## The Marketplace Movement... 7 Mountains... Ellel Ministries = NAR

Dear friends in Christ Jesus,

In the end of February I ran across **Ellel Minsitries**...

I remember from 2005/2006 when my pastor at the time went to Scotland/England on retreat with Ellel – I remember I searched a little bit about it online and I felt some "alarm" over this. BUT this was BEFORE "Lakeland Revival 2008 with Todd Bentley", and at that time I did not know about the Word of Faith Movement and all heresies in the same way as I do today.

I have not thought much about this "ministry" since then, but it came up in a conversation with a sister in the Lord in the end of February and I was again reminded... so I searched again... And what I found was really interesting! Of course, we have Ellel Ministries in Sweden – just like we do the NAR strategies called "7 Mountains"...

Bear with my SwEnglish!

So here is **Ellel Minsitries**:

The Swedish website: <http://www.ellel.dinstudio.se/> - **Ellel Ministries Sweden** under "our vision" says:

*Ellel Ministries är en icke samfunds-bunden kristen organisation, med visionen att utrusta Guds församling genom att ta emot människor, undervisa dem om Guds Rike, och hela dem som söker hjälp.*

**Ellel Ministries is a non-denominational Christian organization, with the vision to equip the church of God by welcoming people, teaching them about the Kingdom of God, and heal all those who seek help.**

Similar on the US website: <http://www.ellelministries.org/usa>

*Ellel Ministries is a non-denominational Christian mission organization with a vision to welcome people, teach them about the Kingdom of God and heal those in need.*

*Ellel Ministries föddes fram på Guds kallelse till en grupp kristna i nordvästra England, med bokförläggare*

**Peter Horrobin i spetsen.** Efter år av bön och förberedelser köpte man 1986 gården **Ellel Grange**, och inbjöd till

bibelundervisning och helanderetreater. **Gården fick alltså ge namn åt organisationen** som växte fram, och som under de drygt tjugo åren den existerat spritt sig till nära tjugotal länder.

Förutom på ett antal platser i alla världsdelar, ges Ellels gudsrikesundervisning också via nätet, i "bibelskolan utan väggar", "EM365". Du kan prova den utan kostnad i sju dagar!

Ellel Ministries was birthed forth by God's call to a group of Christians in Northwest of England, with book publisher **Peter Horrobin** at the top. After years of prayer and preparations they bought Ellel Grange in 1986, and invited to Bible teaching and healing retreats. **The grange was thus giving its name to the organization** that was developing, and which has during the twenty years of its existence spread to nearly twenty countries.

In addition to a number of places in all parts of the world, Ellel's teaching about the kingdom of God is also available online, in the "Bible School without walls", "EM365 ". You can try it for free for seven days!

**After writing lengthy newsletter about 7 Mountains with its "Transformation/Change-message", I am perhaps a little extra "sensitive" for this kind of message, as those above... but it sure is similar message that they use!**

Scroll down a little on either of Ellel 365 websites (<http://live.em365.org/sweden> Or <http://live.em365.org/> ) and you will see this:

**Listen** as Ellel Ministries Founder Peter Horrobin explains Ellel 365

This is an encouraging must-see video if you're considering Ellel 365 for yourself!!

We'll go to the column in the middle and check out the "influential leaders"! Here we see Christian "celebrities" with their "endorsements"...

<http://shop.ellelministries.org/sarah-579.html> - Sarah Author: Sarah Shaw

*"So many people around the world have been abused, and often their pain is muffled by secrecy. Thankfully the woman who wrote this book has decided to expose her pain to the light of Jesus Christ. By doing so she has found total healing – and I believe her decision to share her painful secret with the world will help many other abused people find complete emotional recovery."*

Thursday, March 20, 2008 - Posted by Dwayna Litz at 11:26 AM

I was sent a CD on health and healing from a "pastor's" teaching in Georgia. Not only does he sound like L. Ron Hubbard, he is teaching the same thing! The web site is [www.beinhealth.com](http://www.beinhealth.com). This man, Henry Wright, is way off. I wrote the dear Christian girl who sent me the CD the letter below this morning. I started listening to the CD for research, and there was so much error I had to turn it off to start writing her:

...there is so much false about this man's teaching that I don't even know where to begin. As I listened I realized it was a re-packaging of Scientology as "Christian". Then, sure as the world, this Henry Wright starts talking about "Theta brain waves"!

This is Scientology. I have studied it. This is not Christian. This man, Henry, has another god who is way too small. Occult doctrines use Christian terminology to confuse people...when he said [on the CD] that Satan nailed Jesus to the cross--not the Romans and not the Jews--if you notice HE LEAVES GOD OUT OF IT AS IF GOD HAD NO POWER OVER SATAN.

Please, KNOW that this is cultic, and I pray with all of my heart you will never return to anymore of these services to hear this man's teaching. He says it is not God's will for anyone to be sick. Well, he is teaching the same thing the Christian Scientists are teaching and the Scientologists. The same thing.

---

**This Henry Wright in Christianity would be called a "word faith" teacher.** However, the "word faith" movement is all just mind science repackaged, the same as Scientology and Christian Science. It is heresy and cultic.

---

The most dangerous teachers are those who are claiming to be "Christian" and peddling occult doctrine.

---

Please "be in health" spiritually and steer clear of Henry Wright and the <http://www.beinhealth.com> web site and church in Thomaston, Georgia!

**George Otis**

President, the Sentinel Group, says:

**Ellel 365 is designed to connect wanderers with their roots... Like any good novel or puzzle, Ellel 365 maintains interest through progressive revelation.**

**I WARNED ABOUT GEORGE OTIS IN THE FIRST NEWSLETTER ABOUT "7 Mountains"**

**THERE WE COULD SEE THAT HE COOPERATES WITH C. PETER WAGNER AND HIS "NAR APOSTLES AND PROPHETS".**

**THIS IS THE MAN BEHIND ALL "TRANSFORMATION" DVD's – WHICH SPREADS "SPIRITUAL WARFARE"!**

**Peter Tsukahira**

Director: Or HaCarmel Ministry Centre, Israel, says:

**I like the length and engaging quality of the daily teachings. As I read them, I was drawn into the spiritual journey toward wholeness that is offered.**

<http://www.carmel-assembly.org.il/home.html>

<http://www.carmel-assembly.org.il/about-us.html>

<http://www.carmel-assembly.org.il/The%20Warrior%20Bride%20in%20Israel.htm>

However, to be truly effective as worshipping warriors, and to be able to "run the race with endurance" we have learned that it is essential to continually rest and "re-arm" ourselves in the secret place of **bridal intimacy with Yeshua**. It is in this place, as we gaze upon the beauty of the Lord, that we see with clear vision our Risen Messiah, we hear the joyful sound (Ps. 89:15) of His eternal victory, and we emerge with new strength for the battle (Is. 40:31).

There is a new generation of Israeli believers (Ps. 24:6) coming forth who are longing for and spending time in His presence. Out of this intimacy with Him, many anointed, new praise and worship songs are being released to the musicians and singers in the Hebrew language. More and more congregations are now holding regular weekly and all-night worship watches, and new ministries dedicated to worship and prayer are being established.

**I may have misunderstood...**

**BUT THIS WITH "BRIDAL INTIMACY" IS TYPICAL FOR WORD OF FAITH APOSTLES & PROPHETS - ESPECIALLY BY**

**MIKE BICKLE/IHOP - ONE OF THE SO CALLED "KANSAS CITY PROPHETS"!** [http://en.wikipedia.org/wiki/Mike\\_Bickle\\_\(minister\)](http://en.wikipedia.org/wiki/Mike_Bickle_(minister))

**Sure, it is important with praise and worship before our Lord and Savior, and to spend time being in His presence.**

But "bridal intimacy" with the Lord? Bible Verse thanks! **The Bride of Christ is all saved together - no one individual!**  
<http://herescope.blogspot.com/2008/05/mike-bickles-gigolo-jesus.html>

Using it as the basis for a training guide for the individual "bride of God" is misguided and utterly lacking in support. God in the Old Testament spoke of corporate Israel as a bride. In the New Testament we find concept of the bride is also corporate. Ultimately, in Revelation 12:9 the "bride" clearly identified as the New Jerusalem.

