newsletter called "**Empowered 21**" – [see attached PDF #4](#) for a copy of the newsletter.

Shortly after the conference was over, an e-mail was sent out from Steve Strang about Ministry 21 Network... which was also called in the letter "M21"...

I immediately saw the connection and started on a newsletter, which unfortunately never got completed due to other, just as important, news... such as Todd Bentley, TIKVA (=“Christian Yoga”-kind of exercises within the churches) and warning about coming conferences in Sweden had to be prioritized!

I was not so stupid that I didn't realize that after such a great conference: "Empowered 21" – being held at Oral Roberts University in Tulsa, Oklahoma – “they” had a **tremendous opportunity to form a network** with the participants and others around the world...

The title I had for the newsletter (which never got sent): ***"From Empowered 21...to...Ministry 21 Network?"***

I won't go deeper into it, but here is website to **Ministry 21 Network**: <http://ministry21network.com/>

From the video on the right hand side with *Steve Strang, founder of Ministry21 Network*:

***"It's a relational Network for leaders in the spirit-filled community to come together for accountability, for mentoring, for learning, for ideas."***

## MINISTRY21 NETWORK IS IN LIGHTS

Jul 18 2011

Well, Ministry21 Network is in lights at night if you drive down Rinehart Road, past our Charisma Media headquarters in Lake Mary, Fla.

Even though we have more than 15 brands, we could only pick two for the sign. I felt Ministry21 would represent the ministry aspect to our organization. (By the way, Casa Creacion is our Spanish group and the wellness center is a tenant.)

This picture is copied from above link...

Here you can clearly see that **Ministry21 Network is a trademark under Charisma Media** – former Strang Communications...

<http://charismamag.com/index.php/the-strang-report/30112-why-we-are-rebranding-strang-communications-as-charisma-media>

### ***Strang Communications Rebrands Itself as Charisma Media***

So now, **Dr. Mark Rutland/Oral Roberts University** has teamed up with **Ministry21 Network** to launch the **National Institute of Christian Leadership ...**

**... to help you take your ministry to “the next level” – FOR TRANSFORMATION!!!**

**ISN'T THAT INTERESTING!**

**ESPECIALLY WHEN WE HAVE READ ABOUT A LOT OF TRANSFORMATION AND 7 MOUNTAINS STRATEGIES...**

**To avoid being "duped" due to the reason that they are using "new terms" – [READ THIS IMPORTANT ARTICLE](#):**

<http://herescope.blogspot.com/2011/10/renaming-dominion.html> - ***Renaming Dominion - The Semantic Deceptions of Change Agency***

***"It is better that we avoid the word dominion in our culture today due to the connotations that comes with this word of control and manipulation of others."***

***—Os Hillman, Change Agent <sup>[1]</sup>***

***"Kingdom solutions sometimes need stealth solutions so that the secular world can accept them."***

***—Os Hillman, Change Agent <sup>[2]</sup>***

---  
The video, which can be accessed **[HERE](#)**, **←** shows a conversation facilitated by Os Hillman, who set up the “Reclaiming The Seven Mountain” website and who initiated the Seven Mountain Mandate a few years ago as a strategic maneuver of the **[New Apostolic Reformation](#)**. In

the video Hillman is discussing **the problems inherent with the term "dominion"** with **two of his key change agents: Lance Wallnau and Johnny Enlow**. All three of these men have been **deep into Dominionism**, and their rhetoric and theology have been extreme. In fact, so much so that in the process of trying to deny dominion on this video, they are actually admitting it!