Back to Peter Tsukahira's website – Mt. Carmel Bookstore:

<http://www.genesisone.com/mtcarmel/daviddavis.html> - **books with titles with "Elijah"... gives me warning signs... since it is typical for the Word of Faith Movement and its "Apostolic"...**

[http://www.moriel.org/pfp/discernment/church\\_issues/pseudodidaskaloi.htm](http://www.moriel.org/pfp/discernment/church_issues/pseudodidaskaloi.htm) -

**The Cut & Paste Hermeneutics Of Rick Warren and The Gnostic Interpretation Of The Parables By Brian Maclaren & Peter Tsukahira**

---  
So too what makes a false teacher false is that they are mishandling the Word of God and propagating a false teaching.

Their motives are a related but separate matter entirely. **Yet today we likewise have those like Emergent Church mogul Brian Maclaren teaching to use our imagination in interpreting The Parables, and Peter Tsukahira, (influenced by Korean Yongee Cho) actually doing it!**

---  
While there are far larger Taoist, Buddhist, and Hindu visualization cults in Asia than Cho's Korean church – Westerners are often unduly impressed by the numbers with little focus on the fact that **he teaches Eastern Gnosticism masquerading as Christianity**. We do not know if Yongee Cho is a Christian (that is for God to judge), we do know that **theologically he is a mystical Buddhist in what he teaches and is misleading others**.

We also know that **Peter Tsukahira is on the board of Cho's 'Church Growth International'**.

---  
Now however, Maclarens latest book is designed to reinterpret The Parables, not by Holy Spirit illuminated objective exegetical scholarship, but by imagination. **What Maclaren has wrote about, Peter Tsukahira has actually done.**

**I recommend reading the entire article in the link above!**

**Just a little bit more about Mike Bickle... since I mentioned about him above...**

<http://mywordlikefire.wordpress.com/2011/07/29/mike-bickle-of-ihop-wants-book-about-catholic-mystics-to-be-manual-for-ihop-kc/>

**Mike Bickle of IHOP wants book about Catholic mystics to be "manual for IHOP-KC"**

Much of the literature being sold through the International House of Prayer's online FORERUNNER Bookstore indicates a contemplative influence. One such book being offered is Fire Within, written by Father Thomas Dubay. IHOP founder Mike Bickle states, "I want this book to be the manual for IHOP-KC." [1]

That is high praise indeed from Mike Bickle. The full title of the book is Fire **Within: St. Teresa of Avila, St. John of the Cross, and the Gospel—On Prayer**. Incredibly, **Bickle's "manual" is about Catholic, contemplative mystics!** Also for sale on the website are books by and about St. John of the Cross, Teresa of Avila, and even Madame Guyon.

**That is just "neat" by one of the "top prophets and apostles" to recommend Catholic and Contemplative Mystics! Where is the "spiritual prophetic sharpness" you might wonder?!**

**Jim Graham**

Director of External Ministries,  
Gold Hill Baptist Church, UK, says:

**This discipleship Course is pastoral in content and personal in application. It is designed to engage us where it finds us but not to leave us as we are. It will stimulate the mind; stir the emotions; strengthen the will; and nourish the spirit.**

Graham's Gold Hill Baptist Church:

**Missional:** In all that we are and do, we recognize that it is the task of the Church to partner with God to achieve His purposes. Therefore, in every area of our lives - individually and corporately - we will reach out to others with the love of God, seeking to be the hands, feet and voice of Jesus.

I really hope you are able to join with us on the day – and would be delighted if you could let other local church leaders and their teams as well as others in **missional and Kingdom leadership roles** know about the day. We are keen to make this a day available for those in **leadership in God's Kingdom** – whether they are pastors, evangelists, teachers, **prophets or apostles** or elders or deacons in local churches or they are managers, leaders or shapers in groups that are seeking to engender and encourage mission.

**Ruth Ruibal**

*President, Julio C. Ruibal Ministries, Colombia, says:*

*Wow... what a course!... All over the globe people are coming to salvation through faith in Jesus Christ; however, too many are left in the first stages of faith without the needed discipleship to help them grow into strong, mature Christians. Ellel has met this challenge by making their teachings available on the internet.*

**= THE WIDOW OF THE PASTOR WHO WAS KILLED IN COLUMBIA – FROM GEORGE OTIS “TRANSFORMATION” DVD’s**

**<http://www.ruibalministries.com/>**

#### **Welcome**

Ruth Ruibal and her husband Julio, a Bolivian evangelist, began a full time ministry in Cali, Colombia in 1978. The story of their work, as well as Julio’s death as a martyr in 1995, is told **in the Transformations video, produced by The Sentinel Group.** Mrs Ruibal has a Masters degree in Public Health from Colombia University and a Doctor of Ministries degree from Florida Beacon College and Seminary. She serves as pastor of the Ekklesia Colombian Christian Center and, with her daughters Sarah and Abigail, as an ambassador to the nations for the “Church of Cali.”

**<http://ruibalministries.wordpress.com/resources/> Here is all DVD’s & Videos about Transformation! Don’t by them!**

**There are more “influential leaders” who is recommending Ellel 365 – for you who want to read – see the link:**

**<http://live.em365.org/commendations> - Commendations / Rekommandationer**

**Just this "little" from their website – with those "influential leaders" gives me, unfortunately, reason to claim that Ellel Ministries is influenced by the Word of Faith Movement and associated with NAR (New Apostolic Reformation) and their "Change Agents" ... and Spiritual Warfare Methods/Strategies...**

**You just don’t have such "influential leaders" to recommend your Ministry if you do not cooperate with them and consider them to be "OK"!**

**Ellel’s international Website:**

**<http://www.ellelministries.org/> - Ellel Ministries International**

**<http://www.ellelministries.org/res/uk/brochures/other/Short%20Guide%20to%20Ellel%20Ministries.pdf> - About Ellel Ministries**

Ellel Ministries is a **non-denominational** Christian mission organization which has the vision to see the Church trained and equipped to bring God’s healing to those in need and to make effective disciples - to bring the heart of God to the heart of man.

## I ALSO WROTE ABOUT NON-DENOMINATIONAL I MY LAST NEWLETTER ABOUT "7 MOUNTAINS":

<http://www.truereformation.net/2012/02/19/karin-j-news-the-marketplace-movement-7-mountains-k-e-y-s-nar/> :

As we read in PDF #3, **C. Peter Wagner** wrote an "update" about NAR on the new website "Global Spheres"... in an "defense attempt"... when considering all the fuss in the media about Sarah Palin... and the 7 Mountains... Here is another excerpt that was also interesting to find out:

**Other names of this movement which are more or less synonymous with NAR have been "Neopentecostal," "Neocharismatic," "Independent," or "Nondenominational."**

---

The reason behind this is that, whereas denominations are legal structures, **the NAR is a relational structure. Everyone is related to, or aligned, with an apostle or apostles.** This alignment is voluntary. There is no legal tie that binds it. In fact, some have dual alignment or multiple alignment. Apostles are not in competition with each other, they are in cahoots. They do not seek the best for themselves, but for those who choose to align with them. If the spotlight comes on them, they will accept it, but they do not seek it.

As I've lived in the U.S. for many years, I have many times wondered about **"Nondenominational"**... I have said and thought that even if they do not belong to a denomination – they must have an "origin"... **FINALLY** I got my answer! They are **"more or less synonymous with the NAR"**! INTERESTING!

## <http://live.em365.org/what-ellel-means> - **What Ellel means**

Ellel Ministries takes its name from its first building in England, Ellel Grange, in the parish of Ellel in Lancashire.

The name Ellel in old English means "All Hail". In Hebrew it means "Towards God", "God of Gods" or "King of Kings and Lord of Lords". **In Chinese it means "Love flowing outwards".** So Ellel could be said to mean "All hail Jesus, King of Kings and Lord of Lords" and be expressed as "Love flowing outwards" into a fallen and broken world.

There is also an equivalent body of people advising the team in Hungary and Eastern Europe and a wider body of international leaders and professionals from around the world who also provide regular advice and support.**

## INTRESSTING THAT GRAHAM DOW WAS IN SWEDEN ON A "OASIS" CONFERENCE IN 2011!!

(The Oasis Movement is a Charismatic Renewal Movement within the Swedish Lutheran Church)

This is a link to a Swedish article in the "Christian" Newspaper called "Världen Idag" = The World Today:

<http://www.varldenidag.se/sommarturne/2011/07/18/Biskop-Dow-Sok-de-andliga-nadegavorna/> - **Biskop Dow: "Seek the spiritual gifts"**

**After the sermon, the bishop made a concrete invitation to anyone who wanted to receive the spiritual gifts. Calmly and methodically, he prayed for one gift at a time and the one who wanted to receive a certain gift got to stand up at the time when the bishop prayed.**

God's Word says that **it is the Spirit who distributes these gifts** – NOT Biskop Dow or any other human being!

1 Corinthians 12: 4-11 (KJV)

4. Now there are diversities of gifts, but the same Spirit.

5 And there are differences of administrations, but the same Lord.

6 And there are diversities of operations, but it is the same God which worketh all in all.

7 But the manifestation of the Spirit is given to every man to profit withal.

8 For to one is given by the Spirit the word of wisdom; to another the word of knowledge by the same Spirit;

9 To another faith by the same Spirit; to another the gifts of healing by the same Spirit;

10 To another the working of miracles; to another prophecy; to another discerning of spirits;

to another divers kinds of tongues; to another the interpretation of tongues:

11 But all these worketh that one and the selfsame Spirit, dividing to every man severally as he will.

11 But one and the same Spirit works all these things, distributing to each one individually as He wills. (NKJV)

**Dynamic Training in:**

**Discipleship, Evangelism, Healing, Deliverance**

On page 11 in above PDF about "NETS":

### WHAT'S ON OFFER?

Pierrepont is a **NON-**

**DENOMINATIONAL** training school.

For this reason, the stages have trainees as well as teachers from a rich variety of church backgrounds, cultures and Christian experience. Corporately they bring together and form a representation of the world-wide Body of Christ that is quite unique.

**SOUNDS "ECUMENICAL"!!!**

The teaching is **GROUNDED IN BIBLICAL TRUTH**.

The written Word is not only taught, but is also **APPLIED** by the trainees in practical ways, resulting in changed lives, and the understanding of relevant keys to bring God's healing into the world today. Emphasis is given to trainees not just to receive healing for themselves, but in training them so that they may be able to go out and minister kingdom principles into the lives of others.

**"go out and minister kingdom principles into the lives of others.." – SURE SOUNDS LIKE "KINGDOM NOW"-THEOLOGY**

I won't comment more from this PDF about "NETS", even though there is a lot to question ...

If you scroll down a bit you can, for instance, read about their "program and Curriculum"...

But there are also GOOD things that they bring up in their "curriculum"... such as they bring up about the New Age (if

you scroll way down!)

**But remember: they themselves are involved in unbiblical doctrines** (including teaching that Christians can be demon possessed) and **NAR strategies** ... and thus they themselves are involved with certain New Age methods ...

### **"How to Minister Freedom"**

**Helping Others Break the Bonds of Sexual Brokenness, Emotional Woundedness, Demonic Oppression and Occult Bondage with **Doris Wagner**, General Editor**

**\$16.99 Book**

*"To use the word 'Cutting Edge' --it begins to sound like a cliché. But, when 18 prophetic voices speak about freedom from Sexual, Emotional, Demonic and Occultic Oppression and Brokenness, it's time to listen . . . This is that Time!" -Steve Shultz*

**Peter Wagner's wife! →**

I want to highlight that **Peter Horrobin has written 3 chapters in this book** of which Doris Wagner – C. Peter Wagner's wife – is the General Editor!

**YOU CAN MINISTER FREEDOM TODAY**

With many Christians living under bondage today, no church should be without this crucial guide for ministering lifelong freedom. From generational bondages to issues of rejection, anger, unforgiveness, sexual sins and evil influences in our lives and homes, the need to minister freedom is great. And the cost of not doing so even greater.

Whether you are a pastor or a counselor or you are seeking freedom for yourself, this book could change your life. A compilation of four essential resources, *How to Minister Freedom* offers the steps to finding freedom from demonic oppression, emotional wounds, sexual bondages and ties to the occult. Well-known experts in the field of deliverance offer a basic understanding of each issue and the means to minister healing. Also included is an appendix on how to conduct a deliverance session.

**Some of the topics covered include:**

- How do demonic forces divert us from God's will?
- What steps bring freedom from issues from rejection?
- How can we mentor the next generation to be free of sexual bondages?
- What role should the local church play in deliverance ministry?

The time has come to minister freedom and to take back the joy Christ wants for each of us.

About "Global Awakening" <http://globalawakening.com/>

<http://globalawakening.com/home/about-global-awakening> - **About Global Awakening**

Based in Mechanicsburg, PA, the Apostolic Network of Global Awakening is a teaching, healing and impartation ministry with a heart for the nations. **Founded in 1994 by Randy Clark** after his involvement with the Toronto Airport Christian Fellowship revival, the ministry exists to fulfill the biblical commissions of Jesus:

As you go preach, saying the Kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out demons. Freely you have received, freely give (Matthew 10:7-8).

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age (Matthew 28:19-20).

**Through the formation of ANGA (the Apostolic Network of Global Awakening), IMT (International Ministry Trips), the Schools of Healing and Impartation and the Global School of Supernatural Ministry, Global Awakening offers training, conferences, humanitarian aid and ministry trips in an effort to raise up a company of men and women who will facilitate revival among the nation's leaders.**

<http://globalawakening.com/network/about-network> - **About The Network**

Global Awakening exists to fulfill the biblical commissions of Jesus. The forming of The Apostolic Network of Global Awakening is intended to help fulfill these same commands of Jesus, and to help Randy be faithful to the call of God on his life. Randy is raising up a company of men and women who will help him respond to the call coming from many leaders in the nations. Some of these will help primarily by financial support, but others will help by ministering with Randy in the nations. These men and women who have received a strong impartation of the Holy Spirit will now help Randy reach 50 nations a year, something he could never do by himself.

Of course they advertise about Randy Clark's book...

*Supernatural Missions – The Impact of the Supernatural on World Missions*

**I don't need to mention that Randy Clark is involved with the Word of Faith Movement and that he is a "NAR Apostel", do I?!**

<http://www.talk2action.org/story/2012/5/7/6228/64684>

Note that in the context of the apostolic and prophetic, it is believed that supernatural manifestations can be passed from person to person through impartation. For example, **Randy Clark is credited with sparking the Toronto Blessing in 1994 by bringing "holy laughter" from a Tulsa revival with Rodney Howard Browne to John Arnott's Toronto Airport Vineyard Ministry.** Arnott's church was later kicked out of the Vineyard network because of the unusual manifestations of the multi-year revival, including rolling in the floor, barking, and roaring.

According to Che Ahn's account given at the Lakeland Outpouring in 2008, **the Revival Alliance had been recently formed by the 12 apostolic network leaders**, who strategized during a retreat at a five-star hotel in Hawaii.