---  
...[M]aking more conversions will not necessarily change culture. It is important to have conversions, but it is more important to have those who are converted operate at the top of the cultural mountains from a biblical worldview.... The more godly the change agent at the top [of the mountain], the more righteous the culture will be. **It doesn't matter if the majority of the culture is made up of Christians. It only matters who has the greatest influence over that cultural mountain.**<sup>[10]</sup> [emphasis in original] **KJ = "POWER!!!"**

---  
Hillman states that Jesus will "come back for a mature bride in order to reclaim the earth" and that do accomplish this "God needs His change agents" to "start this reclamation process."<sup>[25]</sup>

---  
**This all about changing external behavior, attitudes, beliefs, opinions and values – i.e., worldview – not about changing the heart.**

## And to remind you about their real goals:

<http://herescope.blogspot.com/2011/08/c-peter-wagner-spins-nar.html> - C. Peter Wagner Spins the NAR

Technically, the NAR may not be an organization, but it is a network. And as such, **this network has, by stealth and cunning, superimposed itself on top of nearly every existing denominational structure in the country.** This aggressive networking has set up entirely new avenues of authority and accountability, until existing structures and theologies have been compromised and eroded, or completely taken over by the NAR and/or one of its related networks. **And through its Dominionist goals, the NAR hopes that its network can superimpose itself over existing community, cultural and governmental structures across the land, which is referred to as the Seven Mountains.**

IT IS WORTH READING THE ENTIRE ARTICLE!

<http://herescope.blogspot.com/2011/11/dominion-entering-into-new-season.html> - **Dominion "Entering into a New Season"**  
**Set to Rule Over the Environment & Weather**

"...After the whole Gospel of the Kingdom is presented to the nations, the next matter that will confront the nations, is whether or not they will accept the message. The time must come about that they will be either (almost) forced to do so or if they will not do so, **they will have to be moved out of the way by force.**" --Franklin Hall, Subdue the Earth, Rule the Nations<sup>[1]</sup>

---  
Landry predicts that with all of the "weather extremes" that are coming, that the church must learn to "take dominion over the atmosphere." He says that "we need to rise up and learn to pray and prophesy to the wind and the weather – **to take dominion and authority over our own circumstances!**"

---  
The new shift in focus is on the environment, which is a particularly convenient "crisis" in the wake of many environmental disasters this year. One critic observed:

Shortly after C. Peter Wagner explained the benefits of Dominionism for society during the Generals International (= Cindy Jacobs organization) "Reformation Day" webcast, Cindy Jacobs took her own stab at re-framing the term, claiming that Dominionism only means that Christians are to take care of the Earth and thus even environmentalists would be considered Dominionists:  
[View Video]<sup>[13]</sup>

These "rule and subdue" ideals for "influencing" or "impacting" the planet, its environment,<sup>[14]</sup> its seven cultural mountains/spheres, its nations and its people remain the main objectives of Dominionists.

<http://herescope.blogspot.com/2011/09/who-invented-dominionism.html> - **Who Invented Dominionism?**

**Dominion has to do with control.** Dominion has to do with rulership. Dominion has to do with authority and subduing and it relates to society. In other words, what the values are in Heaven need to be made manifest here on earth.

**Dominion means being the head and not the tail.** Dominion means **ruling as kings**. It says in Revelation Chapter 1:6 that He has made us kings and priests - and check the rest of that verse; it says for dominion. **So we are kings for dominion.**

- C. Peter Wagner<sup>[1]</sup>

Endnotes:

<http://www.youtube.com/watch?v=ecszOPc95s8> - "Apostle" C. Peter Wagner Of The NAR Teaches "The Dominion Mandate"  
**WORTH WATCHING!**

**I DO NOT KNOW WHICH BIBLE PETER WAGNER IS USING, BUT HERE IT CLEARLY SHOWS THAT THE "DOMINION" IN REVELATION 1:6 BELONGS TO GOD ALONE!**

*"And hath made us kings and priests unto God and his Father;  
to him be glory and dominion for ever and ever. Amen." (King James Version)*

INTERESTING TO FIND OUT THAT OTHER BIBEL VERSIONS HAS ALTERED AND CHANGED THE MEANING IN THIS VERSE:

*"and has made us to be a kingdom and priests to serve his God and Father—  
to him be glory and power for ever and ever! Amen." (NIV)*

*".., Who made us a Kingdom, Priests for his Father, forever—  
and yes, he's on his way! (The Message)*