**Sid Roth is in high degree involved with occultism!**

**To be in this show says a lot about Peter Horrobin's "spiritual discernment", doesn't it?!!**

<http://www.cults.co.nz/w.php>

**Peter Horrobin**, writing in Charisma magazine, sums up quite well our need to be careful even if the manifestations are not falsified:

**"Minor miracles" such as gold dust and gold fillings (KJ = In the teeth!) are welcomed as being evidence of a visitation of the glory of God.** Yet anyone who has researched even the basics about occult power knows there are many deceptive things the enemy can do — even healings.

No wonder Jesus warned that in the end times "false christs and false prophets will rise and show great signs and wonders to deceive, if possible, even the elect" (Matt. 24:24). We are living in those days He described.

**Here Peter Horrobin affirms "GOLD DUST" and "GOLD FILLINGS" (in the teeth)!!!**

*How much better is it to get wisdom than gold!*

*and to get understanding rather to be chosen than silver! Proverbs 16:16 (KJV)*

His book is being spread to different denominations through "Christian On-line Bookshops"... unfortunately!

1:16:

They (the demonic) take on a characteristic of the sin the people commit, so if a person sins sexually and the spirit comes in at that moment, it can be a spirit of lust, so the spirit takes on the nature we give it through our own sin.

---

2:16

At night, people often have visitations from spirits.

And an incubus spirit <http://en.wikipedia.org/wiki/Incubus> is one that will invade a woman sexually and have sexual relationships with her. She has all the sensations of having a sexual relationship and the succubus spirit is that which does the same with a man.

Those spirits are being given a lot of rights, a lot of power, as result of very bad behavior sexual behavior **down the generation lines** usually. Usually associated with witchcraft or satanism, where sexual relationship has actually become part of a ritual.

And those sexual relations when they become part of a ritual are empowered through the worship of satan that is involved in those rituals. So they are powerful, they can only exercise rights in the areas where they have rights, so it's usually down the generation lines.

**They can be dealt with; through confession and repentance of the generational things.**

It's interesting that in Nehemiah chapter 1, Nehemiah says "We confess the sins that we have committed and those of our ancestors. I and my ancestors; we have sinned."

And so people who are struggling with a succubus <http://en.wikipedia.org/wiki/Succubus> or incubus spirit, I always lead them in that sort of prayer. Obviously, some of their own sexual sin has to be dealt with first.

If there are things they have been involved in, that they have given power to these spirits then those have to come to the light and be dealt with. When we've dealt with those - we come to the place we say:

"I and my ancestors, we have sinned. I am part of my ancestors. I confess my ancestors sin", without actually having to know the details of it, we confess that our ancestors have sinned and we ask God to cleanse us from the consequences of that generational sin.

And then I pray a breaking of that generational line. I ask God to just cut that line, so that it does no longer be any power down the generational line. Now usually that works.

There may be situations where you do all that and the people are still struggling, and it may be that there are other generational powers or rituals that have taken place, which we haven't yet faced. But in all cases, you work through it bit by bit and all of the people that you pray in this sort of way; they see more light come into the light, they see more progress in every stage. They know they are actually making headway.

But the power of succubus and incubus is ultimately simply delegated power from satan and because Jesus has authority over satan, he delegated that authority to believers. It can be dealt with.

---

07:06 we can actually be free of that control by living a godly and clean life **AMEN! – BUT IT TOOK OVER 7 MINUTES TO FINALLY COME TO SAY THIS “we can actually be free of that control by living a godly and clean life” – ABSOLUTELY INCREDIBLE! IT SHOULD HAVE COME FIRST!**

What he teaches is to **confess sin in generation lines in order to be delivered yourself.**

I hate to have to bring this up – but if people are taught to believe this; they'll pay for one deliverance session after another... And there will always be another generational sin needing to be dealt with... there will be no end and no real deliverance!

This is the same teaching that many in the Word of Faith Movement have – **blaming everything on demons!**

Not having to be accountable for their own actions/lusts (desires)...

WHERE in the New Testament can we read that we are to confess sin in our generation lines? I cannot find it!

James 5:16

(King James Version)

**Confess your faults** one to another, and pray one for another, that ye may be healed.

The effectual fervent prayer of a righteous man availeth much.

1 John 1:9

**If we confess our sins**, he is faithful and just to forgive us **our** sins, and to cleanse us from all unrighteousness.

**Not once does Horrobin mention about "Crucify self/flesh and lust" – "Deny yourself"!**

Galatians 5:24

(Reformationsbibeln - andra upplagan 2012)

And they that are Christ's have **crucified the flesh** with the **affections and lusts.**

Romans 6:6

Knowing this, that our old man is **crucified with him**,  
that the body of sin might be destroyed, that henceforth we should not serve sin.

Galatians 2:20

I am **crucified with Christ**: nevertheless I live; yet not I, but Christ liveth in me:  
and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me.

Lukas 9:23

And he said to them all, If any man will come after me, let him **deny himself, and take up his cross daily**, and follow me.

Markus 8:34-35

And when he had called the people unto him with his disciples also, he said unto them,  
Whosoever will come after me, **let him deny himself**, and take up his cross, and follow me.  
For whosoever will save his life shall lose it; but whosoever shall lose his life for my sake and the gospel's, the same shall save it.

Matteus 16:24-25

Then said Jesus unto his disciples, If any man will come after me, let him **deny himself**, and **take up his cross**, and follow me.  
For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it.

**There is only ONE SACRIFICE for all people – in all generation lines!**

**JESUS CHRIST IS THE ONLY ANSWER – IF THE SON SETS YOU FREE – YOU'RE FREE INDEED! HALLELUJAH!**

I am not an exegete and have so much more to learn...

However, this "generational sin" in Exodus is in the Old Testament and if it is still in effect; it is for non-believers = not born again believers...

**Thanks to Christ's work on the Cross and His Blood cleansing us – it breaks any such sin's curse – once we become born again!**

Exodus 20:5 (KJV)

*Thou shalt not bow down thyself to them, nor serve them:*

*for I the Lord thy God am a jealous God,*

*visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me;*

John 8:36 (KJV)

*If the Son therefore shall make you free, ye shall be free indeed.*

(I just love it the way when it's said this way: **He whom the Son sets free – is free indeed!**)

Then of course, there may be "consequences" due to what has been done by others – even in generation lines... that may be something that actually affects us today... (just as an example, if one of the parents would be involved in adultery and it resulted in a half-sibling being born; then it immediately affects the other children) but it is something we must ask the Lord to help us show the way through and give us wisdom about how we should "deal with it" or not...

Then I do not want anyone to think that I look down on counseling/pastoral care... there is absolutely a place and a need for this! But I want to return to a Biblical counseling, where the Bible gets main priority in order to renew the mind and allow the mind of Christ to rule...

Nor do I belittle peoples sufferings – believe me, I have suffered myself and know how hard it can be!

I know there is a need to have to speak out and have someone to listen! Anyone to cope with the issues...

**But I also know WHO has helped me and WHO WAS Faithful ALL THE WAY!**

ONE MORE THING:

I do not believe a born again believer can give "access" to spirit beings having sex with them while sleeping due to sin in generational lines! That is NOT Biblical! There is no Bible verse to back this up!

The people claiming to have such "encounters" have probably been opened up to occult practices – knowingly or ignorant – or they have huge issues with lust... Or they have been given another/false gospel and are no believers, but have been taught and believe they are... They need the Gospel of Christ in order to be saved!

**I believe it's a matter of taking your thoughts captive... denying yourself – crucify your flesh!**

*2 Corinthians 10:5 (KJV)*

*5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;*

**It is a huge lack of such teachings today!**

**It was my FIRST time to ever hear the words succubus and incubus when listening to the YouTube above!!!**

I had to search and look up the spelling before I got it right...

I have very rare times heard of people "while in prayer" behaving as if having sex with a being... but that has been their choice – not while helplessly sleeping!

In those few cases of people I've heard of – they had opened up to occult teachings – heresies... and had been led astray by deceiving spirits...

In the wikipedia links above <http://en.wikipedia.org/wiki/Incubus>, we learn that **incubs is a demon in male form.**

Wikipedia also says **"according to a number of mythological and legendary traditions"**

And in <http://en.wikipedia.org/wiki/Succubus> **Succubus is a female demon**

**Interesting right there!**

WE KNOW THE ANGELS IN THE BIBLE ARE ALL MASCULINE! (That's why Todd Bentley's angel Emma got in trouble by the Bible reading/believing community!)

So the 3<sup>rd</sup> of the angels who were cast out of heaven with Lucifer MUST be masculine!!!

**THAT PETER HORROBIN DISREGARDS THE BIBLE IS TRAGIC, BUT THAT HE RATHER BELIEVE IN MYTHOLOGICAL AND LEGENDARY TRADITIONS IS EVEN MORE TRAGIC... MISLEADING MULTITUDES...**

I guess he is talking out of "experiences" by helping people having these issues...

I am NOT saying it doesn't happen... but IF they are born again believers; it is NOT due to their parents' sin or any sin made by generational line...

I, personally, really believe they are not born again – but needs the Gospel explained for them to repent and be born again! I could be wrong, but in that case I need Bible verses, in its context, to prove differently...

Yes, it is much easier to pay for a "deliverance session" and have someone pray and binding & cutting off curses due to generational lines, rather than facing your own part of the sin-issue and confessing it as sin and having to quit that which "empowers" the manifestations...

**It is the same old lie; to focus on self, instead of focusing on His work on the Cross!**

**The Bible has the answers – not mythological and legendary traditions!**

In Sweden we have an apologist by name Stig Andreasson who has written many books. One of them, called **"Maktkamp" (Struggle for Power)**, gives a healthy and Biblical view on Counseling/Pastoral care...

On page 158 he writes:

*En del s.k. "andlig krigföring" i vår tid består faktiskt i att försöka driva ut demoner ur domäner, dit de aldrig haft tillträde. Fienden har ingenting emot denna form av skenkrig. Det hela gagnar snarare hans syften. Samtidigt som det givetvis tillfredsställer den typ av "själavårdare", som älskar att vara omgivna av människor, som lever i full beroendeställning till dem och deras förmåga att befria dem från allt som plågar dem. Så hamnar man i en osund "låtsas-karismatisk".*

---

*Och det är sant att en själavårdare och lärare kan göra mycken skada i själarnas värld utan att vara direkt illasinnad. Har han en felaktig grundsyn i väsentliga frågor och saknar han ödmjukhetens tjänardrätt kan han skövla Guds vingård. Medan skadegörelsen pågår som värst tror han sig göra en strålande insats i Guds rike. För han är givetvis blind för sin egen villfarelse...*

*Some so-called "spiritual warfare" of our time actually consists in trying to cast out/expel demons from domains/regions, where they have never had access. The enemy has nothing against this form of seeming/false war. It all rather benefits his purposes. At the same time it obviously satisfies the kind of "counseling/pastoral care", who loves to be surrounded by people, who live in full dependency on them and their ability to deliver them from all that plagues them. That is how you end up in an unhealthy "pretend-charismatic".*

---

*And it is true that a counselor/pastoral care and teachers can do much harm in the world of souls without being directly malicious. If he has a wrong basic view on vital issues, and if he lacks humility's serving attitude, he can devastate God's vineyard. While the devastation is in progress at worst, he thinks he is making a brilliant effort in God's kingdom. Because he is obviously blind to his own deception/error...*

**It takes a no-brainer to figure out that Ellel is one of the organizations who are involved with exactly the above practices, which Stig warns about... and many other "Deliverance Ministries" do the same...**

<http://www.theberean.org/content/spirit-counseling> - The Spirit in Counseling [Excerpts]

**Many Christian counselors are guilty of ignoring the divine Counselor.** It's time to rediscover His role.

*I think it's no exaggeration to say that the Christian counseling scene today is in total shambles. I'm not talking about **true Christian counseling -- that which trusts the Bible and the power of the Holy Spirit to conform a person to Christ** -- that kind of counseling has been successfully changing sinners since the apostolic age. I'm talking about pseudo-counseling -- the attempt to fix people with a blend of secular psychological theory and the Bible.*

*But have integrationist counselors affected any real change among evangelical Christians?*

*Are people really fixed?*

*It has been sad to see so many Christians seek counsel from Christian psychotherapists who fumble around with theories developed by Sigmund Freud, Carl Rogers and B. F. Skinner. Psychology and talk therapy are so bankrupt that many are abandoning them to embrace*

biological psychiatry. Psychotropic medicine is the new savior. Problems that were once blamed on dysfunctional families and Id/Superego conflict are now charged to chemical imbalances and disorders.

**Yesterday's psychology and today's psychiatry share the same fatal errors -- they reject the total depravity of man due to sin; they treat the symptoms instead of the heart; and they aim for change that is not true sanctification.**

*In spite of obvious failure, the notion prevails within the church that psychotherapy and psychiatry are more effective agents of change - particularly in dealing with the most difficult cases -- than the Holy Spirit who sanctifies. **But can psychotherapy or psychiatry possibly accomplish something the Holy Spirit cannot? Can an earthly therapist achieve more than a heavenly Comforter? Is behavior modification more helpful than sanctification? Of course not.***

<http://www.thebereancall.org/node/2788> - What Is Theophostic Counseling?

**Theophostic Prayer Ministry (TPM) is taking thousands of churches by storm around the world. This fast-growing inner-healing technique is an offshoot of Agnes Sanford's teachings. Sanford, deceased for over two decades, advocated healing of the memories through mystical prayer. She taught that one should visualize a past situation, and then envision Jesus coming into the memory to solve the problem.**

*In TPM, a Theophostic-trained facilitator asks the ministry recipient to drift back and identify the first memory he or she can remember in which was felt the same negative emotion that has been "triggered" in the present time and is the current source of trouble. The facilitator helps to identify a lie embedded in that memory, such as, "I'll never be safe." The recipient then prays to Jesus to reveal the truth with the expectation that both the lie and the emotional pain will be vanquished.*

**Ed Smith, who launched Theophostic Prayer Ministry in Campbellsville, Ky., in 1996, says Theophostic facilitators "ask the Lord to reveal His truth" as clients "watch for, listen [to] and feel" a special revelation from Jesus, who "has the ability to enter into our historical moment and reveal truth in the experience."<sup>1</sup> The TPM facilitator then declares that the source of the revelation is actually Jesus.**

*"During Theophostic Prayer Ministry, demons sometimes masquerade as Jesus, appearing visually in people's minds looking like Jesus," warns Smith. But, don't be alarmed by this, he says, as it's easy to spot the demonic imposter.<sup>2</sup> "I have found that when a person looks carefully at the face of a demon 'Jesus,' it will usually be dark or hazy, or look angry, scornful, or evil."<sup>3</sup> Smith also warns against all forms of channeling or divining the future using TPM, because he admits that facilitators have used it for divination.<sup>4</sup>*

*In TPM, truth is defined by how it feels, and Smith elevates a mystical encounter with Jesus over teaching and discipleship. He warns of "clutter"<sup>5</sup> that can hinder TPM, which includes logical thinking, because this will interfere with receiving truth.<sup>6</sup> In Smith's thinking, the mystical method must take place before teaching, insight, and encouragement can have any effect on the person's emotional distress. Smith says: "As Christians are released from their lie-based thinking, they will be better able to appropriate the biblical instruction they receive through other cognitive venues.... We need to experience the freeing presence of Christ in our lives so that we can absorb the Word of God and be changed by it."<sup>7</sup>*

**Smith claims that a feeling of peace validates the entire mystical experience as being from God, and this "Peace rarely, if ever, comes via the cognitive instruction of the facilitator/counselor. If cognitive truth resulted in peace, our churches would be full of peace-filled people."<sup>8</sup>**