*He made us to be a kingdom of priests who serve God his Father.  
To Jesus Christ be glory and power forever and ever! Amen. (NCV)*

**"DOMINION" HAS BEEN REMOVED FROM ALL THREE VERSES ABOVE!!!  
AND AS YOU CAN SEE IN KJV IT SAYS "MADE US KINGS AND PRIESTS", WHERE THE OTHER BIBLE VERSIONS SAYS  
"MADE US TO BE A KINGDOM/ MADE US A KINGDOM"...**

**THE SAME IS THE CASE FOR 1 PETER 5:11:**

*To him be glory and dominion for ever and ever. Amen (KJV)  
To Him be the glory and the dominion forever and ever. Amen. (NKJV)  
To him be the power for ever and ever. Amen. (NIV)  
He gets the last word; yes, he does. (The Message)  
All power is his forever and ever. Amen. (NCV)*

**HERE "GLORY AND DOMINION" HAS BEEN REPLACED WITH "POWER" AND "LAST WORD" ... SAD, ISN'T IT!?**

**I'LL LET THE READER CONCLUDE WHICH BIBLE C. PETER WAGNER IS DERIVING HIS DOCTRINES FROM...  
IT IS FOR SURE THAT THIS BIBLE VESRE (AMONG OTHERS) IS BEING USED TO "ENFORCE" DOMINIONSIM  
DOCTRINES...**

November 18, 2011, Caryl Matrisciana sent out a newsletter... where there were a very interesting article:  
**"WHAT IS MISSIONAL CHURCH?"**

[http://www.carylmatrisciana.com/site/index.php?option=com\\_content&view=article&id=291:qaa-what-is-missional-church&catid=71:wide-is-the-gate-volume-2&Itemid=122](http://www.carylmatrisciana.com/site/index.php?option=com_content&view=article&id=291:qaa-what-is-missional-church&catid=71:wide-is-the-gate-volume-2&Itemid=122)

*MISSIONAL is one of those new buzzwords that was coined by the Fuller Theological Seminary teachers.  
It has to do with the Social Gospel, although its leaders will deny that.*

*= C. Peter Wagner and others! Wagner served for thirty years (1971 to 2001) as Professor of Church Growth  
at the Fuller Theological Seminary: [http://en.wikipedia.org/wiki/C.\\_Peter\\_Wagner](http://en.wikipedia.org/wiki/C._Peter_Wagner)*

*---  
In a nutshell, the new Social Gospel is the belief that the surrounding COMMUNITY is part of the CHURCH, and that the  
church is supposed to be in charge of that community -- either through influence, political action, social action, community  
service, acts of charity, serving on boards and commissions, and receiving government faith-based monies for community  
development projects. This has very little to do with the Gospel of Salvation, but instead seeks to change institutions, and  
change lives via psycho-social processes, changing worldviews, and changing economic structures.*

In the newsletter were also a link to a very good **radiointerview** where Caryl mentions about the "Social Gospel":

**RECENT: NOV 18 - Caryl discussed Wide is the Gate Vol 1 including the dangers of the  
NAR (New Apostolic Reformation) movement. [LISTEN HERE.](#) **

She mentioned about **contemplative prayer** which is "Eastern mysticism disguised with Christian words" and said:  
*"Scripture says in Jeremiah 17:9; 'the heart is deceitful above all things, and desperately wicked',  
....so why go within myself to **hear the voice of a liar** when the Word of God tells me to go to  
Jesus Christ who says; 'I am the Way, I am the Truth and I am the Life.'"*

In this video, Sandy Simpson explains that "Missional" is almost used as replacement for "Emergent Church"....

<http://www.lighthouse trailsresearch.com/blog/?p=4681>

From the Lighthouse Blog: *Dialectic Deception: Do you know where they are taking you?*

Remember the missionary Evy Juneswed's explanation of "Emergent Church":

## BE ON YOUR GUARD!

A clear-sighted comment from my sister in Christ, Majlis, after all her help with translation and proofreading of my Swedish Newsletter:

*"Now it struck me what a little God they believe in; He seems to have no power at all in terms of their reasoning.*

***It is He who fights for us, it is He that can change and transform people.***

*And then I thought; it is obvious they put the emphasis on business, since that is equal to money! Ugh, what junk."*

I return to what the Word of God says in Revelation 17 to see "the connection" with the "7 Mountains"...