**THIS SEEMS AT LEAST TO ME, LIKE THE DESCRIPTION OF ELLEL'S DELIVERY MINISTRY!**

**THE WAY THOSE WHO HAVE BEEN EXPOSED TO ELLEL HAVE BEEN DESCRIBED IT... AND FROM WHAT I'VE READ... AND OF COURSE, AS MENTIONED ABOVE; MANY OTHER "DELIVERY MINISTRY CONCEPT" OF TODAY... THAT IS WHAT I WANT TO WARN ABOUT – THE WRONG CONCEPT OF COUNCELLING/PASTORAL CARE!**

### **Theophostic Counseling**

*This form of 'Christian' counselling was the brainchild of Dr Ed Smith, a therapist from Kentucky. Theos – God, phostic – light. Thus, 'light from God'. It is when Jesus is 'invited into' a situation, to light up the problem area. This is "essentially Agnes Sanford's inner healing" (John and Paul Sandford founded Elijah House - [apologeticsindex.org](http://apologeticsindex.org)). **And this is what Ellel teaches. Thus Ellel equals theophostic counselling. It uses guided imagery and visualisation, an occult technique that opens a person up to demonic influence, even though Ellel says it gets rid of demons perceived to be in the person.** As I have already said, no Christian can have a demon living within.*

*Theophosticism claims to recover hidden memories and reconstruct them so that proper interpretation of events is given. This is very vague ground and can allow all kinds of practices and beliefs to enter a person. **Who is to say that the proper interpretation is what Ellel says it is? How can it be checked against a 'secret' memory? And how does Ellel know it is not a demonic interpretation?***

I'm coming back to this article further down...

Listen to Caryl Matrisciana about **Spiritual Warfare**:

<http://video.google.com/videoplay?docid=-2118372259824859614#>

**Spiritual Warfare: Caryl Matrisciana talks about how the Christian faith is being attacked globally on a spiritual level.** She gives examples of how the mystery religions of old are being taught as normal and against mainstream American thought...of old (which still lives) From Yoga to Harry Potter, she explains the attempts of the Elites, who have a different design for man than God, to bring about their "New World" and their "New Thinking" in spiritual claims. Actually, what she is exposing is "very old in design", "very old in intent", and "very old in want", but brings this update for the 21st century. Please remember that "there is nothing new under the sun", it's just that most of us have been trained to forget. It's a very fast video, Caryl is very charming, informed and understands very much about the things she is talking about. After growing up in India, ( India, which was used for an offshoot for the mystery religions), as a Christian she does a good job at making a case of why the Christian world should be interested in the intent and direction of the mystery religions, which includes , Masonics, New Age, Witchcraft, Hinduism and more.... Which also includes the intent of the UN. I'm sure you will enjoy this short presentation, which I hope will get you to ask questions about the claims and the intent of those in charge today. The direction of Nations and the World today are not seeking the Bible, but something else...something the Bible warned about long ago...which also happens to be linked to the fears of the founders of USA (See the Atlantis Connection [http://www.robodoo.com/new\\_page\\_1.htm](http://www.robodoo.com/new_page_1.htm) ). **Here is an apologist warning about Ellel and its "inner healing":**

<http://www.deceptioninthechurch.com/orrel21.html> - **Ellel: Deja Vu All Over Again**

The Plumline, Volume 11, No. 1, March/April 2006

by Orrel Steinkamp, 3/20/06

**EXCERPT:**

**Ellel is another version of the inner-healing phenomena based on Freud's deep unconscious teaching and the need to regress people into the hidden inner regions of the so-called unconscious mind and heal current seemingly unexplainable habits and hurts.**

Ruth Carter Stapleton, Ann White and Rita Bennett first publicized and made famous **inner healing in Christian circles**. Based on Freudian depth psychotherapy, Stapleton and White **morphed and adapted Freudian and Jungian ideas and practiced these techniques in the early charismatic movement**. Actually Agnes Sanford preceded these two ministries. **Sanford actually can be called the "mother of the so-called Christian inner healing"** In early charismatic days just about every charismatic bookshelf had copies of her books. **But her inner healing was related to New Thought/New Age thinking current early in the 20~ century.**

---

Inner healing has some metaphysical roots in New Thought concepts, and it also has roots in Freudian/Jungian psychology, but **it all has a common center from which it derives its central thesis namely that the traumas of the past, inflicted upon us in childhood and even within the womb become buried and repressed within the unconscious mind and cause adverse human behavior**. It is affirmed that the mind never forgets anything but stores it in a memory bank. If an experience is particularly unpleasant it may be repressed and hidden to the unconscious mind. This repressed memory though hidden still intrudes itself into the present hindering ones ability to relate to others and to ourselves.

In Freudian psychoanalysis the therapist is trained to regress people into their past and help identify the sources of trauma. Often they will employ hypnosis to uncover these areas.

Jungian therapists employ similar methods. Jung described the inner man in more spiritual terms. Jung himself credits a spirit guide named Philemon for developing his thought and procedures. In any case there is **a need to travel back into the past via the unconscious mind and to first locate the hidden trauma of the past and then bring healing to bear.**

---

Christian inner healers accepted without question the central thesis of Freud regarding the hidden traumas affecting our conscious life, and the need to regress, and travel back in time via the human memory and effect healing. Rather than using the techniques of a clinical psychoanalyst, they chose to introduce the idea of Jesus regressing people and Jesus effecting the healing in the past time of the person.

---

**Thus the need to empty the conscious mind by concentration on Jesus and "centering down".**

**This is effected by guided imagery techniques in which Jesus is purported to actually travel into the past using the road of the memory. This supposed Jesus is usually visualized. It is at this point the New Thought ideas introduced by Agnes Sanford bring a new dimension of concern. This kind of visualization technique is a widespread technique in occult circles to contact the personalities of the spirit world. Even Jung found that this introduced him to spirit guides who gave him knowledge he didn't have before.**

Consequently many inner healers also become exorcists. For they appear to encounter demonic spirits in this internal travel time warp into the human soul. Obviously the deception of demonic spirits makes the whole industry of inner healing a very dangerous venture. Most often inner healing gurus re label traumas of the past are to demonic personalities. **The demonic powers behind the trauma must be named and labeled and then commanded to leave.**

---

**Ellel now takes it place in inner healing history, joining innumerable ministries of inner healing.** Just to name a few: Francis McNutt, Dennis and Matthew Hinn, Betty Tapcott, Seamans and myriads of others. Most recently and still finding some acceptance is the ministry called "Theophostics." But they all are a predictable rehash of the central core teachings of their predecessors. **Indeed they have their differences in approach and even terminology, but they are simply repeats of the former.**

Ellel is based in England. They have luxurious English manors located on expansive historical properties. They have country estates in **the Grange, Glyndly, Pierropont, Bairmore Scotland, Gilbulla Australia, South Africa, Singapore, Norway, India and Tampa Bay in the USA.** In every location they have historical country estate buildings, which seems to be their signature. They have developed elaborate programs for their ministries. They have weekends, 2-week courses, 4-week courses, and even long-term courses up to 9 months and an interactive course on line. **They do not reveal their teaching in the articles on the net.**

**But in the elaboration of their courses one finds all the telltale clues of their ministry. There you will find courses in "getting to the root of the problem." generation sins, God's healing through Drama, demonic footholds through sin. The basis of demonic intrusions: What is inner healing? In some of the course descriptions they make statements as "we are made up of three connecting parts which are body, soul and spirit... the human spirit is fragile so it can easily be damaged and defiled through occult sin. This sin arises either through generational iniquity or involvement in occult activities. They have courses on spiritual warfare and related topics.** Although, it is not spelled out in great detail enough is said to know full well it is your stock in trade **inner healing paradigm. They have endorsements from the Wagner Leadership Institute, and from the Elijah House ministry of John and Paula Sanford.**

What more does one need to know that this is as Yogi Bera said: "deja vu all over again."

### **Inner Healing and the Bible**

Although there are valiant attempts to use biblical texts to justify the inner healing paradigm and practice, it is common sense that **nothing even remotely like inner healing is found in scripture. Consequently passages and biblical words are cleverly redefined.** Many inner healers take the biblical word "heart" and import into that word the whole meaning of Freud's deep unconscious. But the source of this is not the canonical scriptures but is clearly derived from Freud and Jung. John Sanford transparently refers to his ideas as related to Jungian thought. **Why would we want to learn from an atheist like Freud and an Occultist like Jung? Can they just say that all truth is God's truth even if an Atheist and occultist discovered it?**

So we need to turn to the scriptures which have historically been the sole authority of faith and practice, which is included in the scrumpy reference of the beliefs on the Ellel website.

**How does God deal with our past sins? Does the Bible suggest that God must send Jesus on a metaphysical time travel journey into our hidden memories of the past?** Isaiah 43:25 states "I am He that blots out transgressions for my own sake and I will not remember your sins." Now if God not only blots out our past sins and intentionally will not remember them, then doesn't it follow that we should forget our sins and not try to regress into the so-called unconscious to rediscover them? **Thus whenever in our conscious mind our past rears its ugly head is not the way of victory to forget them realizing they have no existence before our holy God?**

Passing lip service is often given to the cross. **But in all of inner healing teaching there is little or no attention given to what Jesus accomplished on the cross. While much is made of the unconditional love of Jesus. This love is disconnected from the atonement. The**

*finished work of the cross is clearly a missing element of inner healing, teaching and practice. The absence of the atonement also relates to an unbiblical view of sin. Sin in inner healing is usually seen as produced by the reaction to the victimization of traumas in our past. The assumption is that if the trauma can be identified and removed, then healing will automatically follow. Sin is thus only a violation of my wholeness, and not God's law. This makes the cross work of Jesus really unnecessary. But when Jesus cried out "it is finished", God's law was satisfied and all our sins conscious or unconscious were not only forgiven, but put death (Col. 2:15) and were nailed to His cross. This being a public disclosure that when Jesus died for us our sin also died.*

---  
**Whereas Jesus dealt with our sins once for all, inner healing is a never-ending series of psychic trips into our unknown past to deal with these sins and their continual effects.**

*Inner healing is not a once for experience. How could it be, for who can know just how many different and assorted traumas lie covered in the unconscious? Any unpleasant thoughts or feelings could well be the tip of the ice berg which points to traumas still hidden in waters of the unseen unconscious. So inner healing is a life long vocation that is repeated over and over, as were the sacrifices in the Old Testament. But Jesus work at Calvary was a "once for all" triumph. Praise be His name.*

*It was the apostle Paul who declared that: "because we have concluded this: that one has died for all, therefore all have died, and he died for all, that those who live might no longer live for themselves, but for him who for their sake died and was raised... Therefore, if anyone is in Christ he is new creation. The old has passed away; behold, the new has come." (2 Cor. 5:14-15). The Apostle Peter also has words that apply here: "Knowing that you were ransomed from the futile ways inherited from your forefathers, not with perishable things such as silver or gold, but with the precious blood of Christ." (1 Peter 1:18). The blood of Christ has ransomed us from the ways of our fathers. Tim Challies says: "When Jesus death was near, He cried out, "It is finished!" It was a cry of triumph It was a cry that pierced history and divided humanity. It was the greatest, purist, most meaningful utterance the world has known In His Death Christ took our sin upon Himself. He took Satan's accusations on our behalf. As God turned His back on Jesus, while at the same time poured His wrath upon Him, Jesus atoned for our sins. He entered a claim for the lives of His children. **My sin became His and His righteousness became mine. The accuser has lost his claim. When Satan accuses me now all I have to do is believe, trust and affirm that his claim is null and void. My sin has been removed. My guilt has been taken away.***

*Finally, **The Apostle Paul obviously knew nothing of inner healing techniques.** He was keenly aware of his historical sins so much so he called himself the chief of sinners. If he only had access to Freudian deep unconscious psychotherapy and the guided imagery of Christian inner healing practitioners, maybe he could have been healed of his traumatic scars. But, rather, **we see the apostle living above and beyond his past.** In Phil. 3:13-14 Paul sees no need deeply in his past whether us or unconscious: "But one do: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus."*

*The operative words here are "forgetting" and "reaching forward." This is intentional forgetting. Paul poises himself as a runner, who forgets all his past defeats and focuses thoughts on what lies before him. Paul suggests that he had no regard for his past? No, as we see in this passage he recalls the past to motivate himself into the future. He reminds himself that the past is behind him and in the example he cites, the past is worthless. His focus is on "what lies ahead." **Why can Paul so easily forget his past? Surely it is because of all his sin and hurt of the past was dealt with once for all at the cross, he is a new creature in Christ. All of this suggests that Paul would not have signed up for the relatively costly weekend of inner healing in the Ellel or anywhere else.***

*Don't bother to read anything about Ellel. There is nothing new here. It's just "deja vu all over again."*

### **Another warning about Ellel Ministries:**

[http://www.theologicalstudies.org.uk/article\\_ellel\\_review.html](http://www.theologicalstudies.org.uk/article_ellel_review.html) - **Healing Through Deliverance: A Biblical Check-Up**

*A Review of Peter Horrobin's Healing Through Deliverance: The Biblical Basis, 2nd edition.*

*(Chichester: Sovereign World, 1991, 1994)*

*There are many statements in this book with which it is difficult to find fault.*

*"The Bible is the divinely inspired authority in matters of faith, doctrine and conduct and the basis for teaching." [12].(1)*

*Deliverance from demons was an important part of the ministry of Jesus (e.g. Acts 10:38) and as his followers it is also part of ours.*

*However, there is also much in this book that should be of great concern to Bible-believing Christians.*

*Far from being a Biblical basis' Peter Horrobin's [Henceforth PH] book is really a polemic against those who oppose what I shall refer to as 'Ellel Grange Theology' [henceforth 'EGT'].*

---  
*For this reason there is no need for me to attempt to refute every claim made by PH - which would require a volume larger than the original.*

*Instead I will simply look at the 'linch-pin' scriptures on which his framework is based.*

But before I do so, I should point out some of the claims made by PH **about those who do not accept EGT.**

- 1) Those who do not believe that Christians can be demonised (the central tenet of EGT) have never been involved in a deliverance ministry [193, 224, 226].
- 2) They have a distorted and unbalanced theology [224].
- 3) They are pharisaical [229].
- 4) **They are themselves demonised and led to oppose the work of Ellel Ministries by the demonic** [304-305].(2)

Even in Sweden Horrobin's teachings has been questioned och discussed... In the "Christian newspaper" called Dagen there has been articles about Ellel.

Fortunate, some of the links in this text is in English... ;D)

**KJ's "SwEnglish" translation:**

**Wilgot Fritzson pays attention to Ellel Ministries in a debate article in Dagen.** He writes:

"On March 9, we could read in Dagen about Ellel Ministries, a British Counselling/Pastoral Care Movement, which is now accelerating its campaign/investments in Sweden. Courses have been held at Kåfalla Mansion outside Lindesberg since 2004. Several have testified of deliverance. Others have had major questionings. I myself see a need for more counselling/pastoral care in our congregations in Sweden. Therefore I took the time to thoroughly read the two main books by Peter Horrobin, founder of Ellel Ministries – 'Healing Through Deliverance', volumes I and II, all together 640 pages".

Then Fritzson summarizes Horrobin's teaching about evil spirits in some interesting points. (Read the article [here](#)) **It's a daunting read that raises many question marks for me. If this is the teaching of demons presented in Ellel Ministries, there is great cause for concern and critical review.** Wilgot Fritzson calls for a conversation on these issues. My contribution to the conversation is to tell you about some interesting articles.

Many in the charismatic movement teach that Christians can be possessed by demons (have evil spirits or be demonized as people often puts it). That teaching came to Sweden in the 80's primarily by **Derek Prince** and Don Basham. Others have followed in their tracks. Peter Horrobin seems to be of the same opinion.