Verse 9 & 10:

*"And here is the mind which hath wisdom.*

*The seven heads are **seven mountains**, on which the woman sitteth." (KJV)*

***And there are seven kings:** five are fallen, and one is, and the other is not yet come;  
and when he cometh, he must continue a short space.*

What also caught my attention is in verse 12:

*And the ten horns which thou sawest are **ten kings, which have received no kingdom as yet;**  
but receive power as kings one hour with the beast. (KJV)*

It would not surprise me if these "apostles" who are trying to gain power through "dominion" are the kings (7 or 10) of whom we can read above... **It is obvious that they aim after a kingdom and strive to reclaim the 7 Mountains** (although in order to get Christ to return!), they derive strategies from the world and they convey a different gospel – a heresy that seduces multitudes of naïve/gullible Christians... In C. Peter Wagner's newsletter, mentioned above: <http://www.erwm.com/ApostolicLetter.htm> - he writes about **"seven boxes representing seven different units" - which has now become 9 boxes...** there is now only missing one box to become 10... it could be NARians in different nations... Well, it was just something that struck me when I read his newsletter and everything else I've been read from these Dominion articles... I may very well be wrong – but it may also be worth keeping an eye on – at least they do want to have power! **Time will tell!**

***If we think about this rationally and biblically, the ultimate end-time harlot church is actually going to be in charge of the world's economic system, and this is precisely where this 7 mountains agenda is headed. The 7 mountains are the "spheres" of various aspects of CULTURE/SOCIETY that the church thinks it needs to be overseeing, in charge of, governing and ruling, and influencing.*** From the article: "Q&A: WHAT IS MISSIONAL CHURCH?"

**ONCE AGAIN; BE ON YOUR GUARD – DON'T BE DUPED AND SEDUCED/MISLED! BE FIXED ON THE WORD OF GOD!**

Here is a very interesting Bible Verse – **Proverbs 24:21:**

***"My son, fear thou the LORD and the king: and meddle not with them that are given to change: "*** KJV

Do you see that the NIV has changed the end so it becomes **a totally different meaning...**

*"Fear the LORD and the king, my son, and do not join with rebellious officials,"* NIV

The same has happened with The Message:

*"Fear God, dear child—respect your leaders; don't be defiant or mutinous."* The Message

**I think the meaning in KJV speaks CLEARLY about Change Agents and Transformations-promoters!**

I can't help but enclose a translation of a poem I was inspired to write in the beginning of this month...

With new trends from successful leaders in USA  
it will enrich Christianity in Sweden – at least that's what they say...

With methods, strategies and Church planting for Church growth,  
everything must change, for young and old; thoughts to be transformed for both...

Bill Hybels Sunday School curriculum and Rick Warren's Purpose Driven ideas about globalism,  
Peter Wagner with his Word of Faith preachers, "Apostles and Prophets" and their NARism...

With all this comes "Dominion", "Transformation" and "7 Mountains" theories,  
but these are NOT deriving from the Bible – it is only human philosophies!

It has also crept; "New Spirituality" such as Yoga, Contemplative Prayer and Mysticism  
and not to forget to mention all the Evangelical leader's approach to Catholicism!

The latest trend is now the church being called; "Emergent" ...  
Heresies that must be warned about – I really see it as "urgent"!

A Church without walls where you decide what is right and wrong – you set the goal  
with a different gospel where Jesus Christ doesn't have to save your soul...

Since they believe that all at last makes it to Heaven, as children dear;  
there's no mentioning of sin, nor of God's commandments do you hear.