The American Pentecostal Movement Assemblies of God has in a very clear and on Biblical basis renounced this teaching. It was made by a [Position Paper](#) where the denomination explains and justifies its official standpoint. It is very readably

and well documented and has the title: [Can Born-Again Believers Be Demon Possessed?](#) I warmly recommend it!

The second article I want to tell about is published in the [Asian Journal of Pentecostal Studies](#), No. 1, 2000. It is written by Steven S. Carter and has the title [Demon Possession and the Christian](#). Even this is warmly recommended to anyone who wants to study these issues in more detail. It goes very thoroughly through both sides of the argument based on the Biblical texts. It is useful to read arguments from different sides in order to form an opinion of your own.

### **Ellel Ministries - An Assessment**

---

#### **Peter Horrobin: Founder of Ellel**

Sometimes it is not that easy to assess ministries fully, and we have to accept a partial view. In the case of Ellel, they are careful not to reveal too much about their methods or contents of their talks. In this section we will see what a reviewer of Peter Horrobin's book, 'Healing Through Deliverance: the Biblical Basis' says. The reviewer is Robert Bradshaw, and his review is found at [theologicalstudies.org.uk](http://theologicalstudies.org.uk)

*The Alpha Course, too, superficially appears to be good material, until you look very closely at the words and statements. Most of the Course appears to be sound, and this is the problem. It is a fact that grave errors can be contained in a system that is mainly sound! They are grave because the errors are sufficient to destroy true Christian beliefs and doctrine. **The same goes for this Ellel book.** As Bradshaw says "There are many statements in this book with which it is difficult to find fault." It is because, like the wooden horse in Troy, what appears to be at first a gift, is, rather, a deadly snare.*

*"There is... much in this book that should be of great concern to Bible-believing Christians. Far from being a 'Biblical basis' (the) book is really a polemic against those who oppose what I shall refer to as 'Ellel Grange Theology' (EGT)." (Bradshaw).*

*"EGT has all the characteristics of a 'framework interpretation'; that is, a system of interpretation that takes as its foundation a selection of texts that appear to support the writer's presuppositions. From these scriptures a conceptual framework is constructed through which all other passages of scripture are viewed." This is typically how cults and sects work.*

*Such an approach has two flaws: firstly, it is unbiblical, because it does not deal with the whole of scripture but 'cherry-picks' only what supports the point of view. Secondly, such material is only as strong as the scriptures chosen. I have shown this when dealing with many other sects. Very often even the chosen texts are vague or are not even related to the matter being discussed!*

#### **Bradshaw highlights certain of Horrobin's beliefs:**

- 1. That Christians can be demonised. This is central to Ellel's ministry.**
- 2. Those who do not accept this are accused of having a "distorted and unbalanced theology."**
- 3. They are called 'Pharisaical'.**
- 4. If they do not accept what Horrobin teaches, he says they are themselves demonised.**

#### **Brief comments:**

1. Christians cannot be 'demonised'. I assume from this word that Horrobin means possessed. This is impossible, for every Christian is indwelt by the Holy Spirit, Who will not share the elect with anyone! Scripture also tells us that if the root is good, then so will be the branch; the lump taken from the firstfruit will share the same holiness.
2. In which way is it distorted and unbalanced to believe what scripture says?
3. How is it Pharisaical to demand obedience not to man, but to God's word?
4. Horrobin is trying to use a circular argument by saying critics are themselves demonised! And he does not recognize that what he does is demonic!

*Horrobin teaches that every Jew is a believer, just because he or she is a Jew. This is also contradicted by scripture. Not everyone who calls himself 'of Israel' is of Israel! Only a few, a remnant, will be believers, justified before God. This is what Paul says in Romans. For Horrobin to state that all Jews are 'children of Abraham' in the sense of being believers, is a direct lie.*

*As for possession... a Christian can certainly fall under the influence of Satan (that is, demons), but he cannot ever be possessed, because he has been cut away from the bad root (Satan), and grafted into the true tree (Christ: Romans 11). But, Horrobin assumes that Satan is behind Christian illnesses and afflictions, without proof or warrant.*

*Because of his peculiar and unbiblical attitude, Horrobin claims that all of Jesus' casting out of demons were performed on believers! He uses every example in the book to teach this, even though there is no proof whatever in the Biblical texts.*

*Eisogesis is the act of reading a theology into a text, rather than allowing the text to interpret itself. Horrobin does this admirably! Though he says in part that Christians cannot be possessed, his very argument suggests otherwise.*

*Unfortunately, charismatics tend to see a demon under every bed and around every corner. Perhaps they are there... but they can affect nothing unless the Christian temporarily turns his back on God and gives in to sin. **Only the spiritually ignorant will think otherwise, because they are badly taught.***

**All the information presented above is enough for me to be willing to warn about Ellel Ministries with its "Deliverance & Healing Ministry"...**

**For me it is also clearly evident that they have cooperation with, embrace and are influenced by NAR (New Apostolic Reformation) and its strategies... otherwise they would never use "NARians" to recommend their Ministry on their website!**

I do not doubt that Peter Horrobin, and others who involved with Ellel Ministries in one way or another, are genuinely seeking to help people – that they have a heart for God... I am sure they do!

But somewhere along their walk they have believed lies/false doctrines and been lured away from the "narrow path"... They have been deceived and are now deceiving others...

If you, reading this, have taken part of Ellel Ministries I encourage you to go to God and renounce this and ask for cleansing in the Blood of The Lamb = repent!

Just as one would repent for partaking in the Word of Faith Movement or other "heresy-movements" ... deceptions!

What was good and helpful – because EVERYTHING they say is not wrong! = Keep it and thank God for His grace!

**But renounce this starting today – because NOW you know better! – and only allow Biblical teachings to influence you! Have nothing to do with Ellel from now on...**

**Don't confuse your brothers and sisters in Christ by associating with those who teach unbiblical doctrines!**

Many may not like what has been written in this newsletter ...

*Am I therefore become your enemy, because I tell you the truth?*

*Galatians 4:16 (KJV)*

Many would probably want to hold on to their "beloved perceptions" – regardless how wrong they are – but I urge you to take heed by what you've read and search the facts for yourself – with the Bible as the authority and plumbline!

Remember;

*It is better to be disturbed by truth, than to be deceived by falsehood*

**May we dare to compare what we have learned with WHAT the Bible really teaches!**

And if it does not "measure up" – may we dare to submit to the Word of God and choose to believe what is written in the Bible and dare to correct/change when we realize that we have been taught wrong! Healing involves repentance! First then we are being healed and delivered ourselves and can help others to be free!

**Let us not get caught up in nostalgia about "who" taught us – our loyalty belongs to God and His Word alone!**

**Let us also remember that sometimes/often suffering has a purpose...**

*Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time:*

*Casting all your care upon him; for he careth for you.*

*Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:*

*Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.*

*But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while,*

*make you perfect, stablish, strengthen, settle you.*

*To him be glory and dominion for ever and ever. Amen.*

**1 Peter 5:6-11 (KJV)**

*The highway of the upright is to **depart from evil:** he that keepeth his way preserveth his soul. Proverbs 16:17 (KJV)*

*After this manner therefore **pray** ye:... **Thy will be done...** (Matthew 6: 9-13)*

One last comment regarding Counseling and Pastoral Care/Deliverance Ministry;

**Our ultimate goal in life is to glorify God – not necessarily to be happy!**

**Nevertheless not my will, but thine, be done. (Luke 22:42)**

**Let us “contend for the faith which was once delivered unto the saints” and not compromise! (Jude 1:3)**

Since much information on the Internet can change quickly, let me just mention that the links in this newsletter worked when it was written.

I do not necessarily agree with everything that is written on the pages/articles that I have linked to in this newsletter - it's just the article or the excerpt I've linked to that I want to emphasize.