Many, who follow these methods, end up on a path of their own  
and cause those who are warning to leave the Church and be alone

With a sorrowful heart I ask; "*What has happened to Christianity and our land?*"  
*"Have we caused the wrath of God that He has turned away and lifted His Hand?"*

Turn away from all human trends and methods – they will mislead you totally...  
Away from God's Word, His Truth and cause you to approach Him improperly

Still today there is time – for each and every one – to find Grace!  
There is One who can help – only One IS the Savior; who died in your place!

Everyone who humbly call upon the Name of Jesus Christ from the heart  
and who repent; will receive Forgiveness and Comfort by God for a brand new start!

I find no joy in writing about these Marketplace Change Agents and 7 Mountains strategies and to "name names"...  
It makes me rather sorrowful – but I have a burden and I feel that there is a need to warn about this!

I do not have anything "personal" against any of those I have mentioned by name!  
They have probably many times good sermons and take a stand for much that is good and Biblical, but it is **what they ALSO affirm/consent to** and "introduces" or "allow to be introduced" within Christianity that is so dangerous...  
They permit the Gospel of Christ to be changed!

After all the information above about how the 7 Mountains is organized and who/what is behind it – where it comes from... **is it so strange then that I am burdened and want to warn about this?** Little did I know August 12 when I started this newsletter in Swedish that this (the 7 Mountains) had already come to Skara... Should I not warn of what is happening in my own hometown? Just because I know these people? If I did not love them and Christianity I would just ignore this and think "As long as I am right with God and won't get dragged into/involved in it myself..." Should I be silent? I CAN NOT!

What is most sorrowful – are those who has received warnings and still don't try to find out HOW things are... They really ought to find out for themselves and in that case find Bible verses to prove and defend the opposite... **WHAT HAPPENED TO THE LOVE FOR THE TRUTH??**

Much of what has been written in this newsletter is **"Inconvenient Truth"**... which has revealed heresies and HOW it is... I realize that not ALL will appreciate this "truth"... especially those who are deeply invloved with NAR...

***Truth is hate to those who hate the truth!***

And it is first and foremost about wanting to **abide by Biblical Truth!**

The "Inconvenient Truth" presented in this newsletter has mostly been excerpts/links from other writers or from NARians and NAR-promoters themselves – I have mostly put it together in one place... **I pray, believe and hope that someone gets help by all this information and gets the strength to withdraw from this and the courage to warn others!**

I find my joy in the Lord and His Righteousness and Truth = The Bible!

*(Charity/Love) "Rejoiceth not in iniquity, but rejoiceth in the truth."*

1 Corinthians 13:6 KJV

Let us cry unto the Lord for all these "Christian leaders" mentioned in this newsletter, who has been misled into believing that we can build the Kingdom of God on human strategies – who has been blinded to depart from the Biblical Gospel. **LET US PRAY FOR THEM!**

We have been warned:

*"Take heed therefore unto yourselves, and to all the flock, over the which the Holy Ghost hath made you overseers, to feed the church of God, which he hath purchased with his own blood. For I know this, that after my departing shall grievous wolves enter in among you, not sparing the flock. **Also of your own selves shall men arise, speaking perverse things, to draw away disciples after them.** Acts 20:28-30 KJV*

**It's not a "coincidence" that the 7 Mountains came to Skara, Sweden...** the formation of the Prayer Network... New Wine's investments in building a network in Sweden in 2009,

**([Karin J News – New Wine Bill Johnson – April 2011 >>](#) – From September 2008 to September 2009, New Wine International chose to significantly invest in New Wine Sweden, with the aim of building up the Swedish Network. --- We have seen several churches becoming resource centres, now sending out teams to other churches to run New Wine weekends and training days.)**

Bill Johnson's visit to Sweden in 2009 & 2011, Christian leaders from Skara attending conferences at Rick Joyner's church in the U.S. and doing Bible studies from Word of Faith Promoters...

**This is the "fruit" of "networking" and participation in heresies... and many years of hard efforts by NAR Agents! If you are invloved in any way with NARians strategies and/or any prayer movement that is striving to take the 7 Mountains for their cities and nations – I appeal to you to repent and withdraw form it all!!**

If you hear of any similar prayer movement or conferences in your area – if you or your church is involved in the "7 Mountains" strategies or other movements that may derive from NAR / C. Peter Wagner with Apostles & Prophets, AND Rick Warren – withdraw from it and stay far away! It is for your very best...

Do not allow yourself to be misled and end up on the wrong path that can be very hard to get out of...

Christian leaders, brothers and sisters in Christ may be "godly people" who truly love the Lord, but they can be equally

deceived themselves... This is "man's way" – not "God's Way"!

Christian leaders and brothers and sisters in the Lord can make us disappointed – BUT remember; **the Lord Jesus Christ never fails!**

The NAR-doctrine tells us to take/reclaim the "Seven Mountains", but what does God's Word say about the seven mountains? Revelation 17:9b: *"The seven heads are seven mountains, on which the woman sitteth."*

And in Revelation 18:4: *"And I heard another voice from heaven, saying, **Come out of her**, my people, that ye be not partakers of her sins, and that ye receive not of her plagues."*

**We are not to participate in the harlot's fornication, but to come out of her. Do not take part in heresies!**

Much more could have been written about all this, even in more details, but I'm sure we all agree that this is enough! Yes, this is how I see it – it is written from my point of view – based upon how I understand the Bible...

I conclude by "borrowing words" from the writer of the article "**C. Peter Wagner Spins the Nar**" as mentioned above: (<http://herescope.blogspot.com/2011/08/c-peter-wagner-spins-nar.html>)

*I am continually grieved over C. Peter Wagner and his self-proclaimed Apostles and Prophets, and those names who is found on the folder for the "Day of Prayer" in Skara – what they have written and what they have said, how they have changed the landscape of Christianity with their marketing tools, warfare rituals, networks and leaders. When and how did they fall prey to a doctrine that teaches that Jesus did not defeat Satan at the cross? When were they beguiled through subtilty so that their minds became corrupted from the simplicity that is in Christ? (2 Cor. 11:3) When did they leave the humble simple Gospel of Jesus Christ and His grace? How is it that anyone could believe that it is a good thing for a church to sit upon seven mountains?! (Rev. 17:9) I urge every reader to pray for them all – in USA and in Sweden! And with all sincerity and earnestness I plead with them to repent and turn again to the truth of the Gospel.*

***"Open rebuke is better than secret love."* KJV**

LET US CONTINUE TO PRAY FOR THE CHRISTIANS IN USA AND IN SWEDEN!

Jesus Christ is coming soon – let us abide in Him and be ready so that nothing stands in the way!

For Truth,

*Karin Jansson*

<http://www.deceptioninthechurch.com/word-faith2.html> - **Roots of the Word of Faith/Positive Confession Movement**

Much of Kenyon's theories are practiced, and his writings plagiarized by the word of faith/positive confession promulgators.

The positive confession movement, also known as the "faith movement," profess characteristics in their teachings that resemble either identical, or modifications of the foundational doctrines of E.W. Kenyon. The five major doctrines prominent are: faith in faith; guaranteed health; wealth/prosperity; spiritual death of Christ; and the view that Christians are little gods. **These doctrines all originated with Kenyon.** [Michael G. Moriarty, *The New Charismatics* (Zondervan Publishing House, Grand Rapids, Michigan), p. 80.].

As any one of these doctrines can be analyzed at length, **the "spiritual death" of Jesus is the one I will deal with - the most erroneous doctrine of them all.** (KJ = The JDS-teching = Jesus Died Spiritually)

# COURAGEOUS

HONOR BEGINS AT HOME

**Courageous in Theaters September 30**

Four men, one calling. To serve and protect. As law enforcement officers, they are confident and focused, standing up to the worst the streets have to offer. Yet at the end of the day, they face a challenge that none of them are truly prepared to tackle: fatherhood.

When tragedy strikes home, these men are left wrestling with their hopes, their fears, their faith, and their fathering. Can a newfound urgency help these dads draw closer to God... and to their children? Protecting the streets is second nature. Raising their children in a God-honoring way? That's courageous.
